coalition that formed in the wake of the Rodney King beating to challenge the destructive reign of Los Angeles police chief Daryl Gates LIBERALS WITH ATTITUDE DOCUMENTS THE SIXTEEN MONTHS IN 1991 92 between the brutal beating of Rodney King by four police officers that was captured on a home video camera and the resignation of LAPD chief Daryl Gates Gates was reviled by the local Black and civil liberties communities because of the pattern of racism and brutality in the department and he was uniquely powerful because of the structure of the Los Angeles City Charter and the secret files he kept on local politicians The effort to get Gates to step down after thirteen years as chief and to amend the City Charter to prevent another unaccountable chief from amassing that much power was led by Los Angeles mayor Tom Bradley a former LAPD officer and the first Black mayor of the city To overcome Gates s entrenched power Bradley assembled a team that included future US secretary of state Warren Christopher the local ACLU Congresswoman Maxine Waters and activists who saw the struggle against Gates as an important chapter in the civil rights movement Much of the local media especially the Los Angeles Times was supportive of Bradley s agenda as was the burgeoning gangsta rap culture of LA much of which emerged in reaction to the LAPD Author Danny Goldberg was the chair of the ACLU Foundation of Southern California during those years and was personally acquainted with the leaders of the fight against Gates He interviewed several dozen people who are still alive and got access to thousands of pages of documents among the papers of Stanley Sheinbaum who was married to the heiress of the Warner Bros film fortune Sheinbaum was chosen by Mayor Bradley to be the president of the Los Angeles Police Commission with the specific mission of getting Gates out of office Goldberg s insider saga demonstrates that cooperation between the political left and center is required to overcome white grievance and unaccountable power The Marilyn Files Robert F. Slatzer,1992 Bob Slatzer Marilyn s ex husband and long time confidant worked for more than 30 years to uncover the truth about the actress s untimely death This book documents revelations about mob involvement answers intriguing questions about the disappearance of her vital organs after the autopsy and explores the roles the Kennedy brothers played in Marilyn s death Includes 32 pages of photographs **Blue** Joe Domanick,2016-08-23 American policing is in crisis Here award winning investigative journalist Joe Domanick reveals the troubled history of American policing over the past quarter century He begins in the early 1990s with the beating of Rodney King and the L A riots when the Los Angeles Police Department was caught between a corrupt and racist past and the demands of a rapidly changing urban population Across the country American cities faced similar challenges to law and order In New York William J Bratton was spearheading the reorganization of the New York City Transit Police and later the 35 000 strong New York Police Department His efforts resulted in a dramatic decrease in crime yet introduced highly controversial policing strategies In 2002 when Bratton was named the LAPD s new chief he implemented the lessons learned in New York to change a department that previously had been impervious to reform Blue ends in 2015 with the LAPD on its unfinished road to reform as events in Los Angeles New York Baltimore and Ferguson Missouri raise alarms about the very strategies

Bratton pioneered and about aggressive racial profiling and the militarization of police departments throughout the United States Domanick tells his story through the lives of the people who lived it Along with Bratton he introduces William Parker the legendary LAPD police chief Tom Bradley the first black mayor of Los Angeles and Charlie Beck the hard nosed ex gang cop who replaced Bratton as LAPD chief The result is both intimate and expansive a gripping narrative that asks big questions about what constitutes good and bad policing and how best to prevent crime control police abuse and ease tensions between the police and the powerless Blue is not only a page turning read but an essential addition to our scholarship
