Leslie A White Ethnological Essays:

Ethnological Essays Leslie A. White, 1987 **The Archaeology of Human Ancestry** Stephen Shennan, James Steele, 2005-08-15 Human social life is constrained and defined by our cognitive and emotional dispositions which are the legacy of our foraging ancestors But how difficult is it to reconstruct the social systems and cultural traditions of those ancestors The Archaeology of Human Ancestry provides a stimulating and provocative answer in which archaeologists and biological anthropologists set out and demonstrate their reconstructive methods Contributors use observations of primates and modern hunter gatherers to illuminate the fossil and artefactual records Thematic treatment covers the evolution of group size group composition and the emotional structure of social bonds sexual dimorphism and the sexual division of labour and the origins of human cultural traditions The Archaeology of Human Ancestry is an essential introduction to the subject for advanced undergraduates and researchers in archaeology and biological anthropology It will also be used by workers in psychology sociology and feminist studies as a resource for understanding human social origins **Histories of Anthropology Annual** Regna Darnell, Frederic Wright Gleach, 2007-01-01 Histories of Anthropology Annual presents diverse perspectives on the discipline s history within a global context Critical comparative analytical and narrative studies involving all aspects and subfields of anthropology are included Volume 3 features critical and biographical studies of Sir Richard Burton Frank Hamilton Cushing J N B Hewitt Stephen Leacock Ant nor Firmin and Leslie A White Analytical topics include applied and collaborative anthropologies Edward Sapir s phonemic poetics mercantile proto capitalism the Delaware Big House ceremony and race and racism in anthropology **The Semiotic Self** Norbert Wiley, 1994 Ultimately in finding a way to decenter the self without eliminating it Wiley supplies a much needed closure to classical pragmatism and gives new direction to neo pragmatism **The Oxford Handbook of Cognitive Archaeology** Thomas Wynn, Karenleigh Overmann, Frederick Coolidge, 2024-03-27 The Oxford Handbook of Cognitive Archaeology is a landmark publication showcasing the theories methods and accomplishments of archaeologists who investigate the human mind including its evolutionary development its ideation thoughts and beliefs and its very nature through material forms The volume encompasses the wide spectrum of the discipline showcasing contributions from more than 50 established and emerging scholars from Europe Africa Asia Australia and the Americas Prominent among these are contributions that discuss the epistemological frameworks of both the evolutionary and ideational approaches and the leading theories that ground interpretations Significantly the majority of chapters deliver substantive contributions that analyze specific examples of material culture from the oldest known stone tools to ceramic and rock art traditions of the recent millennium These examples include the gamut of methods and techniques including typology replication studies cha nes operatoires neuroarchaeology ethnographic comparison and the direct historical approach **Space in the Tropics** Peter Redfield, 2000-12-19 Rockets roar into space bearing roughly half the world s commercial satellites from the same South

American coastal rainforest where convicts once did time on infamous Devil's Island What makes Space in the Tropics enthralling is anthropologist Peter Redfield's ability to draw from these two disparate European projects in French Guiana a gleaming web of ideas about the intersections of nature and culture In comparing the Franco-European Ariane rocket program with the earlier penal experiment Redfield connects the myth of Robinson Crusoe nineteenth century prison reform the Dreyfus Affair tropical medicine postwar exploration of outer space satellite technology development and ecotourism with a focus on place and the incorporation of this particular place into greater extended systems Examining the wider context of the Ariane program he argues that technology and nature must be understood within a greater ecology of displacement and makes a case for the importance of margins in understanding the trajectories of modern life

Profiles in Cultural Evolution A. Terry Rambo, Kathleen Gillogly, 1991-01-01 Presenting diverse viewpoints and topics this collection includes the following sections Part I presents a background on the study of cultural evolution Part II deals with the evolution of complex societies in the tropics of South America Part III discusses stage sequences and directionality in cultural evolution Part IV examines the role of prime movers in cultural evolution Part V discusses diversity and change

Graphing Culture Change in North American Archaeology R. Lee Lyman, 2021 North American archaeologists have grappled with finding a graph that effectively and efficiently displays culture change over time This volume explores the history of graphing culture change and brings graph theory construction and decipherment to the forefront of archaeological discussion

Totems and Teachers Sydel Silverman, 2004 This classic volume edited by Sydel Silverman presents the insiders reflection of distinguished contemporary anthropologists on nine prominent figures who helped shape the discipline This is one of few books that traces the theoretical development of anthropology through the lives of the well known figures who have influenced its historical trajectory

Science and Anthropology in a Post-Truth World H. Sidky, 2020-11-12 At the end of 2019 Americans were living in an era of post truth characterized by fake news weaponized lies alternative facts conspiracy theories magical thinking and irrationalism While many complex interconnected factors were at work this post truth era was partly the culmination of a cadre of anthropologists and other academics in American universities and colleges during the 1980s and 1990s In Science and Anthropology in a Post Truth World H Sidky examines how their untoward dalliance with problematic and dangerous ideas by Michel Foucault Jacques Derrida Jean Fran ois Lyotard Bruno Latour and Jean Baudrillard informed and empowered a forceful assault on science and truth in the following decades by corporate organizations politicians religious extremists and right wing populists

Progress Leo Marx, Bruce Mazlish, 1996 Evaluates the foundational idea of progress from many perspectives

A Critique of Postmodern Anthropology--in Defense of Disciplinary Origins and Traditions H. Sidky, 2003

More Than a Scenic Mountain Landscape Kurt Frederick Anschuetz, 2007 This study focuses on the cultural historical environment of the 88 900 acre 35 560 ha Valles Caldera National Preserve VCNP over the past four centuries of Spanish Mexican and U S governance It includes a review and

synthesis of available published and unpublished historical ethnohistorical and ethnographic literature about the human occupation of the area now contained within the VCNP Documents include historical maps texts letters diaries business records photographs land and mineral patents and court testimony This study presents a cultural historical framework of VCNP land use that will be useful to land managers and researchers in assessing the historical ecology of the property It provides VCNP administrators and agents the cultural historical background needed to develop management plans that acknowledge traditional associations with the Preserve and offers managers additional background for structuring and acting on consultations with affiliated communities

Anthropologists and Their Traditions Across National Borders Regna Darnell, Frederic W. Gleach, 2014-11-01 Volume 8 of the Histories of Anthropology Annual series the premier series published in the history of the discipline explores national anthropological traditions in Britain the United States and Europe and follows them into postnational contexts Contributors reassess the major theorists in twentieth century anthropology including the work of luminaries such as Franz Boas Claude Lévi Strauss Bronisław Malinowski A. R. Radcliffe Brown and Marshall Sahlins as well as lesser known but important anthropological work by Berthold Laufer A. M. Hocart Kenelm O. L. Burridge and Robin Ridington among others These essays examine myriad themes such as the pedagogical context of the anthropologist as a teller of stories about indigenous storytellers the colonial context of British anthropological theory and its projects outside the nation state the legacies of Claude Lévi Strauss's structuralism regarding culture specific patterns cognitive universals reflected in empirical examples of kinship myth language classificatory systems and supposed universal mental structures and the career of Marshall Sahlins and his trajectory from neo evolutionism and structuralism toward an epistemological skepticism of cross cultural miscommunication

Science and Technology in a Multicultural World David J. Hess, 1995 This new approach to the study of multiculturalism focuses on its applications to science and technology It explores new studies that describe the role of culture and power in the making of theories facts and machines

Cultural Constellations, Place-Making and Ethnicity in Eastern India, c. 1850-1927 Swarupa Gupta, 2017-11-01 In Cultural Constellations Place Making and Ethnicity in Eastern India c 1850 1927 Swarupa Gupta outlines a fresh paradigm moving beyond stereotypical representations of eastern India as a site of ethnic fragmentation The book traces unities by exploring intersections between 1 cultural constellations 2 place making and 3 ethnicity Centralising place making it tells the story of how people made places mediating caste religious linguistic contestations It offers new meanings of region in Eastern Indian and global contexts by showing how an interregional arena comprising Bengal Assam and Orissa was forged Using historical tracts novels poetry and travelogues the book argues that commonalities in Eastern India were linked to imaginings of Indian nationhood The analysis contains interpretive strategies for mediating federalist separatisms and fragmentation in contemporary India

African Genesis Sally C. Reynolds, Andrew Gallagher, 2012-03-29 This book reviews key themes and developments in palaeoanthropology exploring their impact on our understanding of human origins in Africa

The Muse

of History and the Science of Culture Robert L. Carneiro,2007-05-08 Is history more than in Boswell s words a chronological series of remarkable events Does it have a pattern Is it fraught with meaning Can we discern its trends What determines its course In short can a substantial and coherent philosophy of history be devised that offers answers to these questions These issues which have intrigued and bedeviled historians for centuries are explored in this thoughtful book

Thinking Big: How the Evolution of Social Life Shaped the Human Mind Robin Dunbar,Clive Gamble,John Gowlett,2014-06-17 A closer look at genealogy incorporating how biological anthropological and technical factors can influence human lives We are at a pivotal moment in understanding our remote ancestry and its implications for how we live today The barriers to what we can know about our distant relatives have been falling as a result of scientific advance such as decoding the genomes of humans and Neanderthals and bringing together different perspectives to answer common questions These collaborations have brought new knowledge and suggested fresh concepts to examine The results have shaken the old certainties The results are profound not just for the study of the past but for appreciating why we conduct our social lives in ways and at scales that are familiar to all of us But such basic familiarity raises a dilemma When surrounded by the myriad technical and cultural innovations that support our global urbanized lifestyles we can lose sight of the small social worlds we actually inhabit and that can be traced deep into our ancestry So why do we need art religion music kinship myths and all the other facets of our over active imaginations if the reality of our effective social worlds is set by a limit of some one hundred and fifty partners Dunbar s number made of family friends and useful acquaintances How could such a social community lead to a city the size of London or a country as large as China Do we really carry our hominin past into our human present It is these small worlds and the link they allow to the study of the past that forms the central point in this book

Leslie A White Ethnological Essays Introduction

In the digital age, access to information has become easier than ever before. The ability to download Leslie A White Ethnological Essays has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Leslie A White Ethnological Essays has opened up a world of possibilities. Downloading Leslie A White Ethnological Essays provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Leslie A White Ethnological Essays has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Leslie A White Ethnological Essays. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Leslie A White Ethnological Essays. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Leslie A White Ethnological Essays, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Leslie A White Ethnological Essays has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security

when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
