## **Lessons From The Bedside:**

Lessons from the Bedside Michael Okun, 2002-04 This book captures the incredible emotion of a shared four year journey of a medical student and his patients The stories belong on the shelf of anyone who has been touched by disease patients families students health care professionals

**Lessons from the Bedside** Michael Scott Okun, 2002-05 Lessons from the Bedside is a warm and inspiring book written by a medical student who shares with us his most personal thoughts about his first encounters with disease It is a must read not only for medical students but also for anyone that has been touched by the horrors and challenges of disease Okun loans us his eyes lets us peek into his personal thoughts and attempts to let those who read the book find their own poetic voice The book chronicles four years of medical school experiences and tells the real story of not only what medical school is really like but also tells us how disease affects everyone who comes close to it Prose and poems in Lessons from the Bedside were transcribed by Okun onto napkins note cards book covers progress notes and patient order sheets as the author experienced the emotions that inspired the words He tucked his writings snugly into his lab coat pockets and later removed them to compile the book Lessons from the Bedside is distributed each year to entering freshmen medical students at the University of Florida and many other medical schools It has also quickly become an important and favorite read for students of all professions as well as for patients family members and anyone who has encountered the challenges of disease The book was featured on the Harvard University website A Window on My Mind where patients and family members use writing to express their feelings about disease Included in the book are the illustrations of Melissa Anne Bloch who as a medical student received the book and was so inspired by it that she drew images to capture the words Lessons from the Bedside is a classic that belongs on the shelf of every house within reaching distance of those who need inspiration or are suffering from the direct or indirect effects of disease

**Lessons from the Bedside** PATRICK. RODEN PHD, 2025-03-07 For over four decades as a nurse I have witnessed the most extraordinary human encounters imaginable The lessons learned from illness tragedy miraculous recovery laughter love and letting go needed to be told In this book I share ten of the most enduring and emotionally stirring ones from a lifetime of caring Lessons Include The body is resilient but the spirit is even stronger Why am I still here Kindness unexpected is powerful medicine Gestures that burn with lifelong impact Laughter heals in ways the scientific method can't explain Humor as tonic especially in hard times The Best Worst experience of Letting go Finding peace in loss Love above all else is what truly matters In the final moments who will be holding your hand Bonus what a 90 Year Old Marathoner taught me about possibility aging These stories will make you smile and make you cry share them with someone
