Lesters Derbys:

Lester's Derbys Lester Piggott, Sean Magee, 2004 Lester Piggott is the greatest Derby jockey of all time His nine winners in the world s greatest race form one of the most glorious and unassailable records in all of sports *Lester's Legacy* Lester Cook, 2012-08-17 Lester s Legacy is inspired by a true story of Hollywood Bette Bligh the stories main character was born and bred in Beverly Hills Ca She ultimately leaves wealth for poverty when she marries one the first abstract expressionists of the time in Venice Ca The secondary character in the book is Bette s son Monte who is orphaned at 9 years old he does not discover his roots until he is a grown man by finding a manuscript penned by his father After a bizarre odyssey he finds out why his father disappeared and other mysteries of his families past It is truly a riches to rags story Ion Lester, by C.H.H. C H. H, 1856 **Never Say Die** James C. Nicholson, 2013-05-04 A history of the American horse that won Britain s greatest race and changed the Thoroughbred racing world A quarter of a million people braved miserable conditions at Epsom Downs on June 2 1954 to see the 175th running of the prestigious Derby Stakes Queen Elizabeth II and Sir Winston Churchill were in attendance along with thousands of Britons who were all convinced of the unfailing superiority of English bloodstock and eager to see a British colt take the victory They were shocked when a Kentucky born chestnut named Never Say Die galloped to a two length triumph at odds of 33 1 winning Britain s greatest race and beginning an important shift in the world of Thoroughbred racing Never Say Die traces the history of this extraordinary colt beginning with his foaling in Lexington Kentucky as well as the stories of the influential individuals brought together by the horse and his victory from the heir to the Singer sewing machine fortune to the Aga Khan Most fascinating is the tale of Mona Best of Liverpool England whose well placed bet on the long shot Derby contender allowed her to open the Casbah Coffee Club There her son met musicians John Lennon Paul McCartney and George Harrison later joining their band Featuring a foreword by the original drummer for the Beatles Pete Best this remarkable book reveals how an underdog s surprise victory played a part in the formation of the most successful and influential rock band in history and made the Bluegrass region of Kentucky the center of the international Thoroughbred industry Praise for Never Say Die Nicholson has done a very fine job of placing the unique role of Never Say Die in perspective within the specific confines of Thoroughbred racing history while at the same time explaining how this horse was touched by a vivid array of characters in other social and historical contexts Who would have imagined that a racehorse would link such diverse institutions as the Singer sewing machine company the Epsom Derby and the Beatles Edward L Bowen author of The Lucky Thirteen As a reader I was left with a clear understanding of how the breeding industry has gone global and importantly how it will always follow the money Racing enthusiasts will enjoy how the author sews together this unusual patchwork of characters into a narrative John Eisenberg author of The Great Match Race When North Met South in America s First Sports Spectacle E nlightening and entertaining Nicholson s tale of close connections and global links is a yarn worth following Wall Street Journal Lester's History of the United States.
