The World of Inspector Lestrade: Historical Companion to the Inspector Lestrade Series

M. J. Trow, 2022-07-13 Book eighteen in the Inspector Lestrade series Many readers of the Lestrade books wonder what is fact and what is fiction and the author is delighted that they can't always tell So for all the readers out there who have ever asked that question here is the World of Inspector Lestrade In this book the lid is taken off the Victorian and Edwardian society in a way you've never seen before Lestrade knew everybody from Oscar Wilde in the Cadogan Hotel to General Baden Powell cross dressing on Brownsea Island to the hero of Damascus General Allenby you can call me Al Have you ever wondered whether Howard Vincent Director of the brand new CID really had a pet iguana Find out inside The Lestrade canon features the great and not so good of Britain when London stood at the heart of the Empire the biggest in the world on which the sun never set The novels on which this book is based are genuine whodunnits with gallows humour and laugh out loud moments Here you will find all the little peccadilloes that Lestrade took for granted This is history as it really was and I bet you wish you'd paid more attention at school now

The Alternative Sherlock Holmes Peter Ridgway Watt, Joseph Green, 2017-03-02 Between 1887 and 1927 Sir Arthur Conan Doyle wrote sixty Sherlock Holmes stories and his great Canon has become the most praised most studied and best known chapter in the history of detective fiction Over twenty thousand publications pertaining to the Sherlock Holmes phenomenon are known to have been published most of them historical and critical studies In addition however almost since the first stories appeared such was their uniqueness and extraordinary attraction that other authors began writing stories based on or derived from them A new genre had appeared pastiches parodies burlesques and stories that attempted to copy or rival the great detective himself As the field widened there was hardly a year in the twentieth century in which new short stories or novels did not appear Many hundreds are now known to have been published some of them written by authors well known for their work in other literary fields The non canonical Sherlock Holmes literature not only

constitutes a literary field of considerable historical interest but includes many stories that are both enjoyable and fascinating in their own right Although a large bibliography on these stories exists and a few limited anthologies have been published no attempt has previously been made to collect them all and discuss them comprehensively The Alternative Sherlock Holmes does so it provides a new and valuable approach to the Sherlock Holmes literature as well as making available many works that have for years remained forgotten Presented as an entertaining narrative of interest to both the aficionado and the scholar it provides full bibliographic data on virtually all the known stories in the field *Sherlock Holmes. Inglese* Daniele Della Rocca,2022-12-20 Una guida al celebre personaggio illustrata con numerose fotografie e poster Il libro comprende cast frame e commenti di film adattamenti teatrali romanzi e fumetti in un arco di oltre 130 anni An a z guide to the famous detective illustrated with numerous photographs and posters The book includes cast storylines and film comments theatrical adaptations novels and comics in over 100 years *The Adventures of Inspector Lestrade* M. J. Trow,2021-03-06 Book four in the Inspector Lestrade series It is 1891 and London is still reeling from the horror of the unsolved Ripper murders when Inspector Lestrade that ferret like anti hero so often out detected by the legendary Sherlock Holmes is sent to the Isle of Wight to investigate a strange corpse found walled up in Shanklin Chine But this is only the start of the nightmare It is merely the beginning of a series of killings so brutal so bizarre and apparently so random that only a warped genius and a master of disguise could be responsible Even when Lestrade pieces together the extraordinary pattern behind the crimes from the anonymous poems sent after each murder he is no closer to knowing the identity of the sinister self styled Agrippa the great long red legged scissor man It becomes a very personal battle and Lestrade's desperate race to avert the next death in the sequence takes him all over the country from London to the Pennines and back resulting in a portfolio of suspects which covers the entire range of late Victorian society *Lestrade and the Brigade* M. J. Trow,2021-03-06 Book five in the Inspector Lestrade series There is a new broom at Scotland Yard Nimrod Frost His first little job for Lestrade is to investigate the reported appearance of a lion in Cornwall a supposed savager of sheep and frightener of men Hardly a task for an Inspector of the Criminal Investigations Department Yet even as Lestrade questions a witness a man is reported dead horrifically mauled Having solved that case to his own satisfaction Lestrade returns to London and to another suspicious death and then another All old men who should have died quietly in their sleep Is there a connection is there a mass murderer at work Lestrade's superiors discount his speculations and he finds himself suspended from duty but that is a mere technicality to the doughty Inspector He moves from workhouse to royal palace from backstage at the Lyceum to regimental dinner in search of clues and enlightenment When can his glory fade **Lestrade and the Magpie** M. J. Trow,2022-01-08 Book fifteen in the Inspector Lestrade series There was a Front But damn'd if we knew where England in 1920 is a land fit for heroes So why is one of those heroes found dead in a dingy London hotel And why does his war record show that he has been missing presumed killed in action for three years The deceased is none other than the
