Let Go And Growaudio Cassette:

Index to Educational Audio Tapes National Information Center for Educational Media, 1974 *Sound of the Crowd: a Discography of the '80s (Fourth Edition)* Steve Binnie, 2018-11-05 SOUND OF THE CROWD A DISCOGRAPHY OF THE 80s is the ultimate record collector's guide to the 1980s. In the era of multi-formatting, picture discs, coloured vinyl, multiple remixes, funny shaped records and tiny CDs, you could lose down the back of the sofa, this book lists every format of every single EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts from ABBA to Paul Young. This fourth edition has been fully revised and expanded to include even more acts than ever before with additional sections to cover Band Aid style charity congregations and compilation albums from the early 80s K Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the 80s music website Sound of the Crowd and writer, producer and co-host of the unconventional 80s chart show Off The Chart broadcast weekly on Mad Wasp Radio.

InTuiTouch Jim Bourque Starr, 2011-09-14 The information shared in this section of the book is designed to give the reader the ability to experience the InTuiTouch Method first hand. The procedures that follow will help the reader promote the healing of self or the healing of others. It's a step by step procedure that is so simple one would think that there is something missing. One would think precisely that until they have experienced the results for themselves or those whom they are applying the method. The procedures are taken directly out of the course manual for InTuiTouch Basic Certification Course that is being taught by Dr Bourque Starr and his team of teachers in seminars across the U.S. and Mexico. You will enjoy the straightforward approach and the clarity of explanations regarding positioning and application of this healing technique. The contents, however, cannot replace the value of the TWO DAY WORKSHOP that leads to certification. This is a hands-on, intense course that includes the theoretical and practical application combined with a fun-filled mixture of guided meditations, consciousness expanding topics and great friendships and bonding with fellow healers and practitioners. Nothing can replace the value of this experience. Obviously, the energy shared in a group setting with enthusiastic students and the magical presentation of Dr Bourque Starr and his team of teachers is a weekend to remember. Many participants express going through a healthy version of an identity crisis as they are not the same person that left home for the weekend as the person who returns home.
