I Am That I Am Ellia English, 2009-03 TIMES UP Don't Wait Too Late Each of us has a timer at the beginning of life that's activated the day of our birth And we all have only a set number of years To enjoy this life as we journey here on earth Each moment that passes cannot be recovered Neither can each heartbeat pumping blood through our veins As we live and grow and breathe every day there's lots of knowledge and wisdom to be gained Yet many of us miss out on so much Caught up in drama Paralyzed with heartache and pain While the clock on our timer is steadily winding down we have no one but self to blame Just when we discover that we've lived a life less ordinary and so far beneath all that we were created to be The timer goes off and the grim reaper says Your time's up Come follow me I AM THAT I AM A JOURNEY THROUGH ADD OL LESS SENSE is a distinct poetic novel of inspirational truths as described through a personal journey of discovery the secret of destiny and the revelation of purpose through a collection of inspired writings
