Chad finds life amusing baffling sometimes heartwarming and downright interesting and wants to share personal stories and witty observations on the hasty growth of insanity within the folds of society and inspire critical thinking about the state of our modern culture In this series of humorous essays reminiscent of the rants he is famous for doing from his truck in Texas Chad takes on all the problems he has with the modern age and also talks about some of the problems that we have with each other Problems with kids problems with spouses problems with our bosses at work and of course problems with all those other jackwagons we work with What are some of the basic things you need to know if you re going to survive marriage and parenthood Whatever happened to decency hard work and a sharing of the basic values that made us great in the first place When did it become unfashionable to believe in God to go to church on Sunday or to send our thoughts and prayers toward those having a difficult time When did it become child abuse to spank your kids instead of child abuse to avoid it Why do we have such visceral reactions to politics when by and large we know so little about how it actually works When is social media going to finally stop messing around and just bring the full on possession And why is it that as we march further and further along the road of progress growing our collective knowledge and technological means of dealing with life along the way we seem to be regressing socially at an equally break neck pace AM I CRAZY An Unapologetic Patriot Takes on the Insanity of Today s Woke World explores human misbehavior and stupidity in all its naked splendor with laugh out loud humor JOIN THE CHAD PRATHER POSSE *A Walk in Our Shoes* GERALYN C. learning that will give them a better life as well as increase their emotional intelligence Foreword written in the book In truth it is a book creatively and intelligently written by Adrian who despite his young age or rather thanks to his youth gives us daily experiences combined with profound wisdom thanks to his inexhaustible scientific curiosity and attitudes of help to others It is a book to be read and reread many times since in each rereading new elements appear that provide us with peace and love in our daily life Few books can be read today with the fruitfulness with which I enjoyed reading them The author takes us by the hand in a graceful light inviting and simple prose to be more and more successful in our lives Nashville Radio Jon Langford,2006-03 Beyond his work as a musician Jon Langford has attracted attention as a visual artist in recent years Nashville Radio is the first collection of his art It reproduces 215 paintings as well as song lyrics and autobiographical writings The book includes a CD of Langford performing 18 of the printed songs Langford s song paintings fuse portraiture with imagery derived from folk art Dutch still life classic Western wear and the cold cold war all instilled with his trademark sardonic wit He applies this distinctive style to the depiction of American musical icons like Bob Wills Hank Williams and Johnny Cash but also to more ghostly marginal figures blindfolded cowboys astronauts and dancers who are jerked around by success and exploitation fame and neglect Underlying his work is a deep love of musical lore twinned with fierce opposition to the death dealing tendencies in the culture of his adopted homeland from the killing off of authentic popular music by mass marketed drivel to the embrace of capital punishment as a response to social ills Langford s work offers an alternative perspective recalling a time when great visionaries and pioneers thrived at the heart of the mainstream and the lid wasn t on so tight **Billboard** ,2004-09-04 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Cooking recipes to be happy Adrian Salama,2019-12-25 This book is essentially a guide to personal growth a simple way of bringing together many topics that ultimately lead to the same goal to enjoy life to the fullest To do this as the title says with a bit of irony there is no recipe or list of steps to follow you just have to understand some concepts that seem very obvious but that sometimes we lose sight of It is told with a series of stories with which it is very easy to identify and with a sense of humor that is very pleasant for the reader It is a simple text to read but with a very deep content it shows a whole philosophy of life that balances all aspects that influence a person to enjoy life from the physical to the mental without passing through the emotional it is that the reader understands that you can achieve everything you want as long as you want it from the heart Going through Taoism and Gestalt the book explains how important it is to live in the here and now to live in the PRESENT which makes a lot of sense since it is the only time you can live in there is no way to go back to the past nor to travel to the future to know what will happen How to start living in the here and now You have to understand that each person is born with the possibilities of having EVERYTHING he or she wants and that all things come at their own time so

one of the first challenges that the book poses is to have patience and enjoy every moment because when we are running through life the obvious is the only thing that is not seen One of the questions the book answers very well is why do things happen to us in life Everything begins with thought everything outside is a projection of what we have inside so if a person has positive thoughts of harmony of love his environment begins to change immediately It is important to know that there are no coincidences but CAUSALITIES everything that happens to us is for a reason and from every situation you can learn

*The NIV Matthew Henry Commentary in One Volume* Matthew Henry, 1992 Time has sealed the reputation of Matthew Henry's classic commentary as a rich source of insight into God's word Three centuries after its first publication it remains one of the best-loved most popular commentaries ever written However while its wisdom is timeless the English language has changed much through the years Words that meant one thing in Matthew Henry's day have taken on different meanings today In addition Henry's often wordy reflections are generations removed from the crisp style that communicates most effectively to contemporary readers The Zondervan NIV Matthew Henry Commentary is a masterful response to these concerns It delivers the heart and soul of Henry's incomparable writings in a style that is easy to read and understand Dr Leslie Church's meticulous abridgment retains the essential content of the original work Easily misunderstood words have been replaced with modern ones while keeping Henry's style Use of the New International Version NIV instead of the King James Version makes this edition fully compatible with today's most widely used Bible translation In one volume here is a wealth of exposition metaphors analogies and illustrations
