Let Loose The Dogs A Mystery:

Let Loose the Dogs Maureen Jennings, 2013-02-26 In *Let Loose the Dogs* Detective Murdoch's life and work overlap tragically. His sister who long ago fled to a convent to escape their abusive father is on her deathbed. Meanwhile Harry Murdoch, the father whom Murdoch long ago shut out of his life, has been charged with murder and calls on his estranged son to prove his innocence. But knowing his father, what is Murdoch to believe? **A Journeyman to Grief** Maureen Jennings, 2010 In 1858 a young woman on her honeymoon is abducted and taken across the border from Canada and sold into slavery. Thirty-eight years later the owner of one of Toronto's livery stables is found dead. Then a second man is murdered, his body strangely tied as if he were a rebellious slave. Detective Murdoch has to find out whether Toronto's small coloured community has a vicious killer in its midst, an investigation that puts his own life in danger. With her usual masterful storytelling and sharp dialogue, Jennings shows how a great harm committed in the past can fatally affect the present.

Under the Dragon's Tail Maureen Jennings, 2010 Women rich and poor come to her desperate and in dire need of help and discretion. Dolly Merishaw is a midwife and an abortionist in Victorian Toronto, but although she keeps quiet about her clients' condition, her contempt for them and her greed leaves every one of them resentful and angry. So it comes as no surprise to Detective William Murdoch when this malicious woman is murdered. What is a shock, though, is that a week later a young boy is found dead in Dolly's squalid kitchen. Now Murdoch isn't sure if he's hunting one murderer or two. *Night's Child* Maureen Jennings, 2010 After thirteen-year-old Agnes Fisher faints at school, her teacher, the young and still idealistic Amy Slade, is shocked to discover in the girl's desk two stereoscopic photographs. One is of a dead baby in its cradle, and on the back, Agnes has scrawled a terrible message. Worse, the other photograph is of Agnes in a pose captioned "What Mr. Newly Wed Really Wants." When Agnes doesn't show up at school the next day, her teacher takes the two photographs to the police. Murdoch, furious at the sexual exploitation of such a young girl, resolves to find the photographer and to put him behind bars. *Night's Child* is the fifth novel in Maureen Jennings's highly praised historical mystery series. Three of Jennings's novels have been made into TV movies under the title *Murder 19C: The Murdoch Mysteries*. Bravo CHUM is currently developing a series based on the character of Detective William Murdoch for broadcast in 2007. From the Paperback edition **Vices of My Blood** Maureen Jennings, 2010-05-18 In his forties, the Reverend Charles Howard still cut an impressive figure. A married Presbyterian minister in Toronto's east end, Howard was popular with the congregation that elected him, especially with the ladies, and most particularly with Miss Sarah Dignam, Respected in the community. Howard, as Visitor for the House of Industry, sat in judgment on the poor, assessing their applications for the workhouse. But now Howard is dead, stabbed and brutally beaten by someone he invited into his office. His watch and boots are missing. Has some poor beggar he turned down taken his vengeance? Murdoch's investigation takes him into the arcane Victorian world of queer plungers, men who fake injury all the better to beg, and the destitute who had nowhere left to turn when they knocked on the Reverend Howard's

door **Poor Tom Is Cold** Maureen Jennings,2010 In this third adventure featuring the lovable detective William Murdoch he becomes involved with the apparent suicide of Constable Oliver Wicken a man who was the sole support of his mother and invalid sister But further investigation by Detective Murdoch takes him far afield and he begins to suspect that the Eakin family whose house adjoins the one where Wicken died is more involved with the case than they admit Whether describing a tooth extraction the unquestioning prejudice toward the few Chinese immigrants in the city or the well intentioned but bizarre treatment of mentally ill women Maureen Jennings once again brings the period vividly to life From the Paperback edition Except the Dying Maureen Jennings,2022-01-18 The novel that sparked the hugely popular Murdoch Mysteries television series celebrates its 25th anniversary Includes a new introduction and a previously unpublished short story featuring the young Detective Murdoch In the cold Toronto winter of 1895 the unclad body of a young woman is found naked and frozen in a quiet laneway Acting Detective William Murdoch driven by pity for the girl and the desire to secure his promotion is determined to pursue every lead and reveal the truth Although influential people pressure the police to solve the mystery quickly when the girl is eventually identified it becomes clear that those connected with her life have secrets to hide Murdoch must use every detective skill he possesses as well as his understanding of human nature as he pursues the mystery through both brothels and drawing rooms desperate to untangle the case before more lives are lost **Flash Memory** Anna Castle,2016-04-01 Nature photographer Penelope Trigg has landed the job of her dreams documenting the transformation of over grazed rangeland into an eco dude ranch and spa owned by her boyfriend Tyler Hawkins Then a body is found on the ranch and Ty is arrested The victim was an aggressive real estate developer with his greedy eyes on Ty s land and Ty s sister Diana who is almost engaged to the senior deputy sheriff Clues put her at the center of the puzzle Determined to prove Ty s innocence Penny stirs up Diana s old flames trying to shed enough light to develop an alternative suspect She mainly learns how to lose friends and annoy people until she realizes someone has been manipulating the evidence But is Ty the framer or the framee Penny uses her eye for detail and her camera s memory to put the picture together and reveal the killer Roald Amundsen's Sled Dogs Mary R. Chambers's Journal ,1908 **And Tell Us What You See** Robert Marshall Haven,2011-02-25 And Tell Us What You See is a remarkable collection of articles he published during his retirement years over a ten year period in the 1990s with the Amsterdam NY newspaper The Recorder As evidence of his willingness to explore complexity on the printed page his articles are relevant to our day in that they take on the very issues that once were and continue to be the hallmark of the United States Episcopal Church and much of American culture in general Fully human yet fully the Christian priest Robert Haven here reveals remarkable ranges of passion regarding his loves angers faiths and doubts As preacher and public speaker par excellence he was never one to shy away from controversy and so here too some of his work is political and some is religiously poetic It is also occasionally contradictory from one page to the next The fact is he never claimed to have it all worked out theologically and when pressed in person on specific issues he could wax eloquent but could also just as easily be dismissive and silently keep his own counsel But in these newspaper articles contained herein there is no taking the fifth amendment as he opens up to us and explains his sometimes complex views I think he ultimately felt especially given his many years in church ministry that he'd earned the right to speak as pastor to anyone who comes to him He turns no one away In this book Father Haven engages our minds and allegiances as he attempts to provide some answers if not at least one meaning to his lifetime hero Christ Jesus his Lord *The Blood Red Sea* Ron Faust,2007-12-18 Dan Shaw has been practicing law only four months and he's already burned out Add the fact that he's just lost his girlfriend and the cops are scouring his dubious past and it's no wonder Shaw decides to set sail for the summer But even alone in the middle of the sea trouble finds him She's naked nearly drowned and has little memory as to how she got that way But the real story is even more twisted Cesar Cardinal is a diplomat who takes diplomatic immunity literally A playboy and high stakes gambler he's

feigned his wife's suicide at sea and taken their young son to a heavily armed compound in the Dominican Republic where U.S. law can't touch him. But that's not going to stop Shaw. From Bell Harbor to Monte Carlo, he's baiting a trap with his own life and there's no telling what he'll catch. From the Paperback edition **Dog and Dogs** Joseph Edward Harry, 1927

Moriarty Lifts the Veil Anna Castle, 2020-03-15 It began as a harmless wager. Who could solve their case first? Professor and Mrs. Moriarty have a few weeks to kill before their theater opens. Happily, two small cases drop in their respective laps. Moriarty has what looks like a scheme to swindle Army veterans out of their discharge pay. Angelina must find a missing servant by winking her way into a circle of officers' wives. Neither case seems terribly challenging, just enough to provide an agreeable competition. But as soon as they start asking questions, things take an ugly turn. Moriarty discovers an army barracks riddled with corruption. Angelina uncovers a terrible secret at the heart of the circle of officers and wives. When Sherlock Holmes returns from a mission in India, he confirms her worst fears. Then a man is murdered and a good friend is blamed. Scotland Yard sends Holmes to catch their suspect. The Moriartys must use all their courage and ingenuity to rescue their friend, stop a series of loathsome crimes, and put a cold killer behind bars. **The Literary Digest** Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, Arthur Stimson Draper, Wilfred John Funk, 1911 **Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World** Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, 1911 **Black & White & Dead All Over** Anna Castle, 2015-06-15 What happens when the Internet service provider in a small town spies on his clients' cyber lives and blackmails them for gifts and services? Murder, that's what happens. Penelope Trigg moves to Lost Hat, Texas, to open a photography studio and find herself as an artist. Things are going great. She's got a few clients, some friends, even a hot new high-tech boyfriend. But when Penny submits some nude figure studies of him to a contest, she gets hit with a blackmail letter in her inbox: Do what I want or your lover's nudie pix get splattered across the Internet. The timing couldn't be worse, so Penny is forced to submit to the blackmailer's demands. Then people start dying, and all the clues point to her. She has to rattle every skeleton in every closet in Lost Hat to keep herself out of jail and find the real killer. *The South Pole* Roald Amundsen, 1925 Roald Amundsen 1872-1928, the foremost polar explorer, records his race to be the first man to reach the South Pole.
