Let This Church Die:

Autopsy of a Deceased Church Thom S. Rainer, 2014-05-01 No one wants to see a church die And yet far too many churches are dying For more than twenty five years Dr Thom Rainer has helped churches grow reverse the trends of decline and has autopsied those that have died From this experience he has discovered twelve consistent themes among those churches that have died Yet it s not gloom and doom because from those twelve themes lessons on how to keep your church alive have emerged Whether your church is vibrant or dying whether you are a pastor or a church member Autopsy of a Deceased Church will walk you through the radical paths necessary to keep your church alive to the glory of God and advancement of Christ s Kingdom

The Circular Letter from the Ministers and Messengers of the Several Baptist Churches in the Northamptonshire Association, Assembled at Guilsborough, on the 21st and 22nd of May, 1861, Etc** Thomas Talman GOUGH, 1858 Outlook Alfred Emanuel Smith, Francis Walton, 1888 The Chautauquan , 1881 Herald and Presbyter , 1903 **The Home Missionary** , 1871 No 3 of each volume contains the annual report and minutes of the annual meeting *The Church at Home and Abroad* , 1888 *New Testament Imperativity* Gregory L. Hartman, 2010-06-02 Yes you do want to be closer to God You want the love of God and you want to show God that you love him And praise God you can be as close to him as you want to be for James 4 8 says Draw nigh to God and he will draw nigh to you The Word of God the Bible shows you exactly how to do this This book Imperativity simply condenses the verses that pertain to this subject and brings them to light A Bible verse that expecially brings this to light is Revelation 22 14 which says Blessed are they that do his commandments The definition for New Testament Biblical Imperativity is found in the following verses I John 2 3 6 And hereby we do know that we know him if we keep his commandments He that saith I know him and keepeth not his commandments is a liar and the truth is not in him But whoso keepeth his word in him verily is the love of God perfected hereby know we that we are in him He that saith he abideth in him ought himself also so to walk even as he walked *The Outlook* Lyman Abbott, Ernest Hamlin Abbott, Hamilton Wright Mabie, Francis Rufus Bellamy, 1898

New-Church Messenger , 1906 Messenger and Visitor , 1911 **The Unstuck Church** Tony Morgan, 2017-05-16 Acclaimed church leader blogger founder and chief strategic officer of The Unstuck Group Tony Morgan unpacks the lifecycle of a typical church identifies characteristics of each phase and provides practical next steps a church can take to move towards sustained health Think about your church for a moment Is it growing Is it diminishing Is it somewhere in between Acclaimed church leader blogger and founder and chief strategic officer of The Unstuck Group Tony Morgan has identified the seven stages of a church s lifecycle that range from the hopeful and optimistic days of launch to the stagnating last stages of life support Regardless of the stage in which you find your church it carries with it the world s greatest mission to go and make disciples of all the nations With eternity at stake the Church should be doing most everything within its

power to see lives changed forever The Church should strive for the pinnacle of the lifecycle where they are continually making new disciples and experiencing what Morgan refers to as sustained health In The Unstuck Church Morgan unpacks each phase of the church lifecycle and offers specific and strategic next steps the church leader can take to find it s way to sustained health and finally become unstuck The Unstuck Church is a call for honest an assessment of where your church sits on the lifecycle and a challenge to move beyond it

Miscellaneous Sermons James Parsons,1839 **In Dying We Are Born** Peter Bush,2007-12-03 Deeply ingrained in Western culture and in the minds of most church leaders is the belief that there is a solution to every problem Peter bush offers a powerful challenge to this approach arguing that for new life energy and passion to arise in congregations they must die die to one way of being the church in order that a new way may rise Bush identifies two types of dying congregations Some congregations need to close their doors bringing to an end years of ministry Other congregations need to dramatically change their culture and ways of doing ministry Such change may not entail literally closing the congregation s doors but it will require people giving up deeply held understandings of the life and purpose of the congregation All congregations Bush contends even ones that see themselves as healthy need to be prepared to die to take up their cross so God can make them alive A skillful storyteller Bush shows readers why churches must confront their mortality He examines the role of the prophetic leader who proclaims both the congregation s death and its resurrection He explores spiritual practices and the habits of wonder remember and risk taking for congregations that know they are dying or need to die Only by dying Bush says will a congregation find resurrection life given by God who raises the dead to life
