

A romantic illustration of a couple walking away from the viewer through a forest at night. The woman on the left has long, flowing blonde hair and wears a long, light-colored dress. The man on the right has dark hair and wears a white t-shirt and dark pants. He is holding a glowing lantern in his left hand. They are holding hands and walking on a path. The forest is dark with tall trees, and the ground is covered in grass and small flowers. A large, full moon hangs in the sky, and several butterflies are flying around. The overall mood is dreamy and romantic.

Thoughtful Moments and Sayings Robert F. Edwards,2016-03-13 This book contains not only some thoughtful moments of the writer Robert F Edwards but the dates as well For over 36 years the sayings and the dates reflect in some small way as a diary of the writer Nevertheless if the reader takes any page and reflects on the date they can stroll back in their time of what was happening to them or to the world around them To say that this is a record of 36 years of history would be totally misleading However it is somewhat the history of the writer and his thoughts on the date that he wrote them There is no doubt whatsoever that some of these sayings as well as the dates that they were written on will have some meaning or a lasting moment for the reader

From Unconsciousness to Consciousness Osho,2023-09-16 After one thousand three hundred and fifteen days of silence it feels as if I am coming to you from a totally different world In fact it is so The world of words language concepts and the world of silence are so diametrically opposite to each other they don t meet anywhere They can t meet by their very nature Silence means a state of wordlessness and to speak now it is as if to learn language again from ABC But this is not a new experience for me it has happened before too

You're the Mecca I never want to visit Soumyanetra,2019-07-26 Did I ever meet You The simple answer is No I never wanted to A simpler answer is Yes millions of times in the gravity of spaces in the eternity of moments in the vortex of storms in mellow dusks and in grains of sands You are now and here And You are never and nowhere Here is a collection of poems from the deepest chasms of unfulfilled desires and solitary musings that somehow make the unbearable bearable with just a whiff of ecstasy at the border of dejection just the hint of a dream at the edge of doom just a sublime hope at the end of the subconscious sorrow They unsettle and ruffle peace and are unending journeys within oneself Let the catharsis begin Let intricate turbulence be expressed Let the journey itself be relished and imbibed Let the heart transcend the commonplace and the expected into forbidden realms and uncharted territories Let the zing simmer Let the passion live
