A Field Guide to Demons, Fairies, Fallen Angels, and Other Subversive Spirits Carol K. Mack,Dinah Mack,1998 The Macks divert our gaze from our contemporary red faced cloven hoofed misrepresentation of demons to remind us of the ancient roles demons were originally assigned to play From the Tommyknockers of North American mountain mines to the South African Mbulu that waits in the river for lone travelers A Field Guide to Demons classifies these creatures by their domains water mountain forest rather than in alphabetical or cultural order dishing out antique and contemporary lore on these most misunderstood of spirits A Field Guide to Demons melds folklore and mythology maintains a surprisingly evenhanded view of demons and reveals their role as the necessary challenger to established order the antagonist without which there could be no hero and the darkness through which goodness shines brightest Brian Patterson

Maiden's Stone Drew Brinson,2006-11 In 1515 Thomas Lillard gave up Knighthood and Scotland He sailed to France where he married a beautiful French woman It seemed that the fates had smiled upon Evett That God had heard her prayers The two settled on a large plot of land in the Loire River Valley Thomas became known for his vineyard and fine wines The English he had fought against called upon him for his vintage But everything was not as it seemed on the surface

Thomas's real mission was one of secrecy. The vineyard was just a cover for the Scots Garde to practice the ancient arts of Scottish battle. Thomas and Evett's daughter Rene would change the course of history for the Scots Garde. A descendant of Joan of Arc, she would live to fight with her father's men, teach them another way of fighting, and fall in love. Rene wanted to be with Jared more than anything in the world. Fate led them back to Scotland. What was written long ago was sealed. Somewhere out in the deepest reaches of space and time, the stars were waiting. Today, the words are upon the Maiden's Stone.

Maiden's Prayer Joan Fleming, 2012-09-06 To Miss Maiden, the mysterious Mr Aladdin with his Persian origins, his charm, and his flavour of the exotic East appeared like the answer to a prayer. It was perhaps odd that anybody should be called Mr Aladdin, but it was even odder that Miss Maiden did not enquire more deeply into Mr Aladdin's past. Had she done so, she almost certainly would not have allowed him to help her in the management of her business affairs, and she might have avoided her macabre fate.

Lethal Letters Ellery Adams, 2014-11-04 Restaurant owner and aspiring novelist Olivia Limoges is busy planning a delicious menu for Oyster Bay's biggest soiree of the spring. But she'll need to serve some justice as well, after one resident gets eighty-sixed. Everyone's got their hands full in Oyster Bay, North Carolina. Aside from two upcoming weddings, there's also the historical society's annual fund-raiser, the Secret Garden Party, and Candlelit Ball. Adding to the excitement, Olivia witnesses the discovery of a time capsule in the foundation of a local church. The historical society president hopes to display its contents at their party, but when the items are finally revealed to the public, Olivia notices one of them has vanished. After a frightening find beneath the pier, the body of Ruthie Holcomb, Olivia is certain there's a connection between the young woman's death and the missing piece from the time capsule. With the help of her fellow Bayside Book Writers, Olivia sets out to uncover some clues and ensure a killer has no reason to celebrate.

Stardust Lost Stefan Kanfer, 2009-03-12 In *Stardust Lost*, Stefan Kanfer brings the colorful Yiddish stage roaring back to life. Born of ancient traditions stretching back to the drama of the Old Testament, the Yiddish theater was a vibrant part of the immigrant experience. Kanfer invokes the energy, belief, and purechutzpah it took to establish and run the thriving, influential theaters. He reveals the nightly drama and comedy that played out behind the scenes, as well as onstage, and introduces all the players: actors, divas, playwrights, directors, and producers who made it possible. A richly evocative chronicle of its brief but dazzling existence in America, this is both an elegy for and a tribute to Yiddish theater lost but not forgotten.
