secret facility on the outskirts of Fort Bragg North Carolina Thomas Edison and his attending physician Dr Hubert S Howe co invent the time accelerator Almost one hundred years after President Woodrow Wilson legalizes time travel the Department of Inquiry assigns the Edison Project specific topics of interest to research both past and future events which are detailed in a highly classified government report With it the USG United States Government now holds over its citizens the key to ultimate power and control their destiny The story continues *Mortal Gods* Kyle Payne, 2023-05-03 About the Book Noah Harris has a superpower The problem is that he has no clue what it is and it is starting to get seriously frustrating As the only un awakened member of his class it seems like a big cause for his bullying Oh sure he can walk on water surf the sky and make a vortex but unless your eyes change color it does not really matter Noah s dad isn t much help either which is totally annoying because he could be if he wanted to Christian has had his awakening when he was about Noah s age but he has always refused to speak about them Though they love each other very much the strain is starting to show Things come to a head when they are attacked in the streets and Noah cannot help his dad defend himself So they embark on a journey across the United States to find out what his powers are With his father not trusting the authorities they have to learn to defend themselves Can Noah be the fighter his father is They will have to find out together In a super society where everyone has a power called a Sphere of Influence Noah might have gotten more than he bargained for About the Author When one lives in a place as dull and drab as Nebraska they must learn to entertain themselves Not wanting to spend his days breaking the law and drinking away his sorrows Kyle Payne instead decided to fill his day with books film and video games Fantasy was a much needed outlet for when one lives in the middle of nowhere Growing up on Harry Potter and the Lord of the Rings left him with a lifelong love of literature He went to college at the University of Nebraska at Kearney with a Bachelor s degree in Psychology Understanding the human mind helped him to develop his characters He cares for people who have mental disabilities Now happily living in the city he enjoys going to the gym walking in the park and watching plays He has a fondness for cats and dogs and hopes to continue to work as a writer Single he lives alone in his apartment in downtown Omaha He occasionally likes to hang out with friends and watch movies at home One day he hopes to be as big a writer as Stephen King or George R R Martin though in the short term he hopes to make enough money to become a write full time

Nefarious Inside Tim W Byrd, 2015-01-26 Leave this alone If you do not Evil will come for you Time s would be tough for fourteen year old Bridgit Monroe who is only five foot even with long black hair and green eyes and smooth skin and tanned but then they always were It seemed born into a legacy of old ancient beliefs from her father s side whom died when she was only eight year s old from a car accident while on a business trip to London He always seemed to share all he knew of his family heritage with her which was shrouded in Pagan culture but Bridgit s mother never did approve Prologue All the spirits in the world could not convince Mrs Ann Monroe who was strict upstanding and proper and would not hear of such silliness about the paranormal world To her it was anything but normal and not to be tampered with her rules were her rules and she

made sure that Bridgit new that Born and raised in Salem Massachusetts in a nice 3 bedroom manor one of the oldest in Salem all stone and wood on Charter Street Bridgit would no doubt be exposed to the world of witches and spirit s and she knew her mother did not approve but Ann would be sure to keep her from anything religious other than church and Bridgit knew secrecy was the best policy The only other person that knew Bridgit s secret was Abigail Bishop at fourteen year s old herself and five foot four with blonde hair blue eyes and a few freckles being a mild mannered girl and Bridgit s best friend Abigail lived right next door to her in an old Victorian style manor house made of brick Abby lives with her mother Carol and father Miles Abigail was an only child as well and that made for a lot of good fun for the two girl s because they would sneak out late at night to visit The Old Burying Point which is the oldest cemetery in Salem erected in sixteen thirty two This is where they would go and try to contact spirits of the dead Bridgit was mischievous but daring and a little reckless and loved to wear the things that reflected how she was black nail polish black lipstick black clothing The only problem here was she could only wear these things at Abigail s house when she would spend the night and her mother wouldn t know Bridgit s room was just as she wanted it everything black from her bed to her curtains she even had a black apple computer complete with bookcases Now the inside of the Monroe house was more modern having been remodeled before they moved in having bright colored furniture carpeting in every room except the kitchen and bathroom s complete with bay window s Nothing less would do for Mrs Monroe the yard out front was just as big as the back sitting on sixty acres with a long winding driveway with rose bushes leading up to the front door and lady Gloria statues flanking the door s the back yard having a big pond and an old barn that s been there for god knows how long and Ann thinks it is an eyesore and was where Bridgit would spend time alone when she was not at Abigail s Now Abigail s house was more original more antique and everything Bridgit loved having antique furniture and old rug s that were imported from Asia covering some of the hardwood flooring Abigail s room was what Bridgit loved the most original dark hardwood flooring black drapes black furniture and paranormal portraits hanging on the walls of the room with candles of every color it seemed Maybe that s why Bridgit liked it there so much Abigail s front yard was as big as Bridgit s lined with tall boxed shrub s that led to the front door on an old cobblestone drive that ran into the walk way and three trees that stood out in the middle of the yard in the back of the manor there was a pool that was built into the ground and a hot tub with a patio a grill and chairs with some other yard toy s that s been there since Abigail was younger Abigail was daring as well and mild but she was faithful and a follower so she would pretty much do what Bridgit wanted to do
