Bibliographic Services Division,2005      Let's Go: the Budget Guide to Britain and Ireland ,1994      **The British National Bibliography** Arthur James Wells,2001      Anderson's Travel Companion Compiled by Sarah Anderson,2016-12-05 A selection of the best in travel writing with both fiction and non fiction presented together this companion is for all those who like travelling like to think about travelling and who take an interest in their destination It covers guidebooks as well as books about food history art and architecture religion outdoor activities illustrated books autobiographies biographies and fiction and lists books both in and out of print Anderson s Travel Companion is arranged first by continent then alphabetically by country and then by subject cross referenced where necessary There is a separate section for guidebooks and comprehensive indexes Sarah Anderson founded the Travel Bookshop in 1979 and is also a journalist and writer on travel subjects She is known by well known travel writers such as Michael Palin and Colin Thubron Michael Palin chose her bookshop as his favourite shop and Colin Thubron and Geoffrey Moorhouse among others made suggestions for titles to include in the Travel Companion      *The Dracula Dilemma* Duncan Light,2016-03-23 For many in the West Romania is synonymous with Count Dracula Since the publication of Bram Stoker s famous novel in 1897 Transylvania and by extension Romania has become inseparable in the Western imagination with Dracula vampires and the supernatural Moreover since the late 1960s Western tourists have travelled to Transylvania on their own searches for the literary and supernatural roots of the Dracula myth Such Dracula tourism presents Romania with a dilemma On one hand Dracula is Romania s unique selling point and has considerable potential to be exploited for economic gain On the other hand the whole notion of vampires and the supernatural is starkly at odds with Romania s self image as a modern developed European state This book examines the way that Romania has negotiated Dracula tourism over the past four decades During the communist period up to 1989 the Romanian state did almost nothing to encourage such tourism but reluctantly tolerated it However some discrete local initiatives were developed to cater for Dracula enthusiasts that operated at the margins of legality in a communist state In the post communist period after 1989 any attempt to censor Dracula has disappeared and the private sector in Romania has been swift to exploit the commercial possibilities of the Count However the Romanian state remains ambivalent about Dracula and continues to be reluctant to encourage or promote Dracula tourism As such Romania s dilemma with Dracula remains unresolved      Let's Go ,1995 Vols for 1991 1997 include Canada      **The Jewish Travel Guide, 1995** Stephen W. Vande Kappelle,2011-01-12 In this third volume of his Adventures in Spirituality trilogy Dr Robert Vande Kappelle travels from Amsterdam to Cairo in search of his cultural and spiritual roots inviting readers to join him in exploring fabled places across the Mediterranean World Despite the

grave problems centered in this region it is the birthplace of Western civilization and the source of the world's three guiding religions. Readers unfamiliar with the emergence and development of Western civilization will find *Into Thin Places* a compelling introduction; others will discover here a new perspective. Affirming the human quest for adventure, meaning, and wholeness, Professor Vande Kappelle beckons adventurers to enjoy the wonderful experiences described in the book's travel entries. Those seeking historical and cultural perspective will want to examine the numerous explanatory entries scattered throughout the narrative. These vignettes expand and deepen the storyline, piquing curiosity about seminal events, persons, and places that helped shape Western sensibility. As Dr. Vande Kappelle points out in his closing chapter, our world is in a state of crisis precipitated by numerous factors but primarily by the loss of the sacred. Whether the current crisis is curable is debatable, but it will clearly require massive cultural reorientation. More importantly, it will require a transformation of the human spirit and a commitment of will. *Into Thin Places* encourages readers to find thin places, places transparent to the divine, in their own transformative journeys of discovery. **Geographical Magazine**, 1995 **Let's Go 2006 Western Europe** Jeremy Todd, Virginia Fisher, 2005-11-29 For the European traveler who's visiting several countries but skipping Eastern Europe.
