**When My Time Comes** Diane Rehm, 2021-02-16 The renowned radio host and one of the most trusted voices in the nation candidly and compassionately addresses the hotly contested right to die movement of which she is one of our most inspiring champions The basis for the acclaimed PBS series *Through* interviews with terminally ill patients and their relatives as well as physicians ethicists religious leaders and representatives of both those who support and vigorously oppose this urgent movement Rehm gives voice to a broad range of people personally linked to the realities of medical aid in dying With characteristic evenhandedness she provides the full context for this highly divisive issue and presents the fervent arguments both for and against that are propelling the current debate Should we adopt laws allowing those who are dying to put an end to their suffering Featuring a deeply personal foreword by John Grisham *When My Time Comes* is a response to many misconceptions and misrepresentations of end of life care It is a call to action and to conscience and it is an attempt to heal and soothe reminding us that death too is an integral part of life Don't miss John Grisham's new book *THE EXCHANGE AFTER THE FIRM* coming soon

*Let's Talk About Death* Steve Gordon, Irene Kacandes, 2015-11-10 Experts in end of life care tell us that we should talk about death and dying with relatives and friends but how do we get such conversations off the ground in a society that historically has avoided the topic This book provides one example of such a conversation The coauthors take up challenging questions about pain caregiving grief and what comes after death Their unlikely collaboration is itself connected to death the murders of two of Irene's closest friends and Steve's support in perpetuating memories of those friends lives and not just their violent ends The authors share the results of a no holds barred discussion they conducted for several years over email Readers can consider a range of views on complicated issues to which there are no right answers Letting ourselves pose certain questions has the potential to profoundly change the way we think about death how we choose to die and just as importantly the way we live Honest probing sensitive and even humorous at times the completely open discussions in this book will help readers deal with a topic that most of us try to avoid but that everyone will face eventually

*Let's Talk about Death (over Dinner)* Michael Hebb, 2025-05-01 For readers of *Being Mortal* and *When Breath Becomes Air* the acclaimed founder of *Death over Dinner* offers a practical inspiring guide to life's most difficult yet important conversation Of the many critical conversations we will all have throughout our lifetime few are as important as the ones discussing death and not just the practical considerations such as DNRs and wills but what we fear what we hope and how we want to be remembered Yet few of these conversations are actually happening Inspired by his experience with his own father and countless stories from others who regret not having these conversations Michael Hebb cofounded *Death Over Dinner* an organization that encourages people to pull up a chair break bread and really talk about the one thing we all have in common *Death Over Dinner* has been one of the most effective end of life awareness campaigns to date in just three years it has provided the framework and inspiration for more than a hundred thousand dinners focused on having these end of life conversations As Arianna Huffington said We are such a fast food culture I love the idea of making the dinner last for

hours These are the conversations that will help us to evolve Let s Talk About Death over Dinner offers keen practical advice on how to have these same conversations not just at the dinner table but anywhere There s no one right way to talk about death but Hebb shares time and dinner tested prompts to use as conversation starters ranging from the spiritual to the practical from analytical to downright funny and surprising By transforming the most difficult conversations into an opportunity they become celebratory and meaningful ways that not only can change the way we die but the way we live

*Echos* Martha Harris,2016-09-17 Rose is a fourth generation psychic though chose not to use her gifts growing up When she meets Steil a man as unique as his name she realizes two things she has fallen in love with him and she must hone her gifts known and unknown if she is to save their lives Will she be able to realize the full potential of her gifts in time Is so will those gifts be enough

**Stumbles** Debra Coover,2008-09-03 I have written this book in hopes that it would touch someones heart That with my trial and tribulations that it might help someone The names in my book have been changed This book covers many different things that happen to people in their lives Between happy times bad times joyful times successful times and then the wall come falling down See how to fight back and build your wall back up once again Read about the years of violence abuse unfair justice and the ups and downs that have entered my life Through all this I am able to write this series of books STUMBLESlook out for the rest of the series which is STUMBLES 2 and CONVERSION

**Let's talk about Parkinson's** Dr. Kshama Satish Valsangkar,2025-01-01 Parkinson s is the fastest growing neurological disease in the world today While it is a multidimensional complex and hitherto lesser known or understood disease it s impact is profound and life changing on those who are affected patients caregivers and their families Although this is a disease primarily of the elderly more and more studies show a concerning trend towards younger patients age fifty or less Unfortunately this disease could be a growing menace to befall Indian society as India marches on to become a fully industrialized nation This concern highlights an urgent need for spread of awareness of what is involved symptoms causes implications modalities of treatment and care This book covers all these topics and more with the core purpose of driving attention to this disease written by a highly motivated medical professional someone who has witnessed the onset progression and its care up close and personal Dr Valsangkar handles the topic with a gentle touch yet keeping a high degree of professional objectivity Her s is a message of hope and rationality as a means of fighting this challenging ailment

The Anti-Ableist Manifesto Tiffany Yu,2024-10-08 I defy anyone who reads this powerful and urgently needed manifesto not to be galvanised into action Sophie Morgan TV host and author of Driving Forwards A call to arms not just for the disabled community but for every single one of us Dr Shani Dhanda broadcaster and author An actionable antidote to fear and misconceptions Service95 In The Anti Ableist Manifesto Tiffany Yu highlights the myriad ways in which our society discriminates against people with disabilities and what we can do about it Foregrounding disabled identities that have too often been rendered invisible she demonstrates how ending discrimination begins with self reflection From recognising

biases to understanding microaggressions The Anti Ableist Manifesto teaches us how to deconstruct ableism at work in our communities and within ourselves Featuring a foreword by Dr Shani Dhanda as well as contributions from disability advocates entrepreneurs and more The Anti Ableist Manifesto is an essential guide to going beyond mere awareness and becoming actively anti ableist *Only Paralyzed from the Neck Down* Dan Brewster, Dan R.
