**Letter from a Great-uncle & Other Stories** Richard Hall, 1985      **Short Story Index**, 2004      A Desperate Character and Other Stories Ivan Sergeevich Turgenev, 2021-01-01 Pyetushkov is the work of a young man of twenty nine and its lively unstrained realism is so bold intimate and delicate as to contradict the flattering compliment that the French have paid to one another that Turgenev had need to dress his art by the aid of French mirrors Although Pyetushkov shows us by a certain open na vet of style that a youthful hand is at work it is the hand of a young master carrying out the realism of the forties that of Gogol Balzac and Dickens straightway with finer point to find a perfect equilibrium free from any bias or caricature The whole strength and essence of the realistic method has been developed in Pyetushkov to its just limits The Russians are instinctive realists and carry the warmth of life into their pages which warmth the French seem to lose in clarifying their impressions and crystallising them in art Pyetushkov is not exquisite it is irresistible Note how the reader is transported bodily into Pyetushkov s stuffy room and how the major fairly boils out of the two pages he lives in pp 301 302 That is realism if you like A woman will see the point of Pyetushkov very quickly Onisim and Vassilissa and the aunt walk and chatter around the stupid Pyetushkov and glance at him significantly in a manner that reveals everything about these people s world All the servants who appear in the tales in this volume are hit off so marvellously that one sees the lower class world which is such a mystery to certain refined minds has no secrets for Turgenev Babbitt by Sinclair Lewis This classic novel satirizes the conformity and materialism of American middle class life in the early 20th century The story follows the life of George Babbitt a successful real estate agent who becomes increasingly disillusioned with his own life and the values of the society around him Key Aspects of the Book Babbitt Social Critique The novel offers a biting critique of American middle class culture revealing the emptiness and shallowness of its values and aspirations Character Study The central character George Babbitt is a complex and nuanced portrayal of a man struggling with the contradictions and limitations of his own life Literary Style Lewis employs a distinctive blend of satire realism and irony to craft a compelling and thought provoking narrative Sinclair Lewis was an American novelist and social critic who won the Nobel Prize in Literature in 1930 Born in Minnesota in 1885 he rose to prominence in the 1920s with his satirical depictions of American middle class life including works like Main Street and Babbitt He was known for his sharp wit and critical eye and his works continue to be important cultural touchstones to this day      Looking At Gay & Lesbian Life Diane Raymond, 1993-06-30 Discusses gender roles human sexuality prejudice discrimination lesbian and gay politics AIDS gay culture and the homosexual in literature      *The Schoolmistress and Other Stories* Anton Pavlovich Chekhov, 2021-01-01 The Schoolmistress and Other Stories by Anton Pavlovich Chekhov is a treasure trove of profound narratives set against the backdrop of 19th century Russia Each tale showcases Chekhov s remarkable ability to explore complex human emotions and social dynamics Through his evocative storytelling Chekhov offers an in depth exploration of life its triumphs and tribulations through the lens of everyday people
