Letter To A Jewish Friend:

Letters to an American Jewish Friend Hillel Halkin, 1977 *Letter to a Jewish Friend* Gian Franco Svidercoschi, 1994
This is the tale of two boys one a Christian and one a Jew in a Polish town during the twenties and thirties Jurek s and Lolek s lives were to be changed by the anti Semitism and then by the Nazis the war and deportations But the bond between them was to prove stronger than all other forces and almost half a century later brought together the Polish Pope and his Jewish friend **The Jewish Expositor and Friend of Israel** , 1828 Includes the Proceedings of the London Society for Promoting Christianity Amongst the Jews **Letter to a Jewish Friend** Ibrahim Souss, 1989-01-01 **Gandhi and his Jewish Friends** Margaret Chatterjee, 1992-06-18 Most of Gandhi s associates in South Africa were Jewish They were brought together through a common interest in theosophy and became deeply involved in Gandhi s campaigns looking after his affairs when he was away in London or India This book looks at the association between the two groups **Stranger from Abroad: Hannah Arendt, Martin Heidegger, Friendship and Forgiveness** Daniel Maier-Katkin, 2010-03-02 Two titans of 20th century thought Hannah Arendt and Martin Heidegger are explored in depth their lives loves ideas and politics **The Mishnaic Moment** Piet van Boxel, Kirsten Macfarlane, Joanna Weinberg, 2022-05-12 This collection of essays treats a topic that has scarcely been approached in the literature on Hebrew and Hebraism in the early modern period In the seventeenth century Christians especially Protestants studied the Mishnah alongside a host of Jewish commentaries in order to reconstruct Jewish culture history and ritual shedding new light on the world of the Old and New Testaments Their work was also inextricably dependent upon the vigorous Mishnaic studies of early modern Jewish communities Both traditions in a sense culminated in the monumental production in six volumes of an edition and Latin translation of the Mishnah published by Guilielmus Surenhusius in Amsterdam between 1698 and 1703 Surenhusius gathered up more than a century s worth of Mishnaic studies by scholars from England Germany the Netherlands and Sweden as well as the commentaries of Maimonides and Obadiah of Bertinoro c 1455 c 1515 but this edition was also born out of the unique milieu of Amsterdam at the end of the seventeenth century a place which offered possibilities for cross cultural interactions between Jews and Christians With Surenhusius s great volumes as an end point the essays presented here discuss for the first time the multiple ways in which the canonical text of Jewish law the Mishnah c 200 CE was studied by a variety of scholars both Jewish and Christian in early modern Europe They tell the story of how the Mishnah generated an encounter between different cultures faiths and confessions that would prove to be enduringly influential for centuries to come **Max Jacob: A Life in Art and Letters** Rosanna Warren, 2020-10-20 A comprehensive and moving biography of Max Jacob a brilliant cubist poet who lived at the margins of fame Though less of a household name than his contemporaries in early twentieth century Paris Jewish homosexual poet Max Jacob was Pablo Picasso s initiator into French culture Guillaume Apollinaire s guide out of the haze of symbolism and Jean Cocteau s loyal friend As Picasso reinvented painting Jacob helped to reinvent poetry with compressed

hard edged prose poems and synapse skipping verse lyrics the product of a complex amalgamation of Jewish Breton Parisian and Roman Catholic influences In Max Jacob the poet s life plays out against the vivid backdrop of bohemian Paris from the turn of the twentieth century through the divisions of World War II Acclaimed poet Rosanna Warren transports us to Picasso s ramshackle studio in Montmartre where Cubism was born introduces the artists gathered at a seedy bar on the left bank where Max would often hold court and offers a front row seat to the artistic squabbles that shaped the Modernist movement Jacob s complex understanding of faith art and sexuality animates this sweeping work In 1909 he saw a vision of Christ in his shabby room in Montmartre and in 1915 he converted formally from Judaism to Catholicism with Picasso as his godfather In his later years Jacob split his time between Paris and the monastery of Beno t sur Loire In February 1944 he was arrested by the Gestapo and sent to Drancy where he would die a few days later More than thirty years in the making this landmark biography offers a compelling tragic portrait of Jacob as a man and as an artist alongside a rich study of his groundbreaking poetry in Warren s own stunning translations Max Jacob is a nuanced deeply researched and essential contribution to Modernist scholarship

Writing in Witness Eric J. Sundquist, 2018-06-25 A comprehensive survey of the most important writing to come out of the Holocaust Writing in Witness is a broad survey of the most important writing about the Holocaust produced by eyewitnesses at the time and soon after Whether they intended to spark resistance and undermine Nazi authority to comfort family and community to beseech God or to leave a memorial record for posterity the writers reflect on the power and limitations of the written word in the face of events often thought to be beyond representation The diaries journals letters poems and other works were created across a geography reaching from the Baltics to the Balkans from the Atlantic coast to the heart of the Soviet Union and in a wide array of original languages Along with the readings Eric J Sundquist s introductions provide a comprehensive account of the Holocaust as a historical event Including works by prominent authors such as Primo Levi and Elie Wiesel as well as those little known or anonymous Writing in Witness provides in vital and memorable examples a wide ranging account of the Holocaust by those who felt the imperative to give written testimony Written in every European language in every conceivable manner and from every point on the Holocaust compass prisons ghettos transports concentration and labor camps killing fields bunkers makeshift shelters camps for displaced persons these diary entries letters testimonies eyewitness accounts poems stories sermons and inscriptions demand that they be heard Written by Jewish men women and children by Christian bystanders and yes even by two German perpetrators they depict the living nightmare as it unfolds Six nightmare years and their aftermath are rendered in a language that defies the limits of language an inescapable present that eclipses the past and cries out to an unattainable future In the beginning was the Holocaust and this is its story as told by its original responders David G Roskies author of Holocaust Literature A History and Guide Writing in Witness is a devastatingly and deeply honest work of testimony by those whose worlds were shattered by the catastrophic rupture of the Holocaust It is also and primarily a testament to the strength and courage of those who

experienced the atrocities of Nazism and who felt compelled to write about those events in clear unsparing language Eric Sundquist editor of this important collection provides a sensitive selection of primary texts by men and women who witnessed the machinery and implementation of genocide In his thoughtful and knowledgeable introduction Sundquist establishes the framework for the ethical engagement of reader and eyewitness in the calculation of enormous loss The various genres of witnessing included in this collection diaries poems memoirs letters records evoke in their clarity ancient forms of lamentation and Midrash giving voice to memory With judiciously interpretive preliminary material introducing each section Sundquist lets the witnesses speak for themselves No course on Holocaust literature or history should be without this anthology Victoria Aarons editor of Third Generation Holocaust Narratives Memory in Memoir and Fiction This wide ranging and affecting collection of firsthand accounts of the Holocaust each expertly chosen and deftly introduced and contextualized will be ideal for teaching purposes and indispensable to anyone intent on recovering a sense of what the horror felt like Eric Sundquist has assembled an extraordinarily illuminating and powerful book Peter Hayes Theodore Zev Weiss Holocaust Educational Foundation Professor Emeritus Northwestern University Writing in Witness is a rich assortment of written accounts of diverse aspects of the experience of the Holocaust that are skillfully chosen and masterfully introduced and contextualized What emerges from an overarching reading of these collective texts is a sense of how the actors who experienced or witnessed the events of the Holocaust registered them in language and through the sometimes immediate sometimes reflective process of writing Erin McGlothlin author of Second Generation Holocaust Literature Legacies of Survival and Perpetration *How Jews Became Germans* Deborah Hertz,2008-10-01 A very readable history of Jewish conversions to Christianity over two centuries that tracks the many fascinating twists and turns to this story Library Journal When the Nazis came to power and created a racial state in the 1930s they considered it an urgent priority to identify Jews who had converted to Christianity over the preceding centuries With the help of church officials a vast system of conversion and intermarriage records was created in Berlin the country's premier Jewish city Deborah Hertz's discovery of these records the Judenkartei was the first step on a long research journey that led to this compelling book Hertz begins the book in 1645 when the records begin and traces generations of German Jewish families for the next two centuries The book analyzes the statistics and explores letters diaries and other materials to understand in a far more nuanced way than ever before why Jews did or did not convert to Protestantism Focusing on the stories of individual Jews in Berlin particularly the charismatic salon woman Rahel Levin Varnhagen and her husband Karl a writer and diplomat Hertz brings out the human stories behind the documents sets them in the context of Berlin's evolving society and connects them to the broad sweep of European history

Letters from Home Malka Z. Simkovich,2024-06-18 The announcement by the Persian king Cyrus following his conquest of Babylon in 539 BCE that exiled Judahites could return to their homeland should have been cause for celebration Instead it plunged them into animated debate Only a small community returned and participated in the construction of the

Second Temple in Jerusalem By the end of the sixth century BCE they faced a theological conundrum Had the catastrophic punishment of exile understood as marking God's retribution for the people's sins come to an end By the Hellenistic era most Jews living in their homeland believed that life abroad signified God's wrath and rejection Jews living outside of their homeland however rejected this notion From both sides of the diasporic line Jews wrote letters and speeches that conveyed the sense that their positions had ancient roots in Torah traditions In this book Malka Z Simkovich investigates the rhetorical strategies such as pseudepigraphy ventriloquy and mirroring that Egyptian and Judean Jews incorporated into their writings about life outside the land of Israel charting the boundary marking push and pull that took place within Jewish letters in the Hellenistic era Drawing on this correspondence and other contemporaneous writings Simkovich argues that the construction of diaspora during this period reinforced by some and negated by others produced a tension that lay at the core of Jewish identity in the ancient world This book is essential reading for scholars and students of ancient Judaism and to laypersons interested in the questions of a Jewish homeland and Jewish diaspora *New-York Observer* ,1910 **The Glory of Israel** ,1927 Letters to the Literal Children of Abraham William Ruble,1896 **The Jewish Tribune and Hebrew Standard** ,1924 **The Letters of T.
