Russomania Rebecca Beasley, 2020-03-31 Russomania Russian Culture and the Creation of British Modernism provides a new account of modernist literature s emergence in Britain British writers played a central role in the dissemination of Russian literature and culture during the early twentieth century and their writing was transformed by the encounter This study restores the thick history of that moment by analyzing networks of dissemination and reception to recover the role of neglected as well as canonical figures and institutions as well as individuals The dominant account of British modernism privileges a Francophile genealogy but the turn of the century debate about the future of British writing was a triangular debate a debate not only between French and English models but between French English and Russian models Francophile modernists associated Russian literature especially the Tolstoyan novel with an uncritical immersion in life at the expense of a mastery of style and while individual works might be admired Russian literature as a whole was represented as a dangerous model for British writing This supposed danger was closely bound up with the politics of the period and this book investigates how Russian culture was deployed in the close relationships between writers editors and politicians who made up the early twentieth century intellectual class the British intelligentsia Russomania argues that the most significant impact of Russian culture is not to be found in stylistic borrowings between canonical authors but in the shaping of the major intellectual questions of the period the relation between language and action writer and audience and the work of art and lived experience The resulting account

brings an occluded genealogy of early modernism to the fore with a different arrangement of protagonists different critical values and stronger lines of connection to the realist experiments of the Victorian past and the anti formalism and revived romanticism of the 1930s and 1940s future      Letters of T. Voss,2019-11-05 On April 26 1865 as Abraham Lincoln s funeral cortege paused in Union Square New York before being taken by rail to Springfield Illinois William Cullen Bryant listened as his own verse elegy for the slain president was read to a great concourse of mourners by the Reverend Samuel Osgood Only five years earlier and a few blocks downtown at Cooper Union Bryant had introduced the prairie candidate to his first eastern audience There his masterful appeal to the conscience of the nation prepared the way for his election to the presidency on the verge of the Civil War Now Bryant stood below Henry Kirke Brown s equestrian statue of George Washington impressing Osgood as if he were the 19th Century itself thinking over the nation and the age in that presence Bryant s staunch support of the Union cause throughout the war and of Lincoln s war efforts no less than his known influence with the president led several prominent public figures to urge that he write Lincoln s biography Oliver Wendell Holmes wrote him No man combines the qualities for his biographer so completely as yourself and the finished task would be a noble crown to a noble literary life But Bryant declined declaring his inability to record impartially critical events in which he had taken so central a part Furthermore while preoccupied with the editorial direction of the New York Evening Post he was just then repossessing and enlarging his family s homestead at Cummington Massachusetts where he hoped his ailing wife might during long summers in mountain air regain her health But in July 1866 Frances died of recurrent rheumatic fever and Bryant confessed to Richard Dana he felt as one cast out of Paradise After France s death Bryant traveled with his daughter Julia for nearly a year through Great Britain and the Continent where he met British statesman and novelist Edward Bulwer Lytton and French literary critic Hyppolyte Taine renewed his friendship with Spanish poet Carolina Coronado Italian liberator Giuseppe Garibaldi and British and American artists and visited the family of the young French journalist Georges Clemenceau as well as the graves of earlier acquaintances Francis Lord Jeffrey and Elizabeth Barrett Browning In his spare moments Bryant sought solace by beginning the translation of Homer and Longfellow had found relief after his wife s tragic death by rendering into English Dante s Divine Comedy Home again in

New York Bryant bought and settled in a house at 24 West 16th Street which would be his city home for the rest of his life Here he completed major publications including the Iliad and Odyssey of Homer and an exhaustive Library of Poetry and Song and added to published tributes to earlier friends such as Thomas Cole Fenimore Cooper and Washington Irving memorial discourses on Fitz Greene Halleck and Gulian Verplanck In addition to his continued direction of the New York Homeopathic Medical college and the American Free Trade League he was elected to the presidency of the Williams College Alumni Association the International Copyright Association and the Century Association the club of artists and writers of which twenty years earlier he had been a principal founder and which he would direct for the last decade of his life
