Enchanting Rebel Adah Isaacs Menken:

Enchanting Rebel Allen Lesser,1973 **Bodies in Dissent** Daphne Brooks,2006 Performance and identity in nineteenth and early twentieth century African American creative work **Rebel Souls** Justin Martin,2014-09-02 In the shadow of the Civil War a circle of radicals in a rowdy saloon changed American society and helped set Walt Whitman on the path to poetic immortality *Rebel Souls* is the first book ever written about the colorful group of artists regulars at Pfaff's Saloon in Manhattan rightly considered America's original Bohemians Besides a young Whitman the circle included actor Edwin Booth trailblazing stand up comic Artemus Ward psychedelic drug pioneer and author Fitz Hugh Ludlow and brazen performer Adah Menken famous for her Naked Lady routine Central to their times the artists managed to forge connections with Ralph Waldo Emerson Mark Twain and even Abraham Lincoln This vibrant tale packed with original research offers the pleasures of a great group biography like *The Banquet Years* or *The Metaphysical Club* Justin Martin shows how this first bohemian culture imported from Paris to a dingy Broadway saloon seeded and nurtured an American tradition of rebel art that thrives to this day *Performing Menken* Renée M. Sentilles,2003-05-26 *Performing Menken* uses the life experiences of controversial actress and poet Adah Isaacs Menken to examine the culture of the Civil War period and what Menken's choices reveal about her period It explores the roots of the cult of celebrity that emerged from crucible of war While discussing Menken's racial and ethnic claims and her performance of gender and sexuality *Performing Menken* focuses on contemporary use of social categories to explain patterns in America's past and considers why such categories appear to remain important **The Image of the Jew in American Literature** Louis Harap,2003-01-01 Praiseworthy and complete scholarship make this the definitive work on the subject *The Pen is Ours* Jean Fagan Yellin,Cynthia D. Bond,1991 This bibliography of writing by and about African American women provides a much needed research tool to scholars and researchers in the field The bibliography lists writing by African American women whose earliest publication appeared before 1910 a supplemental bibliography lists writing published as of 1911 **Infelicia and Other Writings** Adah Isaacs Menken,2002-04-29 Adah Isaacs Menken was the most highly paid and most scandalous stage performer of the 1860s She is also one of the most fascinating and unconventional writers in American literary history and the first to follow the revolution in poetry started by Whitman's *Leaves of Grass* This edition presents for the first time a generous selection of Menken's uncollected poems and essays along with the first edition of *Infelicia* 1868 her only book Also included is a range of carefully selected appendices that help contextualize Menken's writings in terms of theater Judaism Bohemianism women's rights and women writers **The Harvard Guide to African-American History** Evelyn Brooks Higginbotham,2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America **Strange Duets** Kim Marra,2009-05 Autocratic male impresarios increasingly dominated the American stage between 1865 and 1914

Many rose from poor immigrant roots and built their own careers by making huge stars out of undiscovered Anglo identified actresses Reflecting the antics of self made industrial empire builders and independent challenging New Women these theatrical potentates and their proteges gained a level of wealth and celebrity comparable to that of Hollywood stars today In her engaging and provocative *Strange Duets* Kim Marra spotlights three passionate impresario actress relationships of exceptional duration that encapsulated the social tensions of the day and strongly influenced the theatre of the twentieth century Augustin Daly and Ada Rehan Charles Frohman and Maude Adams and David Belasco and Mrs Leslie Carter reigned over legitimate Broadway theatre the venue of greatest social cachet for the monied classes Unlike impresarios and actresses in vaudeville and burlesque they produced full length spoken drama that involved special rigors of training and rehearsal to sustain a character's emotional truth as well as a high level of physical athleticism and endurance Their efforts compelled fascination at a time when most people believed women's emotions were seated primarily in the reproductive organs and thus were fundamentally embodied and sexual in nature While the impresario ostensibly exercised full control over his leading lady showing fashionable audiences that the exciting but unruly New Woman could be both tamed and enjoyed she acquired a power of her own that could bring him to his knees Kim Marra combines methods of cultural gender and sexuality studies with theatre history to explore the vexed mutual dependency between these status seeking Svengalis and their alternately willing and resistant leading ladies She illuminates how their on and off stage performances highly charged in this Darwinian era with racial as well as gender sexual and class dynamics tapped into the contradictory fantasies and aspirations of their audiences Played out against a backdrop of enormous cultural and institutional transformation the volatile romance of Daly and Rehan closeted homosexuality of Frohman and Adams and carnal expiations of Belasco and Carter produced strange duets indeed

Fakes and Forgeries Peter Knight, Jonathan Long, 2004 The possibility that works of art and literature might be forged and that identity might be faked has haunted the cultural imagination for centuries That spectre seems to have returned with a vengeance recently with a series of celebrated hoaxes and scandals ranging from the Alan Sokal hoax article in *Social Text* to Benjamin Wilkomirski's *Fool's Oath* Holocaust memoir But as well as creating anxiety the possibility of faking it has now been turned into entertainment Traditionally these activities have been dismissed as dangerous and immoral but more recently some scholars have begun to speculate for example that all forms of national identity rely on forged myths of origin Recent cultural theory has likewise called into question traditional notions of authenticity and originality in both personal identity and in works of art Despite critical pronouncements of the death of the author and the substitution of the simulacrum for the original however making a distinction between the genuine and the fake continues to play a major role in our everyday understanding and evaluation of culture law and politics Consider for example the fiasco surrounding the forged Hitler diaries law suits against auction houses for failing to detect forgeries in the art market or the problem of plagiarism at universities It still seems to matter that we can spot the difference especially

in the historical moment when we are capable of making copies that are indistinguishable perhaps even better than the original This collection of essays considers the moral aesthetic and political questions that are raised by the long history and current prevalence of fakes and forgeries The international team of contributors consider the issues thrown up by a wide range of examples drawn from fields ranging from literature to art history These case studies include little known subjects such as Eddie Burrup the Australian aboriginal artist who turned out to be an 81 year old white woman as well as new interpretations of familiar cases such as faked holocaust memoirs The strength of the collection is that it brings together not only a wide range of cultural examples of fakes and forgeries from different historical periods but also offers a wide variety of theoretical takes that will form a useful introduction and casebook on this growing field of inquiry **African-American**

Poetry of the Nineteenth Century Joan R. Sherman,1992 Afro Americans of the nineteenth century are the invisible poets of our national literature This anthology brings together 171 poems by 35 poets from the best known to the unknown in one volume **A Priest, A Prostitute, and Some Other Early Texans** Don Blevins,2016-09-01 This unique collection of short

biographies of the Lone Star State s most colorful characters includes headliners Father Miguel Muldoon the Irish Spanish Catholic priest and diplomat who helped convert Protestants in order to settle Austin and six foot two prostitute and hotelkeeper Sarah Bowman who fought as bravely as a man among the Rangers and was buried with full military honors These are just two of the pioneers who helped build the state amidst wars with Seminoles and Mexicans gold rushes and cavalry formations These fourteen vivid accounts of extraordinary lives are like no other history of Texas and will reach a wide audience of readers who love to read about real people Facing America Shirley Samuels,2004-03-25 Facing America Iconography and the Civil War investigates and explains the changing face of America during the Civil War To conjure a face for the nation author Shirley Samuels also explores the body of the nation imagined both physically and metaphorically arguing that the Civil War marks a dramatic shift from identifying the American nation as feminine to identifying it as masculine Expressions of such a change appear in the allegorical configurations of nineteenth century American novels poetry cartoons and political rhetoric Because of the visibility of war s assaults on the male body masculine vulnerability became such a dominant facet of national life that it practically obliterated the visibility of other vulnerable bodies The simultaneous advent of photography and the Civil War in the nineteenth century may be as influential as the conjoined rise of the novel and the middle class in the eighteenth century Both advents herald a changed understanding of how a transformative media can promote new cultural and national identities Bodies immobilized because of war s practices of wounding and death are also bodies made static for the camera s gaze The look of shock on the faces of soldiers photographed in order to display their wounds emphasizes the new technology of war literally embodied in the impact of new imploding bullets on vulnerable flesh Such images mark both the context for and a counterpoint to the look of Walt Whitman as he bends over soldiers in their hospital beds They also provide a way to interpret the languishing male heroes of novels

such as August Evans s Macaria 1864 a southern elegy for the sundering of the nation This book crucially shows how visual iconography affects the shift in postbellum gendered and racialized identifications of the nation *Imitation as Resistance* Raoul Granqvist,1995 *Imitation as Resistance* also offers American perspectives on the individual reputations of a number of British writers and their specific works often down to the particular lines in plays and poems The reader whose interest is limited for example to the singular reputation of a Dickens novel or a Byron poem may find the book functional for its broad bibliographical qualities For cultural studies students Americanists and others the book will demonstrate the complexity of cultural appropriation and the patterns of nineteenth century American resistance and harmonization **Ambassadors of Culture** Kirsten Silva Gruesz,2020-11-10 This polished literary history argues forcefully that Latinos are not newcomers in the United States by documenting a vast network of Spanish language cultural activity in the nineteenth century Juxtaposing poems and essays by both powerful and peripheral writers Kirsten Silva Gruesz proposes a major revision of the nineteenth century U S canon and its historical contexts Drawing on previously unpublished archival materials and building on an innovative interpretation of poetry s cultural role *Ambassadors of Culture* brings together scattered writings from the borderlands of California and the Southwest as well as the cosmopolitan exile centers of New York New Orleans and San Francisco It reads these productions in light of broader patterns of relations between the U S and Latin America moving from the fraternal rhetoric of the Monroe Doctrine through the expansionist crisis of 1848 to the proto imperialist 1880s It shows how ambassadors of culture such as Whitman Longfellow and Bryant propagated ideas about Latin America and Latinos through their translations travel writings and poems In addition to these well known figures and their counterparts in the work of nation building in Cuba Mexico and Central and South America this book also introduces unremembered women writers and local poets writing in both Spanish and English In telling the almost forgotten early history of travels and translations between U S and Latin American writers Gruesz shows that Anglo and Latino traditions in the New World were from the beginning deeply intertwined and mutually necessary *Dangerous Woman* Michael Foster,Barbara Foster,2011-02-01 The definitive biography of a trailblazing actress who entertained and shocked the nation and the world Marilyn Monroe might never have become the legend she did without America s original tragic starlet actress and poet Adah Isaacs Menken 1835-68 In a century remembered for Victorian restraint Menken s modern flair for action scandal and unpopular causes especially that of the Jewish people revolutionized show business On stage she was the first actress to bare all Off stage she originated the front page scandal and became the world s most highly paid actress celebrated on Broadway as well as in San Francisco London and Paris At thirty three she mysteriously died *A Dangerous Woman* is the first book to tell Menken s fascinating story Born in New Orleans to a kept woman of color and to a father whose identity is debated Menken eventually moved to the Midwest where she became an outspoken prot g of the rabbi who founded Reform Judaism In New York City she became Walt Whitman s disciple During the Civil War she was arrested as a Confederate agent and

became America's first pin-up superstar. Menken married and left five husbands. Ultimately she paid dearly for success. A major biography of a remarkable woman. A Dangerous Woman is must reading for those interested in women's history, the roots of modern-day American Judaism and African American history. Praise for a previous book by Barbara and Michael Foster: *Forbidden Journey: The Life of Alexandra David Neel*. Hers was a great human life very well written up in *Forbidden Journey*. Surely this biography will provoke even more interest. *New York Times Book Review*. *Women in the American Theatre* Faye E. Dudden, 1994-01-01. Through a series of biographical sketches of female performers and managers, Dudden provides a discussion of the conflicted messages conveyed by the early theatre about what it meant to be a woman. It both showed women as sex objects and provided opportunities for careers.

Recovering the Black Female Body Michael Bennett, Vanessa D. Dickerson, 2001. *Recovering the Black Female Body* recognizes the pressing need to highlight through scholarship the vibrant energy of African American women's attempts to wrest control of the physical and symbolic construction of their bodies away from the distortions of others.

Pioneer Jewish Texans Natalie Ornish, 2011-09-01. With more than 400 photographs, extensive interviews with the descendants of pioneer Jewish Texan families, and reproductions of rare historical documents, Natalie Ornish's *Pioneer Jewish Texans* quickly became a classic following its original release in 1989. This new Texas A&M University Press edition of Natalie Ornish's *Pioneer Jewish Texans* brings back into circulation this treasure trove of information on a rich and often overlooked vein of the multifaceted story of the Lone Star State.

Israel's Impact, 1950-51 Allen Lesser, 1984. Studies and analyzes the changes and other developments in the American Jewish community, its organizations and leadership as it reacted to the Holocaust and the establishment of an independent state of Israel.
