LEONARD WEINBERG**

Encounters With The Contemporary Radical Right

Jeffrey Kaplan, Tore Bjørgo

Encounters With The Contemporary Radical Right:

Encounters With The Contemporary Radical Right Peter H. Merkl, 2019-03-04 The cold war may be over but there is no shortage of enemies in a world beset by resurgent nationalism ethnic conflict and economic rivalry Right wing extremists from David Duke to Jean Marie Le Pen know how to exploit the pressure points of race religion and culture in a bid to keep the national and international conflict industry cooking Encounters with the Contemporary Radical Right introduces us to the personalities as well as the systems of rightist repression It shows in clearly written and carefully documented essays how radical right groups have made electoral headway in France Germany and Israel while increasingly making headlines in the United States Great Britain and other points East and West The phenomenon is by no means limited to ail skinheads and jackboots many official governments shelter radical rightism or even sponsor it outright Reflecting a broad geographical distribution that includes Eastern Europe and the former Soviet Union the essays in this book lend themselves to comparative analysis on three important dimensions the historical and intellectual backgrounds of various rightist groups the way each group fits within the context of social movements theory and the assessment of relative electoral participation and success The book goes on to outline both the patterns and peculiarities of radical right action in the settings represented and concludes that it is no accident that the radical right is on the rise internationally admonishing us of the movement's power without overstating its potential *America's Achilles' Heel* Richard A Falkenrath, Robert D Newman, Bradley A.

Thayer, 1998-07-08 Nuclear biological and chemical NBC weapons delivered covertly by terrorists or hostile governments pose a significant and growing threat to the United States and other countries Although the threat of NBC attack is widely recognized as a central national security issue most analysts have assumed that the primary danger is military use by states in war with traditional military means of delivery The threat of covert attack has been imprudently neglected Covert attack is hard to deter or prevent and NBC weapons suitable for covert attack are available to a growing range of states and groups hostile to the United States At the same time constraints on their use appear to be eroding This volume analyzes the nature and limits of the covert NBC threat and proposes a measured set of policy responses focused on improving intelligence and consequence management capabilities to reduce U S vulnerability About the authors Richard A Falkenrath is Assistant Professor of Public Policy at Harvard's Kennedy School of Government He served as Executive Director of the Belfer Center for Science and International Affairs BCSIA and before that as a Research Fellow He is the author and co author of *Shaping Europe's Military Order* 1995 *Avoiding Nuclear Anarchy* 1996 *America's Achilles Heel Nuclear Biological Chemical Terrorism and Covert Attack* 1998 and numerous journal articles and chapters of edited volumes Falkenrath has been a Visiting Research Fellow at the German Society of Foreign Affairs DGAP in Bonn He holds a PhD from the Department of War Studies King's College London where he was a British Marshall Scholar and is a summa cum laude graduate of Occidental College Los Angeles with degrees in economics and international relations He is on leave in 2001 2002 and is currently serving as

Director for Counterproliferation and Homeland Defense at the National Security Council Bradley A Thayer is Assistant Professor of Political Science at the University of Minnesota Duluth

Reflections on the Extreme Right in Western Europe, 1990-2008 Christopher Husbands, 2020-05-26 During the last three decades or so there has been a significant growth of extreme right voter support in Europe and elsewhere in the world The chapters in this book look at an earlier period before most of this increase Comprising eight previously published articles or book chapters and two hitherto unpublished studies this book gives extended accounts of the major extreme right political parties or movements in a number of west European countries looking both at their antecedents and also at their support and significance in the 1980s and early 1990s The countries covered in detail are France the Federal Republic of Germany old and new regions the Netherlands Belgium Switzerland and Austria During the last three decades some earlier parties of the extreme right in these west European countries have disappeared into oblivion to be superseded by replacements others have survived and flourished Given the date when most of these chapters were written they are now to be regarded as contributions to a modern history about the status and relevance of the respective parties or movements The book also includes an introductory essay that discusses issues arising from the disputed labelling terminology used to describe such parties and identifies themes that feature in the more recent literature about the subsequent and current state of the extreme right in Europe The book will be of particular interest to researchers on the contemporary politics of the extreme right in Europe as well as being a valuable resource for those teaching courses on this topic or on general political sociology

Right-Wing Extremism in Contemporary Germany G. Braunthal, 2009-11-04 This study of the German right extremist movement looks at the three rightist political parties neo Nazi groups skinhead gangs and New Right intellectuals It poses the question whether at a time of global recession the existing democratic system is resilient enough to meet the challenges posed by the xenophobic and racist groups

Terror from the Extreme Right Tore Bjorgo, 2014-03-05 This first volume in a new series comprises nine contributions originally presented at a workshop supported by the Norwegian Ministry of Foreign Affairs in Berlin in August 1994 Topics range from right wing violence in North America to the development patterns and causes of violence against fore

The Emergence of a Euro-American Radical Right Jeffrey Kaplan, Leonard Weinberg, 1998 The United States and Western Europe are experiencing a new and important cultural and political development In this book Jeffrey Kaplan and Leonard Weinberg argue that there now exists a set of conditions common to the United States and Western Europe that draws right wing radicals on both sides of the Atlantic closer together

German Unification M. Donald Hancock, 2019-03-11 The East European revolutions of 1989 led to momentous changes throughout the region Nowhere were they felt more dramatically than in Germany where unification unexpectedly became reality unfolding with breathtaking speed unhindered by major obstacles However joy over the fall of the Berlin Wall and the opening of the borders was soon dampene

Private Armies in the Culture of Capitalism Stan C. Weeber, 2010-02-01 This book explores an alternative

perspective for evaluating the phenomenon of contemporary private armies in the Americas Central Asia and the Middle East I proceed with the basic assumption that there is a worldwide culture of capitalism whose goal is uninterrupted economic growth that is the milieu for the creation and development of such armies The advance or decline of such entities may be related to economic factors and or the resistance of state structures While many private armies are antisystemic a response to the rapidly changing worldwide capitalism and the uncertainties that such changes entail there are also prosystemic private armies such as Blackwater USA whose job is to maintain a milieu for sustained economic growth throughout the world wherever hot spots may arise Private armies can be employed to uphold an economic system as well as to disrupt it

Racism in Europe Neil MacMaster, 2017-03-08 The study of modern racism has tended to treat anti-Semitism and anti-black racism as separate and unconnected phenomena This innovative study argues that a full understanding of the origins and development of racism in Europe after 1870 needs to examine the structure and interrelationships between the two dominant forms of prejudice Contrary to expectation anti-black racism was not confined to the colonial maritime nations of western Europe but perpetrated even the rural societies of central and eastern Europe Likewise anti-Semitism could flourish even in the almost total absence of Jews MacMaster explores the conditions under which modern political movements faced with the crisis of modernity began to draw upon and mobilise the negative stereotypes that through the development of the mass media had become almost universal features of popular culture By weaving together the changing spatial and temporal dimensions of anti-Semitic and anti-black prejudice the study provides a fresh and more global framework for understanding modern racism

Right-Wing Populism in America Chip Berlet, Matthew N. Lyons, 2016-05-06 Right-wing militias and other antigovernment organizations have received heightened public attention since the Oklahoma City bombing While such groups are often portrayed as marginal extremists the values they espouse have influenced mainstream politics and culture far more than most Americans realize This important volume offers an in-depth look at the historical roots and current landscape of right-wing populism in the United States Illuminated is the potent combination of anti-elitist rhetoric conspiracy theories and ethnic scapegoating that has fueled many political movements from the colonial period to the present day The book examines the Jacksonians the Ku Klux Klan and a host of Cold War nationalist cliques and relates them to the evolution of contemporary electoral campaigns of Patrick Buchanan the militancy of the Posse Comitatus and the Christian Identity movement and an array of millennial sects Combining vivid description and incisive analysis Berlet and Lyons show how large numbers of disaffected Americans have embraced right-wing populism in a misguided attempt to challenge power relationships in U.S. society Highlighted are the dangers these groups pose for the future of our political system and the hope of progressive social change Winner Outstanding Book Award Gustavus Myers Center for the Study of Bigotry and Human Rights in North America

Between Bonn and Berlin Mary N. Hampton, Christian S  e, 1999 Examining Germany's image of political drift the authors focus on current debates regarding the country's welfare state European monetary policy security

policy warnings about a supposed German hegemony symbolic or geopolitical implications of the return to Berlin and new complexities in party politics and public opinion While there is far more similarity between the Berlin Republic and its West German predecessor than there ever could have been between DWeimarD and D Bonn D the authors also show that united Germany is in many ways more than an enlarged version of its successful forerunner

Political Parties and Terrorist Groups Ami Pedahzur,Leonard Weinberg,2013-01-11 What is the relationship between the political parties that embrace the democratic process and terrorist groups which eschew the legal and procedural strictures of democracy This acclaimed volume provides a detailed theoretical and empirical analysis of this controversial issue Drawing on a vast array of data the authors examine a large number of international case studies from Italy Spain Lebanon Turkey Iran Israel Palestine Peru Argentina Japan and Northern Ireland This comprehensive book is the definitive account of this extremely important subject

New Challenger Parties in Western Europe Airo Hino,2012-06-12 This book provides a systematic and comparative account of the rise of new challenger parties across Western Europe It analyses how parties that challenge the conventional party system by addressing issues neglected by existing parties can succeed and fail Systematically comparing 229 elections since 1950 across 15 European democracies including the United Kingdom France Germany Italy the Benelux and Scandinavian countries this book questions why new challenger parties are more successful in some countries than others and analyses the conditions that determine their emergence and subsequent success or failure As one of the first systematic and comparative examinations of new challenger parties this book looks at both new politics parties and extreme right parties and the structures to aid their emergence at the time of an election Identifying two distinctive stages of party development the author adopts a double hurdle model involving first the chances of emergence and second sustained success This framework in combination with a wide range of empirical data provides for an innovative and insightful analysis of a neglected topic New Challenger Parties in Western Europe will be of interest to students and scholars of government comparative politics and political parties

Nation and Race Jeffrey Kaplan,Tore Bjørge,1998 The unprecedented growth of hate movements on both sides of the Atlantic is thoroughly explored in this groundbreaking collection of original essays

Citizenship and Rights in Multicultural Societies Michael Dunne,2019-07-29 This topical book examines the debates around contemporary conflicts between liberal democracies and increasingly vociferous special interest groups within society It analyses the way a new sense of difference and the growth of multi culturalism are straining modern notions of citizenship and rights looking in particular at how ethnic conflicts in Eastern Europe have escalated to international tragedies while in the US and Canada race ethnicity and radical feminism are at the heart of a social conflict which challenges national identity and the unity of the state

American Fuehrer Frederick James Simonelli,1999 The founder of the American Nazi party and its leader until he was murdered in 1967 George Lincoln Rockwell was one of the most significant extremist strategists and ideologists of the postwar period His influence has only increased since his death A

powerful catalyst and innovator Rockwell broadened his constituency beyond the core Radical Right by articulating White Power politics in terms that were subsequently appropriated by the one time klansman David Duke He played a major role in developing Holocaust revisionism now an orthodoxy of the Far Right He also helped politicize Christian Identity America s most influential right wing religious movement and welded together an international organization of neo Nazis All of these extremist movements continue to thrive today Frederick Simonelli s biography of this powerful and enigmatic figure draws on primary sources of extraordinary depth including declassified FBI files and manuscripts and other materials held by Rockwell s family and associates The first objective assessment of the American Nazi party and an authoritative study of the roots of neo nazism neo fascism and White Power extremism in postwar America American Fuehrer is shocking and absorbing reading

Political Parties and the Internet Rachel Kay Gibson,Paul Nixon,Stephen Ward,2003 Can the Internet help to re engage the public in politics How are political parties using the Internet as a communication tool Has politics changed in the information age This book provides an assessment of how political parties are adapting to the rise of new information and communication technologies and what the consequences will be It includes case studies of the US the UK Australia Korea Mexico France Romania and the Mediterranean region

The Evolution of Alienation Lauren Langman,Devorah Kalekin-Fishman,2006 Building on the Marxian view of alienation as the inevitable consequence of wage labor that divests human beings of control over their life forces The Evolution of Alienation provides new insights into contemporary conditions Contributors explore how alienation is fostered n

Traces of Contamination Eloy E. Merino,H. Rosi Song,2005 Exposing two general perspectives both manifestations of an authoritarian past that still holds a relationship with the present this collection reveals the ideological legacy of the past and its experience as a distressing conditioner of the present The dissonant elements of post Franco discourse critically analyzed by our contributors challenge the seamless narrative that tells the successful story of the Spanish transition to democracy

Encounters With The Contemporary Radical Right Introduction

In the digital age, access to information has become easier than ever before. The ability to download Encounters With The Contemporary Radical Right has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Encounters With The Contemporary Radical Right has opened up a world of possibilities. Downloading Encounters With The Contemporary Radical Right provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Encounters With The Contemporary Radical Right has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Encounters With The Contemporary Radical Right. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Encounters With The Contemporary Radical Right. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Encounters With The Contemporary Radical Right, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Encounters With The

Contemporary Radical Right has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Encounters With The Contemporary Radical Right Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Encounters With The Contemporary Radical Right is one of the best book in our library for free trial. We provide copy of Encounters With The Contemporary Radical Right in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Encounters With The Contemporary Radical Right. Where to download Encounters With The Contemporary Radical Right online for free? Are you looking for Encounters With The Contemporary Radical Right PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Encounters With The Contemporary Radical Right. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Encounters With The Contemporary Radical Right are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of

thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Encounters With The Contemporary Radical Right. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Encounters With The Contemporary Radical Right To get started finding Encounters With The Contemporary Radical Right, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Encounters With The Contemporary Radical Right So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Encounters With The Contemporary Radical Right. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Encounters With The Contemporary Radical Right, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Encounters With The Contemporary Radical Right is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Encounters With The Contemporary Radical Right is universally compatible with any devices to read.
