Covering a wide range of magical goals, this little book will help you improve your relationships, deepen your connection to nature, and live a successful enchanted life *Spells for Change* Frankie Castanea, 2022-04-26 Forget warts and cauldrons: a new generation of witches is on the rise. From justice spells to protective charms, Frankie Castanea brings their fresh style to an ancient practice, showing that contemporary witchcraft is a powerful force for good and a tool for manifesting positive change. Modern-day witches are a blend of the old and the new. They travel to the grocery store, work nine to five jobs, and teach in our classrooms. They also carry black tourmaline and quartz, wave bay and rosemary bundles over their doorways. Within an ancient and sacred practice, a new type of Craft has taken hold: one that combines the power of action with energy and intent, prioritizes self-realization, and matches its activism with manifestation. With chapters on meditation, grounding, cleansing, banishing, binding, and more, *Spells for Change* will help the modern witch create change within the hearth, the heart, and the world, one spell at a time *Plant Magic* Sandra Kynes, 2017-03-08 Connect to the natural world in ways you never expected with the many magical uses of ordinary and classically witchy plants. *Plant Magic* presents a unique approach to working with plants in concert with the cycles of nature. Sandra Kynes guides you through a year of plant magic, providing significant dates and detailed information on garden, wild, and household plants associated with each month. Discover activities to grow your connection with nature, such as plant-based rituals to celebrate the seasons and incense burning to attract love and prosperity. Explore ways to develop your self-expression in the craft, from placing flowers on your altar to using herbs in your divinatory practices. Featuring lore, recipes, spells, and more, *Plant Magic* helps you better understand and be inspired by the green world **Egyptian Revenge Spells** Claudia R.
