Estates Of Old Toronto:

The Estates of Old Toronto Liz Lundell,1997 The Estates of old Toronto is a bittersweet look at a less harried age and at the great properties that were ultimately swallowed up by Canada's largest modern city Casa Loma Matthew M. Reeve,Michael Windover,2023-09-01 Leading architect E J Lennox designed Casa Loma for the flamboyant Sir Henry Pellatt and Mary Lady Pellatt as an enormous castellated mansion that overlooked the booming metropolis of Toronto The first scholarly book dedicated to this Canadian landmark Casa Loma situates the famous house on the hill within Toronto's architectural urban and cultural history Casa Loma was not only an outsized home for the self appointed Lord Toronto but a statement of Canada's association with empire an assertion of the country's British legacy During and after the Pellatts occupation Casa Loma was a major landmark and it has since infiltrated the iconography and collective memory of the metropolis The reception of Casa Loma variously loved and abhorred by Torontonians reflects many of Toronto's major aspirations and anxieties about itself as a modern city Across ten chapters this book charts the history of Casa Loma from the purchase of the estate atop Davenport Ridge in 1903 and its construction from 1906 through to its sale and the dispersal of its contents in 1924 its subsequent life as a hotel and finally its transformation into one of the city's major entertainment venues Casa Loma brings to light a wealth of hitherto unpublished archival images and documentation of the house's visual and material culture weaving together a textured account of the design use and life of this unique building over the course of the twentieth century Don Mills Scott Kennedy,2017-02-18 As recently as 1970 wheat crops were grown at Don Mills and no small amount but enough to line Toronto's grocery store shelves with baked goods Single herd milk was also commonplace thanks to this last vestige of the city's agricultural past By 1980 it had been paved over but Scott Kennedy offers a glimpse of the way things used to be **Tales From the Hollow** Scott Kennedy,2022-11-28 This story begins some 13 000 years ago at the end of the last ice age before travelling thousands of years ahead to the early pioneers and the farms they established and right up to the present day Readers will learn how the local St John's Anglican Church welcomed its first worshippers when Beethoven was still performing in the concert halls of Europe They will meet Cornelius van Nostrand born in 1730 twenty six years before Mozart and eleven years before the first performance of Handel's Messiah and now at rest in St John's churchyard This rich history also includes such diverse figures as Amelia Earhart who discovered her love of flying at an aerodrome overlooking Hogg's Hollow and Northern Dancer the most influential Thoroughbred racehorse in history Members of the British Royal Family including two Kings of England were also regular visitors to the area staying in later years with E P Taylor and his wife Winifred at the Taylors Windfields Farm where Northern Dancer was also a resident Riverdale Elizabeth Gillan Muir,2014-10-08 A complete history of Toronto's Riverdale community this book narrates the lives of early inhabitants reaching as far back as Simcoe's first settlement of the region the construction boom of 1915 and the waves of immigration that made Riverdale one of Toronto's most diverse areas **Road to Marylake, The Kelly**

Rachelle Mathews,2017 In the early 1900 s a gentleman and financier named Sir Henry Mill Pellatt builder of the famous Casa Loma in Toronto started to piece together several farms 1 214 acres to create what he called Lake or Lac Marie Farm Country Estate The name Marie was to honor his first wife Lady Mary Pellatt nee Dodgson Designed to be a place of respite for high society hunt events and highballs on the verandah 1911 1935 this land came into the ownership of a group of Basilian leaders who took this site of social indulgence and converted into Marylake Agricultural School and Farm Settlement Association now 814 acres On August 25 1942 the Agricultural School sold to the Augustinian Father of Ontario Inc and as such Marylake Monastery Retreat House and site of Pilgrimage was born *An Environmental History of Canada* Laurel Sefton MacDowell,2012-07-31 Throughout history most people have associated northern North America with wilderness with abundant fish and game snow capped mountains and endless forest and prairie Canada s contemporary picture gallery however contains more disturbing images deforested mountains empty fisheries and melting ice caps Adopting both a chronological and thematic approach Laurel MacDowell examines human interactions with the land and the origins of our current environmental crisis from first peoples to the Kyoto Protocol This richly illustrated exploration of the past from an environmental perspective will change the way Canadians and others around the world think about and look at Canada

Paradise Planned Robert A.M. Stern,David Fishman,Jacob Tilove,2013-12-03 Paradise Planned is the definitive history of the development of the garden suburb a phenomenon that originated in England in the late eighteenth century was quickly adopted in the United State and northern Europe and gradually proliferated throughout the world These bucolic settings offered an ideal lifestyle typically outside the city but accessible by streetcar train and automobile Today the principles of the garden city movement are once again in play as retrofitting the suburbs has become a central issue in planning Strategies are emerging that reflect the goals of garden suburbs in creating metropolitan communities that embrace both the intensity of the city and the tranquility of nature Paradise Planned is the comprehensive encyclopedic record of this movement a vital contribution to architectural and planning history and an essential recourse for guiding the repair of the American townscape

English Bloods Frederick de la Fosse,Scott D. Shipman,2004-08-25 Farming in the Canadian backwoods in the late 1800s was a prospect that enticed many young Englishmen to cross the Atlantic One such fellow was Frederick de la Fosse whose well meaning uncle paid 100 per annum for his young nephew to serve as a farm pupil in the northern reaches of Muskoka Some years later de la Fosse under the pseudonym of Roger Vardon wrote an illuminating and humorous biographical account of the trials and tribulations of the English Bloods the local epithet attached to these young lads attempting to hone farming skills in a land never intended to be agricultural And in so doing de la Fosse chronicles the realities of pioneer life in the area In the original text published in 1930 a number of names were changed to conceal identities of the local people Editor Scott D Shipman has spent over eight years researching the authentic names and overall background for this new augmented edition of *English Bloods* The richly descriptive text written by the keenly observant and erudite de la Fosse is

complemented by archival visuals and annotations for today's reader Frederick de la Fosse went on to become a public librarian in Peterborough in 1910

Willowdale Scott Kennedy, 2013-11-11 Stories of the evolution of Willowdale from its earliest acquisition of land to today's urban environment In 1855 Willowdale's post office opened in Jacob Cummer's store on Yonge Street Today streets in Toronto's community of Willowdale are peppered with the names of the early farm families of North York such as the Shepards Finches and Kennedys Author Scott Kennedy's intriguing stories embrace the evolution of Willowdale from the earliest acquisition of land to today's urban environment You will read about combat training for the ill fated Rebellion of 1837 that took place in the community fields about Mazo de la Roche's estate Windrush Hills which stood at Bayview and Steeles and is a Zoroastrian temple today about the Kingsdale Jersey Farm which was located on Bayview until 1972 and about Green Meadows the estate of Bud McDougald which was the last operating farm in North York

Suburb, Slum, Urban Village Carolyn Whitzman, 2010-01-03 Suburb Slum Urban Village examines the relationship between image and reality for one city neighbourhood Toronto's Parkdale Carolyn Whitzman tracks Parkdale's story across three eras its early decades as a politically independent suburb of the industrial city its half century of ostensible decline toward becoming a slum and a post industrial period of transformation into a revitalized urban village This book also shows how Parkdale's image influenced planning policy for the neighbourhood even when the prevailing image of Parkdale had little to do with the actual social conditions there Whitzman demonstrates that this misunderstanding of social conditions had discriminatory effects For example even while Parkdale's reputation as a gentrified area grew in the post sixties era the overall health and income of the neighbourhood's residents was in fact decreasing and the area attracted media coverage as a dumping ground for psychiatric outpatients Parkdale's changing image thus stood in stark contrast to its real social conditions Nevertheless this image became a self fulfilling prophecy as it contributed to increasingly skewed planning practices for Parkdale in the late twentieth century This rich and detailed history of a neighbourhood's actual conditions imaginary connotations and planning policies will appeal to scholars and students in urban studies planning and geography as well as to general readers interested in Toronto and Parkdale's urban history

I've Got a Home in Glory Land Karolyn Smardz Frost, 2024-03-26 It was the day before Independence Day 1831 As his bride Lucie was about to be sold down the river to the slave markets of New Orleans young Thornton Blackburn planned a daring and successful daylight escape from Louisville But they were discovered by slave catchers in Michigan and slated to return to Kentucky in chains until the black community rallied to their cause The Blackburn Riot of 1833 was the first racial uprising in Detroit history The couple was spirited across the river to Canada but their safety proved illusory In June 1833 Michigan's governor demanded their extradition The Blackburn case was the first serious legal dispute between Canada and the United States regarding the Underground Railroad The impassioned defense of the Blackburns by Canada's lieutenant governor set precedents for all future fugitive slave cases The Blackburns settled in Toronto and founded the city's first taxi business But they never forgot the millions who still suffered in

slavery Working with prominent abolitionists Thornton and Lucie made their home a haven for runaways The Blackburns died in the 1890s and their fascinating tale was lost to history Lost that is until a chance archaeological discovery in a downtown Toronto school yard brought the story of Thornton and Lucie Blackburn again to light **Toronto's Lost Villages** Ron Brown,2020-05-15 Explore the vestiges of the hamlets and villages that have been swallowed up by Toronto's relentless growth Over the course of more than two centuries Toronto has ballooned from a muddy collection of huts on a swampy waterfront to Canada's largest and most diverse city Amid and sometimes underneath this urban agglomeration are the remains of many small communities that once dotted the region now known as Toronto and the GTA Before European settlers arrived Indigenous Peoples established villages on the shore of Lake Ontario With the arrival of the English a host of farm hamlets tollgate stopovers mill towns and later railway and cottage communities sprang up Vestiges of some are still preserved while others have disappeared forever Some are remembered though many have been forgotten In Toronto's Lost Villages all of their stories are brought back to life The North Star Julian Sher,2024-05-21 FINALIST FOR THE MAVIS GALLANT PRIZE FOR NON FICTION LONGLISTED FOR THE J W DAFOE BOOK PRIZE A riveting account of the years months and days leading up to the assassination of President Abraham Lincoln and the unexpected ways Canadians were involved in every aspect of the American Civil War Canadians have long taken pride in being on the good side of the American Civil War serving as a haven for 30 000 escaped slaves on the Underground Railroad But dwelling in history's shadow is the much darker role Canada played in supporting the slave South and in fomenting the many plots against Lincoln The North Star weaves together the different strands of several Canadians and a handful of Confederate agents in Canada as they all made their separate fateful journeys into history The book shines a spotlight on the stories of such intrepid figures as Anderson Abbott Canada's first Black doctor who joined the Union Army Emma Edmonds the New Brunswick woman who disguised herself as a man to enlist as a Union nurse and Edward P Doherty the Quebec man who led the hunt to track down Lincoln's assassin John Wilkes Booth At the same time the Canadian political and business elite were aiding the slave states Toronto aristocrat George Taylor Denison III bankrolled Confederate operations and opened his mansion to their agents The Catholic Church helped one of Booth's accused accomplices hide out for months in the Quebec countryside A leading financier in Montreal let Confederates launder money through his bank Sher creates vivid portraits of places we thought we knew Montreal was a sort of nineteenth century Casablanca of the North a hub for assassins money men mercenaries and soldiers on the run Toronto was a headquarters for Confederate plotters and gun runners The two largest hotels in the country became nests of Confederate spies Meticulously researched and richly illustrated The North Star is a sweeping tale that makes long ago events leap off the page with a relevance to the present day Canadian Book Review Annual ,1998 **Ontario History** ,1998 *The Canadian Annual Review of Public Affairs* ,1917 Steamboat Connections Frank Mackey,2000-06-01 Mackey introduces the entrepreneurs who forged this important link between Montreal and the nation's

interior and chronicles the course of their industry correcting previous misinterpretations He sheds light not only on steamboats but also on the social commercial and geographical development that they made possible He shows that the history of this country a land with vast expanses and a harsh climate cannot be fully appreciated without looking at the different modes of transportation that made it possible

Estates Large and Small Ray Robertson, 2022-08-10 Profound perceptive and wryly observed Estates Large and Small is the story of one man's reckoning and an ardent defense of the shape books make in a life What decades of rent increases and declining readership couldn't do a pandemic finally did Phil Cooper has reluctantly closed his secondhand bookstore and moved his business online Smoking too much pot and listening to too much Grateful Dead he suspects that he's overdue when it comes to understanding the bigger picture of who he is and what we're all doing here So he's made another decision to teach himself 2 500 years of Western philosophy Thankfully he meets Caroline a fellow book lover who agrees to join him on his trek through the best of what's been thought and said But Caroline is on her own path one that compels Phil to rethink what it means to be alive in the twenty first century In Estates Large and Small Ray Robertson renders one man's reckoning with both wry humour and tender joy reminding us of what it means to live love and when the time comes say goodbye
