Estes Park A Quick History

Phyllis J. Perry

Estes Park A Quick History:

Estes Park Kenneth Christian Jessen,1996 *Estes Park* Kenneth Jessen,1996-05-01 *Estes Park* Sybil Barnes,2010-07-26 Estes Park is a small village nestled in the north central mountains of Colorado The earliest settlers were homesteaders who arrived to prove up in the 1870s and soon discovered that providing lodging and entertainment for outdoor adventurers and tourists looking for a respite from city life could provide a more reliable revenue stream than farming and ranching By 1905 the town was platted and several hotels provided modern accommodations When Rocky Mountain National Park was created in 1915 Estes Park became the eastern gateway and continues to be the first stop for approximately 2 5 million visitors annually From an initial population of less than 200 the town has grown to almost 10 000 year round residents many of whom still make their living providing goods and services to visitors from as near as Denver and as far away as Nepal Estes Park and Rocky Mountain National Park Then & Now James H. Pickering,2006 Historic photographs paired with contemporary photographs taken from the exact same locations illuminate the evolution that has occurred in the Estes Park area as well as in Rocky Mountain National Park over more than a century From the Stanley Hotel to Lake Estes see whether the landmarks and landscape of Estes Park have been completely transformed or if they remain almost unchanged **Colorado Vanguards: Historic Trailblazers and Their Local Legacies** Phyllis J. Perry,2015 Colorado history is filled with maverick men and women who shaped the state s identity and culture Trailblazers Zebulon Pike and Stephen Long laid groundwork for the miners farmers and statesmen who helped the area evolve into a territory and a state Father of Rocky Mountain National Park Enos Mills and writer Isabella Bird praised the surrounding natural splendor and championed its preservation Entrepreneurs Otto Mears and William Jackson Palmer linked mines with towns such as Colorado Springs and Telluride while the innovations of F O Stanley and Nikola Tesla energized the state Author Phyllis J Perry chronicles the lives of thirty men and women who left their indelible marks on Colorado **Democracy's Mountain** Ruth M. Alexander,2023-09-26 At 14 259 feet Longs Peak towers over Colorado s northern Front Range A prized location for mountaineering since the 1870s Longs has been a place of astonishing climbing feats and unsurprisingly of significant risk and harm Careless and unlucky climbers have experienced serious injury and death on the peak while their activities equipment and trash have damaged fragile alpine resources As a site of outdoor adventure attracting mostly white people Longs has mirrored the United States tenacious racial divides even into the twenty first century In telling the history of Longs Peak and its climbers Ruth M Alexander shows how Rocky Mountain National Park like the National Park Service NPS has struggled to contend with three fundamental obligations to facilitate visitor enjoyment protect natural resources and manage the park as a site of democracy Too often it has treated these obligations as competing rather than complementary commitments reflecting national discord over their meaning and value Yet the history of Longs also shows us how over time climbers the park and the NPS have attempted to align these obligations in policy and practice By putting mountain climbers

and their relationship to Longs Peak and its rangers at the center of the story of Rocky Mountain National Park Alexander exposes the significant role outdoor recreationists have had as both citizens and privileged adventurers in shaping the park's meaning, use, and management. Since 2000 the park has promoted climber enjoyment and safety, helped preserve the environment, facilitated tribal connections to the park, and attracted a more diverse group of visitors and climbers. Yet Alexander argues more work needs to be done. Alexander's nuanced account of Longs Peak reveals the dangers of undermining national parks' fundamental obligations and presents a powerful appeal to meet them fairly and fully.

Death, Despair, and Second Chances in Rocky Mountain National Park Joseph R. Evans, 2010. On average three million people come to Colorado to visit Rocky Mountain National Park every year. Most return home safely, but some do not. Joseph R. Evans details the fates of the almost three hundred people who met their demise in Rocky Mountain National Park between 1884 and 2009, in the hope that their mistakes might prove instructive to future park visitors. Also included are the stories of those who made it, whether by skill and determination or just sheer luck.

The Filleys Donald Southerton, 2005-06. *The Filleys* 350 Years of American Entrepreneurial Spirit provides snapshots into American entrepreneurship history for a broad readership through a series of biographic essays. These stories, centering on the accomplishments of one family, provide vivid insights into entrepreneurialism in America, spatially across the country and temporally over three centuries. Author Don Southerton guides the reader through multiple generations of the Filley family, beginning in 17th century Puritan New England. The saga includes the rise of the Yankee trader, land speculation, and the development of American manufacturing. The Filley business endeavors represent a slice of the American entrepreneurial experience. Moreover, this experience was shared by many thousands of other Americans whose families can be traced to colonial times. Together they raised families, embraced capitalism, and built this country. The portraits of people and events in this saga provide us with a revealing and instructive glimpse into times long gone and allow us to connect vicariously to a part of our collective past.

It Happened In Rocky Mountain National Park Phyllis J. Perry, 2018-12-15. From an out of control wildfire that nearly destroyed a town to a serial spouse killer in Estes Park, *It Happened in Rocky Mountain National Park* looks at intriguing people and episodes from the history of Colorado's largest national park. Learn how two teens attempt to scale the Diamond, a sheer granite cliff so dangerous that climbing it used to be outlawed, resulted in one of the most complicated rescues in the park's history. Read about the life and untimely demise of Rocky Mountain Jim, who was badly scarred by a grizzly bear attack and earned a reputation as an eccentric but highly skilled wilderness guide. And meet Harriet Peters, an unusually tenacious girl who summited 14,259-foot tall Longs Peak at the tender age of eight.

A History of the CCC in Rocky Mountain National Park Julia Brock, 2005. **History of Larimer County, Colorado** Ansel Watrous, 1911. **Colorado Yesterday and Today** Grant Collier, Joseph Collier, 2005-06. When Joseph Collier left Scotland bound for Central City, Colorado, in 1871, it was unclear whether the young immigrant would make much of a name for himself. However, through hard work and perseverance,

Collier developed a reputation as one of the state's preeminent pioneer photographers. Now over a century later, Grant Collier has literally followed in the footsteps of his great-great-grandfather. Grant has traveled across Colorado taking photographs from precisely the same spots where Joseph Collier captured his images. These photographs are presented in the often imitated but never duplicated *Colorado Yesterday Today*.

This Blue Hollow James H. Pickering, 2005. This Blue Hollow is the first comprehensive account of the early history of Estes Park, Colorado, the gem of the Rockies. In this enthralling narrative, James H. Pickering traces the development of Estes Park as a mountain resort community from the time of its first recorded discovery by Joel Estes in 1859 to the establishment of Rocky Mountain National Park in 1915. Though Estes and his family stayed only briefly, others quickly followed: hunters, homesteading settlers, lumbermen, mountaineers, artists, writers, and vacationers. They came for many reasons: first for settlement, exploration, and exploitation, and later for escape, health, recreation, and renewal. Their collective experiences and accomplishments, their successes as well as their failures, are chronicled in this book. Based on Pickering's extensive use of primary sources, *This Blue Hollow* details the lives of such characters as Joel Estes and Griffith J. Evans, the valley's first residents; the notorious James Nugent, Rocky Mountain Jim, and his short but tempestuous relationship with the celebrated English traveler Isabella Lucy Bird; and the Earl of Dunraven, a wealthy Irishman who was successful in his illegal attempt to secure control of as much of the park as possible for his own uses. The book also explores such significant events as the coming of the first pioneer families and permanent settlers, as well as their development of Estes Park as a place to farm, ranch, and entertain tourists; the conquest of Longs Peak and the first explorations of other high and remote places; and the people and circumstances that led to the establishment of the town of Estes Park in 1905 and Rocky Mountain National Park a decade later.

Oddball Colorado Jerome Pohlen, 2002-09-01. A high altitude alligator farm. A UFO watchtower. A monument to a headless chicken. While other travel guides tell you about tackling Pike's Peak, skiing the back bowls, or rafting down the Arkansas River, this quirky regional resource offers unusual travel destinations and little-known historical tidbits. Imagine regaling coworkers with unique Rocky Mountain adventures like spending an evening at a drive-in movie in a queen-sized bed or visiting a vapor cave clad only in a towel. How about seeing a two-headed dragon made of car parts or watching cliff divers while eating Mexican food?

Rocky Mountain National Park: Administrative History, 1915-1965 Lloyd K. Musselman, 1971.

Hiking with Kids Colorado Jamie Siebrase, 2021-05-01. Colorado families have access to thousands of miles of stunning trails spanning 41 state parks, two national grasslands, four national parks, eight national monuments, 11 national forests, and 14ers galore. Better still, Colorado's backcountry was made for youth. From dinosaur-themed day hikes and cliff dwellings to elk crossings, beaver dams, and secret waterfalls, the state's expansive trail network is a natural playground and classroom for kids of all ages. *Hiking with Kids Colorado* guides parents to 52 of the best hikes to take with kids in the state, walkable for all toddlers to teens. Inside you'll find detailed hike descriptions for every week of the year, easy-to-follow maps for every route, information on restrooms, stroller compatibility,

and trail users Color photos to help your kids see themselves on the trail Tips on cool scavenger hunt ideas animal identification bird calls and fun facts to keep young hikers engaged every step of the way **Roadside History of Colorado** James McTighe,1984 **Hidden History of Denver** Elizabeth Victoria Wallace,2011-10-25 When prospectors set up camp on Cherry Creek in 1858 Denver emerged as a lightning rod for the extraordinary Time has washed away so many unusual stories from the dark days of nineteenth century Law and Order League lynchings and the KKKs later rise and fall to the heroism of suffragettes and the touching plight of the gypsies Elizabeth Wallace knocks the dust off these details and introduces readers to characters like world heavyweight boxing champion Charles L Sonny Liston hit man turned rodeo promoter Leland Varain aka Diamond Jack and the citys daring wall dogs whose hand painted building advertisements are fading reminders of a bygone Denver Colorado Heritage ,2000 *Hiking through History Colorado* Robert Hurst,2016-06-30 From historic landmarks to early settlement sites and more this book is the perfect companion for any hiker with an interest in history Make no mistake this is a hiking book first and foremost complete with rich photos and detailed maps but with added extras and sidebars detailing enough historical information to satisfy every curiosity along the way
