Gurps Special Ops Counterterrorism Hostage Rescue And Behindthelines Action:

GURPS Special Ops Greg Rose,1999-04-01 **Gurps Special Ops** Greg Rose,2018-06-29 The Third Edition of this popular military sourcebook is massively updated and lengthened Roleplay behind the lines strikes hostage rescue guerrilla warfare and other special ops missions There s lots of detail on weaponry and information on the world s top unconventional warfare units Rangers Delta Force Spetsnaz SEALs Special Air Service Sayeret Matkal and more *Books In Print*

2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 **Hostage Rescue Manual** Leroy Thompson,2005-01-08 A comprehensive illustrated overview of the dynamic operations that have saved lives in hostage situations around the world Based on strategies proven successful in numerous incidents including the landmark SAS rescue at Prince s Gate London and compiled by an author with intimate and practical knowledge of the field this book explains why the success of a rescue is often determined in the hours leading up to confrontation Once an incident is contained a large share of the responsibility for a successful conclusion rests with the hostage negotiator whose job is to save the lives of both hostage and hostage taker But if negotiations fail it becomes necessary to send in the hostage rescue team to resolve the situation by force and skill Hostage Rescue Manual explains the complex factors that determine the entry methods undertaken by a team with discussion of the pros and cons of stealth versus dynamic approaches plus the significance of distraction in securing successful site entry Operations in widely differing locations from nuclear power plants to airliners are detailed as are the range of special weapons available to the men and women tackling each incident We learn of the multiple roles played by participants such as the use of snipers as intelligence sources With vivid photographs and diagrams of rescue units in action Hostage Rescue Manual is the complete reference work on counter terrorist procedures all over the world This revised edition updates the book with an entirely new section devoted to developments in hostage rescue among them operations in Russia and Iraq since first publication The Evolution of Special Forces in Counter-terrorism J. Paul de B. Taillon,2001 Annotation The threat of terrorism knows no borders and given the complexities of today s global system no nation can afford to stand alone This study considers the role that international cooperation plays in assisting elite military forces engaged in low intensity and counter terrorist operations particularly hostage rescue efforts Using historical examples from the experiences of Great Britain and the United States the author concludes that cooperation ranging from shared intelligence to forward base access to the provision of observers can provide significant advantages in dealing with low intensity operations However the most fruitful joint efforts involve shared activities by countries that possess a similar threat perception usually in part a result of a common sociology in their view of historical developments Before turning to modern counter terrorism Taillon addresses the respective military experiences of Britain and America within the wider realm of conventional and low intensity operations The main Anglo American focus of the book gives primary importance to the developments and doctrine for the employment of special forces as well as an analysis of more recent low intensity and counter terrorism operations such as the 1980

Iranian embassy siege in London and the failure that same year of the American hostage rescue attempt in Teheran Taillon hopes to identify and highlight those key aspects of cooperation at an international level which have at least in part been absolutely essential to successful counter terrorist operations in the past and which seem destined to remain so in the future

Code Name Wrangler George M. James, 2016-01-05 South African Secret Service head of counter terrorism Angelique Dawson is leading a classic hostage rescue mission where an aircraft is held by eco terrorists threatening to release very dangerous snakes and killing the hostages The aircraft must be retaken and the hostages secured As always the book is full of twists and plots If you want to know how Special Forces and secret agents work together in covert operations before storming an aircraft read this story You will learn about covert operations Special Forces techniques and military history not known outside the select few and the GMJ Books are based on facts Whatever is said here can be proven This is Book 17 of the popular GMJ Series
