culture has generally represented the mother daughter relationship as one of never ending conflict and thus promoted an ideology of separation as necessary to the daughter s emancipation and maturity This ideological move is placed in a social context of the anti woman backlash of the early post war period and the renewed anti feminism of the Reagan and Bush years Walters uses exceptions to mainstream imagery films such as *A Tree Grows in Brooklyn* television shows like *Maude* novels like *The Joy Luck Club* to offer evidence of alternative traditions and paradigms Timely and vividly argued *Lives Together Worlds Apart* makes a brilliant contribution to discussions of popular culture and feminism In the 1940s film *Now Voyager* Bette Davis plays a daughter struggling against her mother s stifling repression Nearly fifty years later in the Hollywood saga *Postcards from the Edge* Shirley MacLaine as a neglectful and bossy mother in **Hades' Daughter** Carol,2017-07-27

The Archetypal Process David Griffin,1989 *Archetypal Process* is a pioneering study linking the ideas of process philosophy as developed by Alfred North Whitehead and Charles Hartshorne with the archetypal psychology of C G Jung and James Hillman This is the first work to examine the interconnections of these two modes of thought *Archetypal Process* examines the importance of cosmological thinking and the need to ground archetypal psychology in a metaphysical philosophical framework It treats the necessity for symbol and myth the nature of the spirit and language as a metaphorical vehicle of thought and finally it adds a much needed feminist perspective to the debate *Hell of a Prophecy* McKayla Schutt,2020-07-08 The daughters of Hades Zeus and Poseidon are linked in more than one way You d think the daughter of Hades would have hellfire hair and a wicked temper well you d be right Avalon s lived a sheltered life because her father thinks the world is out to get her He may be right because her new freedom brings furies to her door a bounty on her head and demi god with horns Actually the sexy demi god is the only bright side to her discord She s swearing to anyone who will listen that she won t be the cause of destruction but only Balthazar listens Balthazar the son of Pan but they have very little in common With a short temper and skills at fighting he s perfect to protect Avalon from the others Falling for Hades only daughter wasn t the best plan he could ve made He believes she doesn t want to harm anyone but the power that thrives in her blood works against her The swords are sharpened and fingers itch for a fight as one god threatens Avalon s life Will monsters be unleashed or is Avalon not the daughter the prophecy spoke of *Raging Holly* Kelly,2016-03-22 The long awaited conclusion to *The Rising Series* For two thousand years a betrayer has occupied the throne on Olympus Hungry for power he has wreaked havoc among the gods as well as the humans on earth But a spark of hope ignites in the form of four young women ones who are destined to free the true king and save the human world Two have been found and the others must be located before it s too late Drak n would love nothing more than to turn his back on the whole thing It s not that he doesn t care about humans but he has his own world to worry about But then he is given an impossible task one he finds himself unable to refuse He is charged with protecting a woman but not just any woman Tana goddess of wind and fire Tana is more than he bargains for Sentenced to an eternity of imprisonment for burning hundreds to death in a fiery inferno she

Gloyn, 2019-10-31 What is it about ancient monsters that popular culture still finds so enthralling Why do the monsters of antiquity continue to stride across the modern world In this book the first in depth study of how post classical societies use the creatures from ancient myth Liz Gloyn reveals the trends behind how we have used monsters since the 1950s to the present day and considers why they have remained such a powerful presence in our shared cultural imagination She presents a new model for interpreting the extraordinary vitality that classical monsters have shown and their enormous adaptability in finding places to dwell in popular culture without sacrificing their connection to the ancient world Her argument takes her readers through a comprehensive tour of monsters on film and television from the much loved creations of Ray Harryhausen in Clash of the Titans to the monster of the week in Hercules The Legendary Journeys before looking in detail at the afterlives of the Medusa and the Minotaur She develops a broad theory of the ancient monster and its life after antiquity investigating its relation to gender genre and space to offer a bold and novel exploration of what keeps drawing us back to these mythical beasts From the siren to the centaur all monster lovers will find something to enjoy in this stimulating and accessible book
