**The Passover Haggadah** Vanessa L. Ochs, 2020-03-17 This telling of the life of the Haggadah probably the most beloved of books that Jews own chronicles its recalibrations over time It moves from its early sources in the Bible and rabbinic literature to the years it was a handwritten manuscript to its life as an illuminated book in the middle ages to its emergence as mass produced printed book and later as an artist's book to its iterations in the twentieth century in America and Israel including those using emerging technologies of our day It is the story of a liturgical text came about to fulfill a biblical injunction to fathers to tell the story of the Exodus from Egypt to their children literally to their sons And you shall tell your son on that day It is because of what the Lord did for me when I went free from Egypt Exodus 13:8 Despite significant flaws in the text that have occasioned thousands of revisions it remains well and alive because it allows its users to transmit the story of Exodus as if it happened to them With a Haggadah in hand at a Passover seder meal the text kindles the memory of belonging to a people who knew slavery and then liberation and enlivens empathy An engagement with the Haggadah inevitable leaves one feeling responsible for helping others to achieve their own liberation Central Conference of American Rabbis, 1923 Parallel text English and Hebrew *Haggadah for Pesach*, ?? ???? Torah the first five books of Moses is the written word of G d and the instructions and rituals for the holidays were passed down in the oral law Every year in the spring Jews around the world will prepare a seder as a memorial to the original Passover event and in the same prescribed order given at Mt Sinai over 3 000 years ago It is important to G d that the teachings and history of the Jewish people be preserved and passed down to all generations As we read through the Haggadah you will notice the introduction of a dash in the spellings of G d and L rd According to Jewish law and tradition it was forbidden to erase or discard any written document with the names of our Creator or even speak His Hebrew name Yod He Vav He The word Jehovah is used by Christians to pronounce the four letters of the tetragrammaton and the name Adonai is substituted when reading the Holy Scriptures or Torah The true pronunciation of His Name has been lost With great respect we will reverence His holy name by continuing this tradition The symbolism in the seder meal will remind us that G d remembered His people in bondage and He had a plan for their deliverance *Passover Haggadah* Nathan Goldberg,1966
