Half Free:

Half Slave Half Free David Manning, 2013-02-19 Two homeless beggars meet on the streets of New York in the winter of 1870 One is a handicapped Irish Civil War veteran with a low self esteem trying to find something in life to hang on to the other a confident well educated former slave trying to make the most of his considerable potential as an accomplished chef An exploration of the two men s lives is augmented by images brought to life through the magic of the ex slave s cooking During the course of this exploration and subsequent events it becomes apparent that the veteran has emerged from the war half slave and the slave only half free Rather than a historic drama the play comments on the present often in humorous or absurd tones through parallels between the 1870s and current issues homelessness growing extremes of wealth and poverty corporate greed a recent controversial war and racial ethnic prejudices **Half Slave and Half Free, Revised Edition** Bruce Levine, 2005-05-11 Revised Edition With a New Preface and Afterword In a revised edition brought completely up to date with a new preface and afterword and an expanded bibliography Bruce Levine s succinct and persuasive treatment of the basic issues that precipitated the Civil War is as compelling as ever Levine explores the far reaching divisive changes in American life that came with the incomplete Revolution of 1776 and the development of two distinct social systems one based on slavery the other on free labor changes out of which the Civil War developed There Shall be No Needy Jill Jacobs, 2009 Confront the most pressing issues of twenty first century America in this fascinating book which brings together classical Jewish sources contemporary policy debate and real life stories *The Investor's Monthly Manual* , 1925 Ancient Laws of Ireland , 1869 *Proceedings of the Grand Lodge of Free and Accepted Masons of the District of Columbia* Freemasons. Grand Lodge of the District of Columbia, 1907 **Emancipating Slaves, Enslaving Free Men** Jeffrey Hummel, 2013-12-10 Combines a sweeping narrative history of the Civil War with a bold new look at the war s significance for American society Professor Hummel sees the Civil War as America s turning point simultaneously the culmination and repudiation of the American revolution A unique feature of the book is the bibliographical essays which follow every chapter Here the author surveys the literature and points out where his own interpretation fits into the continuing clash of viewpoints which informs historical debate on the Civil War Discourse on Free Will Desiderius Erasmus, 2005-03-04 Comprising Erasmus s The Free Will and Luther s response The Bondage of the Will Discourse on Free Will is a landmark text in the history of theology and philosophy As Erasmus s humanist vision is contrasted with Luther s notion of freedom dictated by the grace of God we can see the beginning of the debates that to this day separate the secular and the religious Tractates Gittin and Nazir Heinrich W. Guggenheimer, 2012-02-13 The ninth volume of this edition translation and commentary of the Jerusalem Talmud contains two Tractates The first Tractate Documents treats divorce law and principles of agency when written documents are required Collateral topics are the rules for documents of manumission those for sealed documents whose contents may be hidden from witnesses the rules by which the divorced wife can collect the moneys due her the requirement that both

divorcer and divorcee be of sound mind and the rules of conditional divorce The second Tractate Nazirites describes the Nasirean vow and is the main rabbinic source about the impurity of the dead As in all volumes of this edition a Sephardic rabbinic vocalized text is presented with parallel texts used as source of variant readings A new translation is accompanied by an extensive commentary explaining the rabbinic background of all statements and noting Talmudic and related parallels Attention is drawn to the extensive Babylonization of the Gi in text compared to genizah texts *The Philippines - Past and Present (Vol. 1&2)* Dean C.
