in the business But I hope I communicate my passion for the sport in a way no other announcer does I ll say it again Passion Because that s what this book is about In these pages I want to tell you about the passion that first led me to bet everything on this sport of ours way back when MMA was outlawed in half the country and there wasn t a dime to be made on it I want to tell you how that passion all started with my larger than life father a former Marine Drill Sergeant who by the time I was ten had taught me to play poker and blackjack field strip a Luger pistol blindfolded and recite poetry He was a man who thought nothing of confronting a group of thugs armed with nothing but his fists and who expected the same strength and honor from his sons I want to take you inside the incredible brotherhood that makes up the UFC as nobody ever has before to tell you about the bond we all share and the crazy times I ve had over the years with guys like Randy Couture Tito Ortiz Chuck Liddell BJ Penn and Jon Bones Jones I want to give you my Octagon side insights on many of the big fights you remember and just maybe to tell you about a few memorable fights that took place outside of the octagon too from my own sparring match with a youngster named Royce Gracie back before the phrase Mixed Martial Arts even existed to some other brawls you might ve heard about And I want to tell you about the remarkable late life meeting with the celebrity brother I never knew I had a brother whose existence my parents had never once breathed a word about that helped inspire me to chase my own dreams of standing up in the Octagon Surprising stuff from the guy in the fancy tux right And that s just the start There s a lot you don t know about me yet And now IT S TIME I told you
