Kantian Ethics Almost Without Apology

Forrest Baird

Kantian Ethics Almost Without Apology:

Kantian Ethics Almost Without Apology Marcia Baron, 1995 1 Kantian Ethics and the Supererogatory 2 Minimal Morality Moral Excellence and the Supererogatory 3 Latitude in Kant's Imperfect Duties 4 Is Acting from Duty Morally Repugnant 5 Kant on Acting from Duty 6 Sympathy and Coldness in Kant's Ethics Kantian Ethics Almost without Apology Marcia W. Baron, 2018-10-18 A reappraisal on the emphasis on duty in Immanuel Kant's ethics is long overdue Marcia W. Baron evaluates and for the most part defends Kantian ethics against two frequent criticisms that duty plays too large a role leaving no room for the supererogatory and that Kant places too much value on acting from duty The author first argues that Kant's distinction between perfect and imperfect duties provides a plausible and intriguing alternative to contemporary approaches to charity self sacrifice heroism and saintliness She probes the differences between the supererogationist and the Kantian exploring the motivation between the former's position and bringing to light sharply divided views on the nature of moral constraint and excellence Baron then confronts problems associated with Kant's account of moral motivation she argues that the value that Kant attaches to acting from duty attaches primarily to governing one's conduct by a commitment to doing what morality asks Thus understood Kant's ethics steers clear of the most serious criticism Of special interest is her discussion of overdetermination Clearly written and cogently argued *Kantian Ethics Almost without Apology* takes on the most philosophically intriguing challenges to Kantian ethics and subjects them to a rigorous yet sympathetic assessment Readers will find here original contributions to the debate over impartial morality Kantian Ethics, Dignity and Perfection Paul Formosa, 2017-08-10 In this volume Paul Formosa sets out a novel approach to Kantian ethics as an ethics of dignity by focusing on the Formula of Humanity as a normative principle distinct from the Formula of Universal Law By situating the Kantian conception of dignity within the wider literature on dignity he develops an important distinction between status dignity which all rational agents have and achievement dignity which all rational agents should aspire to He then explores constructivist and realist views on the foundation of the dignity of rational agents before developing a compelling account of who does and does not have status dignity and of what kind of achievement dignity or virtue we as vulnerable rational agents can and should strive for His study will be highly valuable for those interested in Kant's ethical moral and political philosophies **Kant's Groundwork of the Metaphysics of Morals** Paul Guyer, 2000-01-01 Kant's *Groundwork of the Metaphysics of Morals* is one of the most important works in modern moral philosophy This collection of essays the first of its kind in nearly thirty years introduces the reader to some of the most important studies of the book from the past two decades arranged in the form of a collective commentary **Kant's Theory of Emotion** D. Williamson, 2015-04-01 Williamson explains defends and applies Kant's theory of emotion Looking primarily to the Anthropology and the *Metaphysics of Morals* she situates Kant's theory of affect within his theory of feeling and focuses on the importance of moral feelings and the moral evaluation of our emotions **Kantian Ethics and Economics** Mark White, 2011-05-17 This book integrates the moral

philosophy of Immanuel Kant particularly the concepts of autonomy dignity and character into economic theory enriching models of individual choice and policymaking while contributing to our understanding of how the economic individual fits into society

Reading Onora O'Neill David Archard, Monique Deveaux, Neil Manson, Daniel Weinstock, 2013-07-24 Onora O'Neill is one of the foremost moral philosophers writing today Her work on ethics and bioethics political philosophy and the philosophy of Kant is extremely influential Her landmark Reith Lectures on trust did much to establish the subject not only on the philosophical and political agenda but in the world of media business and law more widely Reading Onora O'Neill is the first book to examine and critically appraise the work of this important thinker It includes specially commissioned chapters by leading international philosophers in ethics Kantian philosophy and political philosophy The following aspects of O'Neill's work are examined global justice Kant the ethics of the family bioethics consent trust Featuring a substantial reply to her critics at the end of the book Reading Onora O'Neill is essential reading for students and scholars of ethics and political philosophy

Kant's Doctrine of Right in the Twenty-first Century Larry Krasnoff, Nuria Sánchez Madrid, Paula Satne, 2018-02-15 For a very long time Kant's Doctrine of Right languished in relative neglect even among those who wanted to defend a Kantian position in political philosophy Kant's more interesting claims about politics were often said to be located elsewhere This anthology examines a wide range of issues discussed by Kant in the Doctrine of Right and other closely related texts including his views on social contract theory private property human rights welfare and equality civil disobedience perpetual peace forgiveness and punishment and marriage equality The authors have all tested Kant's arguments for possible political application reaching different and sometimes opposing conclusions The result is a highly original volume that not only enhances the understanding of Kant's political philosophy but also invites substantive debate within the Kantian tradition and beyond

Philosophic Classics: From Plato to Derrida Forrest Baird, 2016-05-23 First published in 1961 Forrest E Baird's revision of Philosophic Classics continues the tradition of providing generations of students with high quality course material Using the complete works or where appropriate complete sections of works this anthology allows philosophers to speak directly to students Esteemed for providing the best available translations Philosophic Classics From Plato to Derrida features complete works or complete sections of the most important works by the major thinkers as well as shorter samples from transitional thinkers

Duty, Virtue and Practical Reason in Kant's Metaphysics of Morals Vicente De Haro Romo, 2015-08-01 The Metaphysical Principles of the Doctrine of Virtue *Metaphysische Anfangsgründe der Tugendlehre* is the second part of the Metaphysics of Morals *Metaphysik der Sitten* published by Kant in 1797 This monographic study comments Kant's Tugendlehre as a refutation of the formalist vision of Kant's Ethics This late writing is shown as consistent with the moral philosophy already presented in the Groundwork and the second Critique The Doctrine of Virtue offers Kant's application of the categorical imperative and acknowledges the conditions of moral motivation and in general of human agency Kant's derivation of duties of virtue *Tugendpflichten* is

attentive to the fundamental characteristics of human nature therefore it generates a system of ends that reason itself shows to be obligatory for the human faculty of choice This book shows that Kant's Doctrine of Virtue is worthy of being taken into a greater philosophical consideration The Metaphysical Principles of the Doctrine of Virtue *Metaphysische Anfangsgründe der Tugendlehre* is the second part of the *Metaphysics of Morals* *Metaphysik der Sitten* published by Kant in 1797 This monographic study comments Kant's Tugendlehre as a refutation of the formalist vision of Kant's Ethics This late writing is shown as consistent with the moral philosophy already presented in the Groundwork and the second Critique The Doctrine of Virtue offers Kant's application of the categorical imperative and acknowledges the conditions of moral motivation and in general of human agency Kant's derivation of duties of virtue Tugendpflichten is attentive to the fundamental characteristics of human nature therefore it generates a system of ends that reason itself shows to be obligatory for the human faculty of choice This book shows that Kant's Doctrine of Virtue is worthy of being taken into a greater philosophical consideration

A Companion to Kant Graham Bird, 2009-11-09 This Companion provides an authoritative survey of the whole range of Kant's work giving readers an idea of its immense scope its extraordinary achievement and its continuing ability to generate philosophical interest Written by an international cast of scholars Covers all the major works of the critical philosophy as well as the pre critical works Subjects covered range from mathematics and philosophy of science through epistemology and metaphysics to moral and political philosophy [The Faculties of the Human Mind and the Case of Moral Feeling in Kant's Philosophy](#) Antonino Falduto, 2014-04-02 In the past few decades a remarkable change occurred in Kant scholarship the other Kant has been discovered i.e. the one of the doctrine of virtue and the anthropology Through the rediscovery of Kant's investigations into the empirical and sensuous aspects of knowledge our understanding of Kant's philosophy has been enriched by an important element that has allowed researchers to correct supposed deficiencies in Kant's work In addition further questions concerning the nature of Kant's philosophy itself have been formulated the more the other Kant comes to the fore the stronger the question concerning the connection between pure philosophy and empirical investigation becomes The aim of this study is to show that the psychological and anthropological interpretations of Kant's pure philosophy are not convincing and at the same time to illustrate some connections between his critical and anthropological investigations by means of an analysis of the theory of the faculties Against both a transcendental psychological and an anthropological reading the book presents Kant's theory of the faculties as a constitutive part of his critical philosophy and shows that there is a close connection between Kant's pure philosophy and his moral aesthetic **Happiness in Kant's Practical Philosophy** Alice Pinheiro Walla, 2024-04-08 Happiness in Kant's Practical Philosophy Morality Indirect Duties and Welfare Rights examines the role and normative implications of Kant's understanding of happiness for his moral political and legal philosophy Kant's underlying assumptions about happiness are rarely overtly discussed or given much detail in his works By bringing these assumptions to the fore Alice Pinheiro Walla sheds light on some puzzling claims and on the scattered

sometimes contradictory remarks Kant makes about happiness The book shows that happiness shapes or indirectly influences Kant's methodology and many of his conclusions including his views on the nature of practical rationality meta ethics the role of the state and of political justification The challenge with happiness is that it is impossible to know for certain what will make us happy and what we take to be happiness changes over our lifetime The book argues that Kant offers a distinctive strategy for dealing with this indeterminacy of happiness one rooted in understanding our duties to ourselves and others Happiness in Kant's Practical Philosophy provides a map of the areas in which the concept of happiness or considerations about the happiness of individuals appear in Kant's practical works and analyses the way they relate to central themes of his practical theory

Kant's Metaphysics of Morals Mark Timmons, 2002-03-07 Studies of Kant's moral and political philosophy have increasingly focused on his last major work in ethics The Metaphysics of Morals This work is here discussed in seventeen essays by leading contemporary Kant scholars most of them specially written for this volume They cover a broad range of topics including Kant's views on rights punishment contract practical reasoning revolution freedom virtue legislation happiness moral judgement love respect duties to oneself and motivation This is the only book devoted entirely to The Metaphysics of Morals and is not just a landmark in Kant studies but also a significant contribution to contemporary moral and political philosophy

Kant and the Faculty of Feeling Kelly Sorensen, Diane Williamson, 2018-03-15 Kant stated that there are three mental faculties cognition feeling and desire The faculty of feeling has received the least scholarly attention despite its importance in Kant's broader thought and this volume of new essays is the first to present multiple perspectives on a number of important questions about it Why does Kant come to believe that feeling must be described as a separate faculty What is the relationship between feeling and cognition on the one hand and desire on the other What is the nature of feeling What do the most discussed Kantian feelings such as respect and sublimity tell us about the nature of feeling for Kant And what about other important feelings that have been overlooked or mischaracterized by commentators such as enthusiasm and hope This collaborative and authoritative volume will appeal to Kant scholars historians of philosophy and those working on topics in ethics aesthetics and emotions

Virtue, Rules, and Justice Thomas E. Hill, 2012-05-31 Thomas E Hill Jr interprets and extends Kant's moral theory in a series of essays that highlight its relevance to contemporary ethics He introduces the major themes of Kantian ethics and explores its practical application to questions about revolution prison reform and forcible interventions in other countries for humanitarian purposes

Kant's Human Being Robert B. Louden, 2011-07-25 In Kant's Human Being Robert B Louden continues and deepens avenues of research first initiated in his highly acclaimed book Kant's Impure Ethics Drawing on a wide variety of both published and unpublished works spanning all periods of Kant's extensive writing career Louden here focuses on Kant's under appreciated empirical work on human nature with particular attention to the connections between this body of work and his much discussed ethical theory Kant repeatedly claimed that the question What is the human being is philosophy's most fundamental question one

that encompasses all others Louden analyzes and evaluates Kant's own answer to his question showing how it differs from other accounts of human nature This collection of twelve essays is divided into three parts In Part One Human Virtues Louden explores the nature and role of virtue in Kant's ethical theory showing how the conception of human nature behind Kant's virtue theory results in a virtue ethics that is decidedly different from more familiar Aristotelian virtue ethics programs In Part Two Ethics and Anthropology he uncovers the dominant moral message in Kant's anthropological investigations drawing new connections between Kant's work on human nature and his ethics Finally in Part Three Extensions of Anthropology Louden explores specific aspects of Kant's theory of human nature developed outside of his anthropology lectures in his works on religion geography education and aesthetics and shows how these writings substantially amplify his account of human beings Kant's Human Being offers a detailed and multifaceted investigation of the question that Kant held to be the most important of all and will be of interest not only to philosophers but also to all who are concerned with the study of human nature

The Cambridge Companion to Kant and Modern Philosophy Paul Guyer, 2006-01-30 The philosophy of Immanuel Kant is the watershed of modern thought which irrevocably changed the landscape of the field and prepared the way for all the significant philosophical movements of the nineteenth and twentieth centuries This 2006 volume which complements *The Cambridge Companion to Kant* covers every aspect of Kant's philosophy with a particular focus on his moral and political philosophy It also provides detailed coverage of Kant's historical context and of the enormous impact and influence that his work has had on the subsequent history of philosophy The bibliography also offers extensive and organized coverage of both classical and recent books on Kant This volume thus provides the broadest and deepest introduction currently available on Kant and his place in modern philosophy making accessible the philosophical enterprise of Kant to those coming to his work for the first time

[Kant](#) Paul Guyer, 2006-09-27 In this outstanding introduction Paul Guyer uses Kant's central conception of autonomy as the key to all the major aspects and issues of Kant's thought Beginning with a helpful overview of Kant's life and times Guyer introduces Kant's metaphysics and epistemology carefully explaining his arguments about the nature of space time and experience in his most influential but difficult work *The Critique of Pure Reason* He offers an explanation and critique of Kant's famous theory of transcendental idealism and shows how much of Kant's philosophy is independent of this controversial doctrine He then examines Kant's moral philosophy his celebrated Categorical imperative and his theories of duty freedom of will and political rights Finally he covers Kant's aesthetics in particular his arguments about the nature of beauty and the sublime and their relation to human freedom and happiness He also considers Kant's view that the development of human autonomy is the only goal that we can conceive for both natural and human history

Kantian Moral Theory And The Destruction Of The Self Sandra Jane Fairbanks, 2019-03-01 This book explains Kantian morality against an interrelated set of criticisms that constitute the most influential contemporary critique of Kantian morality It demonstrates that a theory which emphasizes the guidance of

impartial moral principles does not threaten a person's feelings of attachment

Kantian Ethics Almost Without Apology Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Kantian Ethics Almost Without Apology PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Kantian Ethics Almost Without Apology PDF books and manuals is

convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Kantian Ethics Almost Without Apology free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Kantian Ethics Almost Without Apology Books

1. Where can I buy Kantian Ethics Almost Without Apology books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Kantian Ethics Almost Without Apology book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
