and fruit strawberries beans etc This ebook has come out as a sort of accompaniment to the audiobook and the actualbook because in truth if you stop and think about it for ten seconds this is the way that the book industry is going and we all have to accept that and try and get on with it I suppose if we re being honest with ourselves it s probably nicer to have the actualbook in our hands or on our shelves or in a bag full of other books and unwanted clothes to take to the charity shop but increasingly words are found on memory sticks and we have adapt to this and stop looking for people to blame In case you haven t had the pleasure of fondling the book itself you should know that it weighs about three quarters of a kilo has a photo of Key stood on the cover and is the sort of size that would fit into almost all handbags and almost no purses or pockets
