The Genesis of God Thomas J. J. Altizer, 1993-04-15 Thomas Altizer one of America s premier theologians searches for a proper understanding of the Christian God which he believes can only be explicated when the question of origin is raised He begins with an investigation of Hegelian thinking develops his insights in dialogue with such thinkers as Augustine and Nietzsche and then focuses on notions generated by the Christian epic poetry of Dante Milton and Blake By explicating the absolute origin of God that only Christianity knows Altizer discloses the origin of a uniquely Christian freedom while also touching upon such important themes as predestination the fall evil and eternity

The Tragedy of Political Theory J. Peter Euben, 1990-05-16 In this book J Peter Euben argues that Greek tragedy was the context for classical political theory and that such theory read in terms of tragedy provides a ground for

contemporary theorizing alert to the concerns of post modernism such as normalization the dominance of humanism and the status of theory Euben shows how ancient Greek theater offered a place and occasion for reflection on the democratic culture it helped constitute in part by confronting the audience with the otherwise unacknowledged principles of social exclusion that sustained its community Euben makes his argument through a series of comparisons between three dramas Aeschylus Oresteia Sophocles Oedipus Tyrannos and Euripides Bacchae and three works of classical political theory Thucydides History and Plato's Apology of Socrates and Republic on the issues of justice identity and corruption He brings his discussion to a contemporary American setting in a concluding chapter on Thomas Pynchon's The Crying of Lot 49 in which the road from Argos to Athens built to differentiate a human domain from the undefined outside has become a Los Angeles freeway desecrating the land and its people in a predatory urban sprawl

How To Do Things With Tears Paul

Delnero, 2020-08-10 In contrast to other traditions cultic laments in Mesopotamia were not performed in response to a tragic event such as a death or a disaster but instead as a preemptive ritual to avert possible catastrophes Mesopotamian laments provide a unique insight into the relationship between humankind and the gods and their study sheds light on the nature of collective rituals within a crosscultural context Cultic laments were performed in Mesopotamia for nearly 3000 years This book provides a comprehensive overview of this important ritual practice in the early 2nd millennium BCE the period during which Sumerian laments were first put in writing It also includes a new translation and critical edition of Uruamairabi That city which has been plundered one of the most widely performed compositions of its genre

Jewish Drama & Theatre Eli

Rozik, 2013-07-01 Jewish drama and theatre has followed a tortuous path from extreme rabbinical intolerance to eventual secular liberalism with its openness to the heritages of both Judaism as a culture and prominent foreign cultures to the extent of multicultural integration No wonder therefore that since biblical times until the seventeenth century there are only examples of tangential theatre practices This initial intolerance shared by the Church was rooted in pagan connotations of theatre rather than in the neutral nature of the theatre medium capable of formulating and communicating contrasting thoughts Whereas by the tenth century the Church understood that theatre could be harnessed to its own ends Jewish theatre was only created seven centuries later through spontaneous and amateurish theatrical practices such as the Yiddish purim shpil and the purim rabbi Due to their carnivalesque and cathartic nature these practices were tolerated by the rabbinical establishment albeit only during the Purim holiday But as a result Jewish drama and theatre were created and emerged despite rabbinical antagonism Under the influence of the Jewish Enlightenment Yiddish speaking theatres were increasingly established a trend that became central in the cultural enterprise of the Jews in Israel This process involved a renewed use of Hebrew as a spoken language and the transition from a profound religious identity to a secular Jewish one characterised by a basic liberalism to the extent of openness to cultures traditionally perceived as archetypal enemies of Judaism This book sets out to analyse play scripts and performance texts produced in the Israeli theatre in order to illustrate

these trends and concludes that only a liberal society can bring about the full realisation of theatre's potentialities ACT Premier 2016-2017 with 8 Practice Tests Kaplan Test Prep, 2016-03-01 Kaplan Test Prep is the Official Partner for Live Online Prep for the ACT For more information visit kaptest.com onlinepreplive Kaplan's comprehensive ACT program provides proven test taking strategies realistic practice tests in depth guided practice video tutorials and access to an online center so that you can score higher on the ACT College becomes more competitive and costly each year making a high score on the ACT essential A high ACT score sets you apart from the competition and opens up scholarship opportunities Kaplan understands how important it is for you to do well on the ACT and make your college dreams a reality In fact we help more than 95% of our students get into their top choice school every year and we want to help you ACT Premier 2016 2017 is an unique resource that covers every concept on the test and provides you with the additional practice you need both in the book and online This comprehensive study guide includes Realistic Practice eight full length practice tests with detailed answer explanations 3 in the book 5 online Online Center online practice tests quizzes and videos to help guide your study SmartPoints a Kaplan exclusive strategy that identifies the most popular topics and question types on the exam allowing you to focus your time appropriately and earn the most points on Test Day Scoring and Analysis for 1 Official ACT Test Perfect Score Tips advice and strategies from students who got a perfect score and top ACT instructors Video Tutorials Kaplan's best tutors review the most important concepts in short video tutorials When you study with ACT Premier 2016 2017 you will score higher on Test Day **Michigan School Moderator**, 1889 Rene Girard, Law, Literature, and Cinema Eric M. Wilson, 2024-04-05 This book is the first monograph to critically evaluate the work of the literary scholar Ren Girard from the perspectives of Law and Literature and Law and Film Studies two of the most multidisciplinary branches of critical legal theory The central thesis is that Girard's theory of the scapegoat mechanism provides a wholly new and original means of re conceptualizing the nature of judicial modernity which is the belief that modern Law constitutes an internally coherent and exclusively secular form of rationality The book argues that it is the archaic scapegoat mechanism the reconciliation of the community through the direction of unified violence against a single victim that actually works best in explaining all of the outstanding issues of Law and Literature in both of its sub forms law as literature the analysis of legal language and practice exemplified by literacy texts and law in literature the exploration of issues in legal theory through the fictitious form of the novel The book will provide readers with i a useful introduction to the most important elements of the work of Ren Girard ii a greater awareness of the hidden nature of legal culture and reasoning within a post secular age and iii a new understanding of the subversive or enlightening nature of some of the most iconic works on Law in both Literature and Cinema media which by their nature allow for the expression of truths repressed by formal legal discourse Brill's Companion to Sophocles Andreas Markantonatos, 2015-03-20 Brill's Companion to Sophocles offers 32 specially commissioned essays from leading international scholars which give critical examinations of the progress and direction of numerous wide ranging debates about

various aspects of Sophoclean drama Each chapter offers an authoritative and state of the art survey of current thinking and research in a particular subject area as well as covering a wide variety of thematic angles Recent advances in scholarship have raised new questions about Sophocles and Greek tragedy and have overturned some long standing assumptions Besides presenting a comprehensive and authoritative guide to understanding Sophocles this companion provides scholars and students with compelling fresh perspectives upon a broad range of issues in the field of Sophoclean studies Kaplan ACT Kaplan,2005-12 Powerful Practical tools to help you score higher plus a CD Rom **S. 356--Language of Government Act of 1995** United States. Congress. Senate. Committee on Governmental Affairs,1996 Distributed to some depository libraries in microfiche **Dionysiac Poetics and Euripides' Bacchae** Charles Segal,2021-01-12 In his play Bacchae Euripides chooses as his central figure the god who crosses the boundaries among god man and beast between reality and imagination and between art and madness In so doing he explores what in tragedy is able to reach beyond the social ritual and historical context from which tragedy itself rises Charles Segal s reading of Euripides Bacchae builds gradually from concrete details of cult setting and imagery to the work s implications for the nature of myth language and theater This volume presents the argument that the Dionysiac poetics of the play characterize a world view and an art form that can admit logical contradictions and hold them in suspension Kaplan ACT Premier 2016 with 8 Practice Tests Kaplan,2015-06-02 Kaplan s comprehensive ACT study program provides proven test taking strategies realistic practice tests and practice questions in depth guided practice video tutorials and an online center so that you can score higher on the ACT guaranteed College is becoming more competitive and costly each year making a high score on the ACT essential A high ACT score sets a student apart from the competition and opens up more scholarship opportunities Kaplan understands how important it is for you to do well on the ACT and make your college dreams a reality Kaplan s ACT Premier 2016 with extra online practice is completely updated for the revised ACT and is an unique resource that covers every concept tested In addition we make your study easy by providing the material in two formats book and online This comprehensive study guide includes Realistic Practice eight full length practice tests with detailed answer explanations SmartPoints a Kaplan exclusive strategy that identifies the most popular topics and question types on the exam allowing you to focus your time appropriately and earn the most points on Test Day Perfect Score Tips advice and strategies from students who got a perfect score and top ACT instructors Online Center online quizzes video tutorial practice tests an adaptive learning experience flashcards and more to help you study Fast Fact Videos Kaplan s best tutors review the most important concepts from each chapter in short video tutorials When you study with Kaplan s ACT Premier 2016 you will score higher on Test Day guaranteed
