Essentials Of Evangelical Theology Vol I God Authority Salvation:

Essentials of Evangelical Theology- Vol. 1 Donald G. Bloesch, Essentials of Evangelical Theology, Volume 1 Donald G. Bloesch, 1982-02-02 Deals with contemporary evangelical issues including preaching heaven and hell and the personal return of Christ balancing traditional doctrine and Biblical interpretation with the Christian need to promote evangelical unity Essentials of Evangelical Theology. Volume 1 Donald G. Bloesch, 1982 *Essentials of Evangelical Theology* Donald G. Bloesch, 1978 *God, Revelation and Authority* Carl F. H. Henry, 1999 Part 5 in a monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done God, Revelation and Authority : God Who Stands and Stays (Vol. 5) Carl F. H. Henry, 1999-01-25 Part 5 in a monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done **God, Revelation and Authority (Set of 6)** Carl F. H. Henry, 1999-01-25 A monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done *Approaching the World's Religions, Volume 1* Robert Boyd, 2017-05-04 Philosophically Thinking about World Religions is different from other works in the discipline today It deviates from the typical approaches used for the study of world religions Its goal is to engage readers in thinking hard about world religions not about the data surrounding those traditions By focusing on philosophical questions each reader should be challenged to do their own investigations that may reveal the heart of these traditions Another stance that this project takes that distinguishes it from other texts in the discipline is that it advocates an inclusivist perspective regarding the world religions Pluralism which is the predominate assumption today ends either in contradiction or in the development of a metatheory that dismisses crucial distinctions between the various traditions or eliminates some ancient religions because they do not fit the metatheory By taking an open inclusivist approach all religious traditions may engage at the table of dialogue The final essay is about justice and social affairs While that discussion is couched within the context of a particular tradition each religious tradition must have the discussion But it must be more than an intrareligious dialogue it must become an interreligious dialogue *God's Foreknowledge and Man's Free Will* Richard Rice, 2004-01-27 This book is a thought provoking study of some issues concerning the historic Calvinist Arminian debate Does God know absolutely everything that s going to happen Can He foresee future moral choices and actions which have not yet been made If one s future responses and behavior are totally foreknowable is she truly free Dr Richard Rice explores these and other fascinating questions which have sometimes divided Christians The author gives new perspective on one of the most fundamental issues of the Christian faith the relationship of God to His creation and the reality and extent of human freedom Carefully scrutinizing the Scriptures on this subject the author challenges the reader to examine for himself this critical issue of theology With strong theological background and sound biblical scholarship Dr Rice presents his viewpoint in a convincing and readable style

Hermeneutics, Authority, and Canon D. A. Carson, John Woodbridge, 2005-03-09 Among the many recent discussions of the nature and authority of Scripture I would judge this to be one of the most valuable. Particularly in those essays that deal with the actual phenomena of the text of Scripture it displays a level of sophistication and of sympathetic awareness of alternative views that has too often been lacking. In contrast to the backs to the wall tone of some conservative defenses of inerrancy these authors write for the most part with the confidence of those who have a coherent and well grounded position to offer. The volume will I believe both help to commend Evangelical doctrine to those who suspect it of blind obscurantism and also contribute significantly to mutual understanding among Evangelicals who are too ready to polarize over their different assessments of what it means to honor Scripture as the Word of God. R. T. France, Vice Principal, London Bible College. These thought minded essays are the channel through which conservative scholars must steer for competent interaction with current critical theories for helpful direction in focusing the battle over Scripture and for reflection of conflict areas that Evangelicals must themselves resolve. This work rises above the shallow shadow boxing over inerrancy and engages central concerns with academic ability and dignity. It puts on the agenda issues that Evangelical leaders must now wrestle. Does the Bible contain different kinds of truth? Is all divine revelation rational? Is the canon really post apostolic? No reader will agree with all that is said, some will loudly disagree here and there. But all students will be stimulated and serious readers edified at the frontiers of current debate. Carl F. H. Henry, Lecturer at Large, World Vision.

What the Bible Says About God the Ruler Jack Cottrell, 2000-10-24 see cover

The Search for Ultimate Reality Dan Lioy, 2005 In analyzing the intertextuality between the Genesis and Johannine Prologues Dr Lioy maintains that both passages utilize polemical theology to refute distorted views of ultimate reality. Furthermore he theorizes that the author of the Johannine Prologue deliberately reflected the structure and themes found in the Genesis Prologue to emphasize that the God man Jesus Christ created all things and is a new spiritual beginning for all who believe in Him. Ultimate reality is found through faith in the Son.

Anglo-american Postmodernity Nancey Murphy, 2018-02-19 The term postmodern is generally used to refer to current work in philosophy, literary criticism and feminist thought inspired by Continental thinkers such as Friedrich Nietzsche and Jacques Derrida. In this book Nancey Murphy appropriates the term to describe emerging patterns in Anglo American thought and to indicate their radical break from the thought patterns of Enlightened modernity. The book examines the shift from modern to postmodern in three areas: epistemology, philosophy of language and metaphysics. Murphy contends that whole clusters of terms in each of these disciplines have taken on new uses in the past fifty years and that these changes have radical consequences for all areas of academia, especially philosophy of science, philosophy of religion and ethics.

Engaging Deconstructive Theology Ronald T. Michener, 2016-04-29 Engaging Deconstructive Theology presents an evangelical approach for theological conversation with postmodern thinkers. Themes are considered from Derrida, Foucault, Mark C. Taylor, Rorty and Cupitt developing dialogue from an open minded evangelical perspective. Ron Michener draws upon insights

from radical postmodern thought and seeks to advance an apologetic approach to the Christian faith that acknowledges a mosaic of human sources including experience literature and the imagination

On the Resurrection, Volume 3 Gary Habermas, 2025-05-15 In the third volume of his magnum opus Gary R Habermas identifies collects and summarizes hundreds of scholarly treatments related to the resurrection On the Resurrection Volume 3 Scholarly Perspectives offers a thorough lay of the land for anyone wanting to pursue an in depth study of Jesus of Nazareth s resurrection

Reformed Reader George Stroup, 2002-02-01 This volume demonstrates a central conviction of the Reformed tradition that theology must honor the historic witness of the church as catholic while being faithful to the new tasks of the present day church It offers selections from Reformed theology creeds confessions and church documents of the nineteenth and twentieth centuries

Looking in the Other Direction Teun van der Leer, 2023-09-22 In this study Teun van der Leer tells the story of the Believers Church Tradition a tradition mainly rooted in the so called Radical Reformation which prefers to be called a movement or rather a renewal movement Its name is a program a vision and a way of being church Based on extensive source research this book describes and analyzes the defining characteristics of this so called third type of church and investigates its ecumenical value With an extensive description of its nature of faith the church hermeneutical discernment and mission this book colors a movement within the church landscape that has never been mapped in such detail before As such the book provides an in depth introduction to this ecumenically important but still a bit underexposed movement and makes a substantial contribution to the ecumenical ecclesiological debate about the church and its future

1-3 John Robert W. Yarbrough, 2008-11 A respected New Testament scholar offers a substantive commentary on the letters of John in the award winning BECNT series

The Doctrine of the Covenant of Redemption According to John Gill (1697-1771) Wang Yong Lee, 2025-02-11 What is the doctrine of the covenant of redemption Why does John Gill 1697 1771 an English Baptist pastor and theologian regard this doctrine as the kernel in his systematic theology This book explicates how core theological doctrines in the Bible e g the doctrine of God the Trinity Christology and soteriology are integrated in the doctrine of the covenant of redemption from the biblical and theological perspective of John Gill From his long pastoral experience and over fifty years of rich writing Gill demonstrates that a careful investigation of the Bible and of God the Trinity makes him love the reality of the covenant of redemption in eternity which is ultimately revealed by the gospel of Jesus Christ Gill sees those who are in the gospel of Jesus Christ as the ones through whom the eternal reality of the covenant of redemption is manifested to the saved Gill also encourages those who are in Christ to see the eternal reality of the covenant of redemption revealed by the gospel of Jesus Christ

Revelation, Truth, Canon and Interpretation Craig D. Allert, 2015-12-22 This volume treats the concepts of revelation truth canon and interpretation as four pillars of early Christian theology Using Justin Martyr as a case study his Dialogue with Trypho is examined with a view toward discerning how a second century Christian father understands and develops these concepts Justin s intellectual background is discussed

within the nuanced context of Middle Platonism Particular attention is paid to his use of biblical sources which is grounded in the foundational chapter on revelation in Justin Justin is placed within the wider context of theological developments in pre Nicene Christianity and includes a warning against judging Justin by anachronistic post Nicene developments
