Glajar, D. Radulescu, 2008-04-28 This book traces representations of Gypsies that have become prevalent in the European imagination and culture and influenced the perceptions of Roma in Eastern and Western European societies

Gypsies and Other Itinerant Groups Leo Lucassen, Wim Willems, Anne-Marie Cottaar, 2015-12-30 In this volume the authors present an alternative approach to the history of gypsies and travelling groups in western Europe By focusing on processes of social construction stigmatization and categorization they offer new insights into the development of government policies towards itinerants in general and the ethnicization of some of these groups in particular They analyze

the western images and representations of gypsies and other itinerant groups at the same time focusing on their functions for the labour market By doing so they add a new chapter to the field of social history

Common Culture and the Ideology of Difference in Medieval and Contemporary Poland Teresa Pac,2022-02-10 Teresa Pac provides a much needed contribution to the discussion on shared culture as foundational to societal survival Through the examination of common culture as a process in medieval Krak w Poznan and Lublin Pac challenges the ideology of difference institutional religious ethnic and nationalistic Similarly Pac maintains twenty first century Polish leaders utilize anachronistic approaches in the invention of Polish Catholic identity to counteract the country s increasing ethnic and religious diversity As in the medieval period contemporary Polish political and social elites subscribe to the European Union s ideology of difference legitimized by a European Christian heritage and its intended basis for discrimination against non Christians and non white individuals under the auspices of democratic values and minority rights among which Muslims are a significant target

Ethnic Conflict in the Post-Soviet World: Case Studies and Analysis Leokadia Drobizheva,Rose Gottemoeller,Catherine McArdle Kelleher, Lee Walker,2015-04-08 Presents 16 case studies of ethnic conflict in the post Soviet world The book places ethnic conflict in the context of imperial collapse democratization and state building

Outsiders Panikos Panayi,1998-07-01 The oppression of minorities has been a theme in the history of Europe It has been a cause of dispute over territory often resulting in war With nation states demanding undivided loyalty of its citizens there has been discrimination and racism which has often led to persecution at its most extreme in the Nazi crusade against the Jews This is a history of European minority communities It deals with the dispersed minorities the Jews and the gypsies as well as the muslims of the Balkans and the diaspora of Germans in eastern Europe from the Middle Ages to 1945 Almost all countries have disadvantaged ethnic and linguistic minorities whether minorities without their own states such as the Breton Scots Vlachs and Kurds or those such as the Russians in Estonia or the Greeks in Turkey who form linguistic groups different from the native majorities During wars the existence of alien communities often led to persecution in turn bringing huge refugee migrations The result has been the resettlement of European populations Since World War II the demand for cheap labour has led to an influx of immigrants from outside Europe This followed a wave in which workers from the poor Mediterranean countries travelled north to industrial heartlands Although all EEC countries now operate strict controls on immigrants there is pressure from the east following the fall of Communism and from the Third World where birth rates outstrip that of Europe The existence of this pressure is a determinant of Europe s history in the 21st century

The Routledge Handbook to Auschwitz-Birkenau Sarah M. Cushman,Joanne Pettitt,Dominic Williams,2025-08-12 This handbook examines Auschwitz Birkenau as both a site and a symbol of Nazi genocide Scholars from a range of disciplinary perspectives consider Auschwitz s history by engaging with Holocaust historiography and its place in Holocaust memory and representation illustrating their mutual influence The chapters bring new insights to topics that other studies of Auschwitz have explored before such as the Sonderkommando the

Czech family camp and literary representations of Auschwitz Other chapters cover recent developments and more neglected areas such as the experience and memory of Romani prisoners the fate of Soviet prisoners of war and Auschwitz's presence on social media The handbook also responds to a number of recent trends and new paradigms in Holocaust Studies including contributions from the fields of Environmental Studies Spatial Studies and Gender Studies As a crucial overview of the topic of Auschwitz Birkenau and an introduction to its most recent and fruitful scholarly approaches this handbook will be a valuable resource for undergraduates from second year and up as well as for graduate students and researchers seeking a survey of the field

Music, City and the Roma under Communism Anna G. Piotrowska, 2022-02-10 This book highlights the role of Romani musical presence in Central and Eastern Europe especially from Krakow in the Communist period and argues that music can and should be treated as one of the main points of relation between Roma and non Roma It discusses Romani performers and the complexity of their situation

as conditioned by the political situations starkly affected by the Communist regime and then by its fall Against this backdrop the book engages with musician Stefan Dymiter known as Corro as the leader of his own street band unwelcome in the public space by the authorities merely tolerated by others but admired by many passers by and respected by his peer Romain musicians and international music stars It emphasizes the role of Romani musicians in Krakow in shaping the soundscape of the city while also demonstrating their collective and individual strategies to adapt to the new circumstances in terms of the preferred performative techniques repertoire and overall lifestyle

Poland in the Modern World Brian

Porter-Szücs,2014-03-17 Poland in the Modern World presents a history of the country from the late nineteenth century to the present incorporating new perspectives from social and cultural history and positioning it in a broad global context Challenges traditional accounts Poland that tend to focus on national political history emphasizing the country s exceptionalism Presents a lively multi dimensional story balancing coverage of high politics with discussion of social cultural and economic changes and their effects on individuals daily lives Explores both the regional diversity within Poland and the country s place within Europe and the wider world Provides a new interpretive framework for understanding key historical events in Poland s modern history including the experiences of World War II and the postwar communist era

Transnational Memory Chiara De Cesari,Ann Rigney,2014-10-29 How do memories circulate transnationally and to what effect How to understand the enduring role of national memories and their simultaneous reconfiguration under globalization Challenging the methodological nationalism that has until recently dominated the study of memory and heritage this book charts the rich production of memory across and beyond national borders Arguing for the fruitfulness of a transnational as distinct from a global approach it places the issues of circulation articulation and the scales of remembrance at the centre of its inquiry In the process it sheds new light on the ways in which mediation post coloniality migration and regional integration affect both the way we remember and the role of memory in contemporary societies In this interdisciplinary collection humanities and social science scholars examine a rich sample of cases from the nineteenth century on stretching across the globe from Vietnam to Europe and the Middle East to the USA and the Pacific and involving a wide range of cultural practices from quilting to films from photography to heritage sites and monuments In the process the volume develops a new theoretical framework while proposing new methodological tools and resources for studying collective remembrance beyond the nation state

Roma in Europe Ioana Bunescu,2016-04-08 This path breaking book

explains the processes through which the heterogeneous population of Roma in Europe constitutes itself into a transnational collective identity through the practices and discourses of everyday life as well as through those of identity politics It illustrates how the collective identity formation of the Roma in Europe is constituted simultaneously in the local national and European contexts drawing attention to the mismatches and gaps between these levels as well as the creative opportunities for achieving this political aim Bunescu demonstrates that the differences and stereotypes between the Roma and the non

Roma as well as those among different groups of Roma fulfil a politically creative function for the constitution of a unified transnational collective identity for the Roma in Europe The book is unique comprising chapters ranging from local ethnographic accounts of inter ethnic relations of rural Roma in a Transylvanian village to interviews with international Roma political activists controversial Roma kings and an extensive chapter on their role of bridging the local and the higher levels of identity politics visual depictions of a diversity of Roma living spaces and interpretations of the politics of space in private dwellings as well as in public venues such as at Roma international festivals
