## **Half Way There Report On The Comprehensive:**

**Années Wilson** Monica Charlot,1998      Hearings, Reports and Prints of the House Committee on Education and Labor  
United States. Congress. House. Committee on Education and Labor,1979      Brian Simon and the Struggle for Education  
Gary McCulloch,Antonio Fco Canales,Hsiao-Yuh Ku,2023-09-21 This is the first full length study of the life and career of  
Brian Simon 1915 2002 leading Marxist intellectual and historian of education in twentieth century Britain Using  
documentary sources that have only recently become publicly available it reveals the remarkably broad range of Simon s life  
as student soldier and school teacher Communist Party activist and educational academic campaigner and reformer In a  
sympathetic biography that yet retains critical distance the authors analyse Simon s contribution to Marxism and the CP  
explore the influence of both on his work as a historian of education and trace the significance of his Marxist beliefs political  
associations and historical approach to the cause of educational reform In so doing they consider the full nature and  
limitations of Simon s achievements in his struggle for education Unlike many Marxist scholars he remained loyal to the CP  
in the 1950s which damaged his reputation as a public intellectual Nevertheless his support for comprehensive education  
helped to promote egalitarian educational reforms in Britain although he was later unable to provide sufficient resistance to  
the 1988 Education Reform Act and to a decline in the position of the comprehensive schools In all this the significance of  
Simon s family and especially his relationship with his wife Joan is to the fore Joan and Brian forged a formidable 60 year  
partnership in politics and the CP as well as in life that lasted until Brian s death in January 2002      The Role of the Head  
(Routledge Revivals) R. S. Peters,2015-08-11 First published in 1967 this book looks at what the role of a headteacher should

those that are historical philosophical sociological and practical The book also benefits from some more down to earth
