Today bestselling author Johnstone's new Frank Morgan adventure finds the West's last gunfighter facing his toughest enemy yet Original **The Vigilantes of Montana, or Popular Justice in the Rocky Mountains** Thomas J.

Dimsdale, 2022-07-15 Excerpt The object of the writer in presenting this narrative to the public is twofold His intention is in the first place to furnish a correct history of an organization administering justice without the sanction of constitutional law and secondly to prove not only the necessity for their action but the equity of their proceedings Having an intimate acquaintance with parties cognizant of the facts related and feeling certain of the literal truth of the statements contained in this history he offers it to the people of the United States with the belief that its perusal will greatly modify the views of those even who are most prejudiced against the summary retribution of mountain law and with the conviction that all honest and impartial men will be willing to admit both the wisdom of the course pursued and the salutary effect of the rule of the Vigilantes in the Territory of Montana It is also hoped that the history of the celebrated body the very mention of whose name sounded as a death knell in the ears of the murderers and Road Agents will be edifying and instructive to the general reader The incidents related are neither trivial in themselves nor unimportant in their results and while rivalling fiction in interest are unvarnished accounts of transactions whose fidelity can be vouched by thousands As a literary production the author commits it to the examination of the critical without a sigh If any of these author slayers are inclined to be more severe in their judgment than he is himself he trusts they will receive the reward to which their justice entitles them and if they should pass it by he cannot but think that they will exercise a sound discretion and avoid much useless labor With all its imperfections here it is **The vigilantes of Montana; Or, popular justice in the Rocky Mountains** Thos. J.

Dimsdale, 2022-08-21 In *The Vigilantes of Montana Or Popular Justice in the Rocky Mountains* Thos J Dimsdale presents a captivating chronicle of the vigilante movement that emerged in 1860s Montana This historical narrative meticulously documents the rise of self appointed lawmen who pursued justice in a lawless frontier blending firsthand accounts with vivid storytelling Dimsdale's literary style is characterized by a compelling mix of journalistic precision and dramatic flair reflecting the tumultuous socio political landscape of the period while addressing overarching themes of morality justice and the human condition in the face of adversity Thos J Dimsdale was himself a participant in the vigilante movement providing him with a unique vantage point and credibility His experiences as a journalist in the burgeoning frontier shaped his perspectives on the challenges of maintaining order in a rapidly developing society The author's deep commitment to exploring the complexities of justice is evident throughout the work and his reflections serve as a historical lens through which readers can understand the motivations behind the vigilante actions This book is highly recommended for readers interested in American history particularly in themes of frontier justice and collective action in the absence of formal law Dimsdale's firsthand narrative not only enlightens but also invites critical reflection on the nature of justice and societal norms making it an essential read for scholars and enthusiasts alike **Hellfire Canyon** Max McCoy, 2014-11-20 2007 Spur
