Juvenile Justice and Juvenile Correction Madhusudan Shantaram Sabnis, 1996 Victim Assistance in the Juvenile Justice System National Organization for Victim Assistance (U.S.), 1996 *The Changing Borders of Juvenile Justice* Jeffrey Fagan, Franklin E. Zimring, 2000-09 Since the 1960s recurring cycles of political activism over youth crime have motivated efforts to remove adolescents from the juvenile court Periodic surges of crime youth violence in the 1970s the spread of gangs in the 1980s and more recently epidemic gun violence and drug related crime have spurred laws and policies aimed at narrowing the reach of the juvenile court Despite declining juvenile crime rates every state in the country has increased the number of youths tried and punished as adults Research in this area has not kept pace with these legislative developments There has never been a detailed sociolegal analytic book devoted to this topic In this important collection researchers discuss policy substantive procedural and empirical dimensions of waivers and where the boundaries of the courts lie Part 1 provides an overview of the origins and development of law and contemporary policy on the jurisdiction of adolescents Part 2 examines the effects of jurisdictional shifts Part 3 offers valuable insight into the developmental and psychological aspects of current and future reforms Contributors Donna Bishop Richard Bonnie M A Bortner Elizabeth Cauffman Linda Frost Clausel Robert O Dawson Jeffrey Fagan Barry Feld Charles Frazier Thomas Grisso Darnell Hawkins James C Howell Akiva Liberman Richard Redding Simon Singer Laurence Steinberg David Tanenhaus Marjorie Zatz and Franklin E Zimring *Profiting from Children's Futures: Revealing the Truth Behind the Neglect of Children* Pasquale De Marco, 2025-04-27 In this eye opening book Pasquale De Marco delves into the urgent crisis facing America's children shedding light on the alarming state of their well being and the systemic failures that contribute to their neglect It is a clarion call to action demanding attention

to the plight of our nation's most vulnerable population. With meticulous research and compelling evidence, Pasquale De Marco exposes the harsh realities that children in America face. From the staggering statistics of poverty and inequality to the inadequacies of the education, healthcare, child welfare, and juvenile justice systems, this book paints a grim picture of the challenges that children must navigate. The author also examines the negative influence of the media and the corporate world on children's lives, highlighting the predatory marketing tactics that target children and the exploitation of child labor in developing countries. The book exposes the government's failure to prioritize children's well-being, evidenced by the inadequate funding for children's programs and services. Pasquale De Marco argues that we cannot continue to ignore the crisis facing America's children. The book serves as a wake-up call, urging us to confront these harsh realities and work together to create a society where every child has the opportunity to reach their full potential. It is a call to action demanding that we demand comprehensive policy reforms, invest in programs that support children's healthy development, and hold those in power accountable for their neglect of children. This book is a must-read for anyone who cares about the future of America's children. It is a powerful indictment of the systems that are failing our children and a roadmap for creating a better future for them. If you like this book, write a review on Google Books.
