HOW TO BREAK THROUGH THIS KARMIC CYCLE?

*Keep doing the right
things for several lifetimes.*

*Remain in your present
circumstances.*

*Team up with people
you DON'T like.*

Watch your choices.

*Choose a different
thought.*

Do good.

In the language of Karma, every positive deed is merit and every negative deed is a sin. In your earthly birth, you are constantly settling scores and simultaneously creating new ones that are settled in subsequent lives.

This loop of Karma is referred to as the Karmic Cycle.

The mechanism that decrees that we cannot evade the consequences of our own actions In reality karma has nothing to do with reward and punishment Karma simply means action your action your responsibility It isn't some external system of crime and punishment but an internal cycle generated by you Accumulation of karma is determined only by your intention and the way you respond to what is happening to you Over time it's possible to become ensnared by your own unconscious patterns of behavior In Karma Sadhguru seeks to put you back in the driver's seat turning you from a terror-struck passenger to a confident driver navigating the course of your own destiny By living consciously and fully inhabiting each moment you can free yourself from the cycle Karma is an exploration and a manual restoring our understanding of karma to its original potential for freedom and empowerment instead of a source of entanglement Through Sadhguru's teachings you will learn how to live intelligently and joyfully in a challenging world Breaking the Illusion of Time Pasquale De Marco, 2025-07-23
