Description: She's his nanny and his close friend. He shouldn't be thinking about her that way. Adrian: In the year since I lost my wife in childbirth, I've been all about survival as I adapt to life as a single dad to our son. That's especially true after my mother-in-law also died suddenly. Life has been way more than I can handle, but somehow I'm getting by thanks mostly to the Wild Widows, a group of fellow travelers who make me feel less alone with my grief. They encourage me to hire fellow Wild Widow Wynter as my nanny, and that's been working out great until two things happen: she and my son go missing, and when they're found safe, I realize my feelings for her are anything but platonic. Wynter: I cannot be feeling this way about my employer. He's entrusted me to take care of the most important person in his life, and I nearly screwed that up epically. After the big scare we had, I should be giving Xavier my undivided attention, which I do until his daddy is in the room. All I see is him. Then I catch Adrian having sex, and now all I can think about is what it would be like to be with him that way. He's my boss, my close friend, and we share many mutual friends. A mess between us would be devastating and not just to us, so I need to avoid that at all costs. I've got enough on my plate managing my grief for my late husband; I don't need the complication that could come with Adrian. If only I hadn't seen him naked. **Killer Secrets** Marilyn Pappano, 2018-03-01

*State of Affairs (First Family Series, Book 1)* Marie Force, 2021-04-20

The phone call that changed their lives forever. Minutes after Vice President Nick Cappuano and Lt Sam Holland get the call that President Nelson has been found dead in the residence on Thanksgiving, they're still processing that Nick has been asked to come to the White House to take the oath of office. As they go through the motions to ensure a peaceful transition of power, Sam has a million and one concerns about her husband, her family, the Nelson family, the country, and the enormity of what Nick is about to take on. In the back of her mind is another major concern: What does this mean for my job? No other first lady in history has held a job outside the White House, but she's determined to be the first to blaze new trails for those who will follow her. However, in order to do that, she quickly realizes that compromises will have to be made to continue working as a Homicide detective. Their lives become an immediate firestorm of meetings, requests for interviews, difficult questions from their children, and a host of potential landmines to navigate as they make the transition from second family to first family. An unexpected issue with a diplomatic trip to Iran quickly thrusts Nick into the thick of his new responsibilities, while Sam confronts a murder investigation that may have ties to a cold case from fifteen years ago. As everything around them spins out of control, Sam and Nick take refuge with each other, relying on their unbreakable bond to see them through the storm.

*True North* Marie Force, 2010-11-19

Two high-powered careers. Two weeks of no strings sex. A love they never expected. The first time Travis North lays eyes on Liana McDermott, she's wearing the most hideous bridesmaid dress he's ever seen. He doesn't immediately recognize the world-famous super model who is attending her cousin Enid's wedding at the country club he owns. Thanks to Enid's shameless matchmaking, Travis and Liana become acquainted and later embark on a two-week fling intended to be free of emotion and entanglement. As Liana's return to work gets closer, however, Travis wonders how he'll ever let her go when the time comes, while Liana considers whether he might be her true north. Two high-powered careers, two amazing weeks, and a love that comes along just once in a lifetime. Is she ready to give up her career for a different kind of life? Does he want the same things she does? After insisting on an emotionless affair, she can't very well ask him. Or can she?

*Manipulating the Message* Cecil Rosner, 2023-10-31

Journalists hate the term fake news, but there's a troubling reality: spin doctors routinely try to dupe them into reporting misleading and distorted stories. Check the news on any given day, and here's what you'll find: Governments routinely lie. Companies inflate claims about their products and practices. Institutions release studies with misleading data meant to deceive. Police departments infected by

systemic racism downplay crimes against Indigenous and racialized people The public depends on the media to help them understand the world but are journalists catching all the daily lies omissions and distortions Shrinking newsrooms and an army of spin doctors mean journalists can get duped Despite valiant efforts by a handful of investigative journalists the truth is routinely left behind Award winning journalist Cecil Rosner insists there is something we can do about this We can pressure news organizations to stop blindly regurgitating the firehose of press releases and focus instead on determining what is actually true Rosner empowers readers by sharing his techniques for detecting misinformation and disinformation
