

## PREFACE.

A few years ago, perhaps longer than I wish to remember, I asked Professor Joseph L. Blumenthal, who was then writing his biography of William Faulkner, what directions he thought Faulkner studies would take. Expecting an answer related to biography, I was surprised when Professor Blumenthal said that, at least for the foreseeable future, he thought the important work in Faulkner criticism would center on Faulkner's manuscripts and typewrites. From conversations I have had with other Faulkner critics, it is quite clear that Professor Blumenthal is not alone in his views. Yet, it took a while for me to realize gradually the import of Professor Blumenthal's comments; anyone who spends weeks and months reading Faulkner's manuscripts and typewrites cannot help but experience the thrill and satisfaction of appreciating even more the genius of Faulkner's creative imagination. My own experience in this has given me a respect for the Faulknerian world, not only in its sweeping historical, social, and literary dimensions, but in the specificity of individual words and phrases.

In the last few years, Faulkner criticism has grown tremendously, as expected, and it is excellent and some a bit repetitious. Few have the time, energy, and resources to keep up with all that is being published on Faulkner in this country and abroad. I make no pretensions in this regard. Yet, I am convinced that if criticism on Faulkner's works is not based in some ultimate way on a knowledge of his books as he wrote them, that is on both the text and content of his works, then criticism will deal with a Yoknapatawpha County even more complicated than even Faulkner would have wished. As rigorous scholars know as well, the dissemination of criticism about theological texts must be based on a reverence for all the dimensions of the text. Many scholars have often mentioned that until we have adequate editions of Faulkner's works, and at least one series of texts that are fully annotated, then we will have to deal with a
