

Fear

I fear not of tomorrow
The dark scares me not
I am not full of sorrow
Although I've weeped a lot

What I fear is not on paper
There are no words big enough
I am not a hater
Although this world can be so tough

What I fear is much deeper
It is not simply cold or hot
What makes me a weeper
Is the fear of loosing all I've got

It's the fear of fear itself
That keeps me up at night
The fear of fear itself
Is what keeps happiness out of my sight

It's the fear of putting all plans on the shelf
That makes me afraid of loosing my very self

The fear of scaring away
Who I am inside
Is what makes me
So afraid I hide

Fear Itself Poems:

Fear Itself Stan Rice, 1995 Stan Rice's new book of poems is faithful to the strong expressionist thrust of his most recent collection *Singing Yet New and Selected Poems* published in 1992 *Fear Itself* is equally arresting in the ominous visions it invokes as though the book's title is to be taken literally and the reader to be both engaged and disquieted *Fear Itself* Bonacia Ltd, Jenni Bannister, 2012-10-01 **Poem Collection** Margaret Todd, **Resurrection Songs: The Poetry of Thomas Lovell Beddoes** Michael Bradshaw, 2017-11-22 This title was first published in 2001 Thomas Lovell Beddoes 1803-49 was a powerful poet of the English Romantic period who has been and is still strangely neglected by critics His macabre blank verse dramatic writings and his delicately balanced lyrics have both won ardent admirers such as Browning Gosse Pound and Christopher Ricks Yet there are formal and generic problems in Beddoes's writings which continue to marginalize him as merely an eccentric and the canon of Romanticism seems to have found no place for him *The Rural Poetry of the English Language* Joseph William Jenks, 1856 **Extreme Poetry** James Gomez, 2023-07-10 This book is a vast variety of poems ranging from those of God and women I've either known loved or imagined knowing and loving Proceeding with poems to my children COVID Woodstock addictions music the Constitution and the list goes on to say the least So as you indulge yourself within these covers I hope you find some of them to your liking If not well then I'll have to resort to pleading the Fifth **John Clare and the Place of Poetry** Mina Gorji, 2008-01-01 Traditional accounts of Romantic poetry have depicted John Clare as a peripheral figure an original genius whose talents removed him from the mainstream This volume helps to show that far from being brilliant yet isolated Clare was deeply involved in the rich cultural life of both his village and the larger metropolis Offering an account of Clare's poems as they relate to the literary culture and burgeoning literary history of his day Mina Gorji defines the context in which Clare's work can best be understood in relation to eighteenth century traditions as they persisted and developed in the Romantic period **Elegant Extracts of Poetry**, 1796 Letters to Jargon Andrew Rippeon, 2019-09-24 Gathers some of the most intimate personal writing on life and the art of poetry by a crucial figure in late twentieth century American letters Celebrated by both the Black Mountain poets in the 1950s and 1960s and the Language poets in the 1970s and 1980s Larry Eigner's poems occupy an important place in American poetry and poetics and his reputation and legacy grow seemingly stronger with each passing year *Letters to Jargon* collects all of the known correspondence between Larry Eigner and Jonathan Williams the influential publisher of Jargon Society Press and himself a poet Eigner's correspondence with Williams began in the early 1950s as the two were in conversation over the manuscript of *On My Eyes* published by Jargon in 1960 Their correspondence continued for many years thereafter extending into the period when Eigner's work started to gain recognition from the nascent movement that would become known as Language writing The letters are quite broad in their range of reference and provide a fuller context for Eigner's poetry and thinking Eigner and Williams discuss their own poetic practices including the source material for specific poems general

writing practices and small press and little magazine publication This volume offers considerable insight into their shared literary communities as Eigner reports on his readings in contemporary poetry and poetics as well as his correspondence and contact with other poets including Charles Olson Vincent Ferrini Robert Duncan Denise Levertov Robert Grenier and Barrett Watten Also recorded are Eigner s reactions to current events and explications of his own poems including the contexts for appropriated lines and distinctions of character spacing Eigner also shares with Williams details of his home life his financial difficulties and the daily challenges of his cerebral palsy Finally the book features a series of images of the original letters enabling readers to see Eigner s specific material textual practices Elegant Extracts in Poetry Vicesimus Knox,1816
