Memories of Yesteryears Carolyn Hambrick Hatcher, 2010-10-26 The early morning rain had stopped and a cool mist shrouded the lonesome mountainside The smell was fresh and invigorating to me as I stood beside the old hickory tree with its new leaves an iridescent bright green glowing against the dreary gray sky I stood quietly and watched a lone eagle soar above looking for an unsuspecting prey hidden in the overgrown weeds in the long neglected fields I had stayed away too long now I wanted to return to the source of my childhood **Lilly'S Journey** Cheryl Anita Lewis, 2018-07-20 It is the summer of 1949 when nine year old Lilly Browns teenage cousin Rosalie romps into her life from the big city of Chicago and crowds her way into the little sharecropper shack Lilly shares with her younger sister mother and elderly grandparents in the backwoods of Georgia Lilly is dismayed that Rosalie has disrupted her household and Rosalie is less than thrilled with the new home she must share with her sharecropper relatives Rosalie who is all sass and bold as a lion brings attitude to the familys small corner of the world While she tells tales of her antics in the big city Lilly hangs on to Rosalies every word and

soon begins to dream of a better life that does not include picking cotton in the hot sun or sporadically attending school But as Lillys coming of age journey eventually leads her to migrate north to Buffalo with her family she quickly discovers that with every dream comes a struggle to make it come true In this historical novel a young African American woman migrates from Georgia to Buffalo where she must battle seemingly insurmountable odds to make a better life for herself and her family

*Blue Texas* Max Krochmal,2016-10-07 This book is about the other Texas not the state known for its cowboy conservatism but a mid twentieth century hotbed of community organizing liberal politics and civil rights activism Beginning in the 1930s Max Krochmal tells the story of the decades long struggle for democracy in Texas when African American Mexican American and white labor and community activists gradually came together to empower the state s marginalized minorities At the ballot box and in the streets these diverse activists demanded not only integration but economic justice labor rights and real political power for all Their efforts gave rise to the Democratic Coalition of the 1960s a militant multiracial alliance that would take on and eventually overthrow both Jim Crow and Juan Crow Using rare archival sources and original oral history interviews Krochmal reveals the often overlooked democratic foundations and liberal tradition of one of our nation s most conservative states *Blue Texas* remembers the many forgotten activists who by crossing racial lines and building coalitions democratized their cities and state to a degree that would have been unimaginable just a decade earlier and it shows why their story still matters today

**Beyond Plantation Alley** L J Thomas,2010-05-12 *Beyond Plantation Alley* is a book about the lives of sixty or more sharecropping families that lived on plantation land in an Alley in a southern town call Natchez Mississippi from the late 1800 s This compelling story is about family love forgiveness friendships family gatherings spirituality harvesting fornication adultery murders rapes and endurance in the south when racism terror and fear often appeared In 1971 several of the families began to migrate to the north and west to seek better living conditions and education Twenty years later the first Alley reunion was held in 1993 and death had visited most of the elders in all of the families Some familiar faces were no longer visible in the crowd as I watched families running to one another hugging talking crying and kissing I realized at that moment no matter what we all went through heard seen and done it was and still is love and fellowship that sustains the Alley even today

*The Family Saga* Francis Edward Abernethy,Jerry Bryan Lincecum,Frances Brannen Vick,2003 The family saga is made up of an accumulation of separate family legends These are the stories of the old folks and the old times that are told among the family when they gather for funerals or Thanksgiving dinner These are the remember when stories the family tells about the time when the grownups were children

*Pacific Rural Press* ,1925 *Poems of the Deepwoods Nitwit!* Ethel Crownover,2000-11 My book of stories and poems are taken from the lives of my family and friends For the most part they are the subjects that will cheer up those that are sad and think only they have had troubles in this life I hope it will bring a smile to your face and sometimes may you also laugh out loud Many of the poems were written in the wee hours when I awakened with something on my mind that I thought would take a

friend s troubles off her mind Many are written on subjects suggested by those that I worked with I decided to one day write this book because I think we all should leave a little bit of ourself for future generations to know what life was like when we felt free You will notice that many of the poems are about freedom love of country and the desire to preserve that which our forefathers fought and died for when we claimed our birthright promised to Abraham Happiness is also what I wish for those of you to find in my simple words of wisdom in the form of verse If by chance you that read get half as much pleasure reading as I did writing I feel I have accomplished what I set out to do

**The Preacher's Son** Jeff Rial,2010-07-07 Stiglets Road held a tight knit group of neighbors whose children were free to run and play Little did they know of the evil dwelling among them Behind closed doors Herman Robinson performed horri f c deeds of depravity Stephen Enoch Robinson knew all too well how demented Daddy was With the help of friends Stevie escaped years of abuse and he began a new adventure full of promise and hope discovering the kindness of complete strangers Still could he escape the damage that was done or would he forever be the preacher s son

Kaffirship Tau Sebata Mohapi,2022-05-04 Archbishop Desmond Tutu once said If South Africans were to overcome the damage apartheid had caused they have to face up to its results one by one and work through them For this reconciliation to happen those responsible for apartheid first had to confess their sin we have wronged you and hurt you by this apartheid and its injustices by uprooting you from your lands and homes by dumping you in poverty stricken homelands and squatter camps by giving your children inferior education and by denying that you are human beings by denying you human rights We are sorry please forgive us Tutu further said that those who had committed crime against humanity had to make repayments If I have stolen your pen I can t really be apologetic when I say please forgive me if at the same time I still refuse with your pen and keep it If I am truly regretful I will demonstrate this genuine remorse by returning your dispossessed possessions to you In keeping silent about crime in burying it so deep within us that no sign of it appears on the surface we are promoting it and it will rise up a million fold in the future When we neither punish nor criticise criminals we are their partners in crime and not simply protecting their ill gotten riches we are condemning the future African generations to live and die in the depths of poverty and suffering Kaffirship fathered and mothered apartheid as apartheid was declared a crime against humanity so the continuing Kaffirship should also be declared a crime against humanity Kaffirship is the legalised injustice that still handcuffs Africans in the endless status quo of landless moneyless helpless and hapless Kaffirship is the name of the ship in which all Africans are packed it is set and predestined to sail with its load to the Death Sea It is sailing on automatic and none of us seems to have sense enough to turn it around or at least stop it
