Grateful Undead:

The Grateful Undead Leslie O'Grady, 2002 *The Grateful Dead and Philosophy* Steven Gimbel, 2007 Twenty philosophical essays about the Grateful Dead phenomenon evaluates the band's lyrics and its influence from a variety of ancient and modern perspectives to consider how it fits into broader trends of American thought

The Good, the Bad, and the Undead Chris Morrill, 2002 Vampires have secretly grown wealthy behind the scenes for centuries involved in monumental tasks such as overthrowing governments and mundane ones like running local strip clubs But instead of viewing things from afar they like to plunging headfirst into debauchery themselves In modern times the sexy unofficial vampire boss gets in deep trouble after her group's move to St Louis Along with her right hand vamp Scummy who battles an eternal hangover an everlasting erection and extreme lack of couch and a cast of other assorted degenerates they must prepare for one last battle against an old antagonist from days past None of this is made easier by the training of new rookie vampire a local St Louis hoosier along the way Imagine if vampires were far more human than anyone gives them credit for but too rich too bored and too immortal to play by any of the rules , *Shock and Roll: Book 2* Johanna Gohmann, 2018-12-15 Fab and his friends think they've found the perfect drummer for their rock band in his new neighbor Zee Following the success of their first gig the band can't wait to perform at their school's Septemberfest That is until Zee announces his parents don't want him to be part of the band anymore But Fab decides to take things into his own hands He goes to Zee's house to meet his parents Will Fab be able to change their minds or will he possibly be eaten Calico is an imprint of Magic Wagon a division of ABDO

Undead Souths Eric Gary Anderson, Taylor Hagood, Daniel Cross Turner, 2015-10-19 Depictions of the undead in the American South are not limited to our modern versions such as the vampires in *True Blood* and the zombies in *The Walking Dead* As *Undead Souths* reveals physical emanations of southern undeadness are legion but undeadness also appears in symbolic psychological and cultural forms including the social death endured by enslaved people the Cult of the Lost Cause that resurrected the fallen heroes of the Confederacy as secular saints and mourning rites revived by Native Americans forcibly removed from the American Southeast To capture the manifold forms of southern haunting and horror *Undead Souths* explores a variety of media and historical periods establishes cultural crossings between the South and other regions within and outside of the U S and employs diverse theoretical and critical approaches The result is an engaging and inclusive collection that chronicles the enduring connection between southern culture and the refusal of the dead to stay dead

[Love Bites](#) Jennifer Green, 2011-09-06 Twenty five year old Jessica Winters is unfulfilled in her career and in her relationships While taking a shortcut through a dark alley one evening Jessica is grabbed by a handsome man who is interested in only one thing and it is not her wallet Once she realizes the man is not a threat not to her Jessica soon discovers that Chris Sinclair is everything she wants in a mate There are two problems though he is a vampire and she already has a boyfriend Immensely attracted to Chris Jessica decides to break up with her emotionally absent investment banker

boyfriend's decision that immediately sends her straight into Chris's arms and into a world where she feels completely loved and happy for once in her life. But when a group of vampires spot Jessica and Chris together, they report their findings to a council that punishes rebellious vampires. Now Jessica's life is in danger and she must decide whether she should make the ultimate sacrifice to be with the man she adores. Jessica never imagined that one choice could change her life so quickly. Only time will tell if she will risk it all or walk away from Chris forever.

Rise Gareth Wood, 2012-01-03 Within hours of succumbing to a plague, millions of dead rise to attack the living. Brian Williams flees the city with his sister Sarah, literally just ahead of the undead horde. Their post-apocalyptic journey begins with refuge in the mountains, then takes them across a destroyed nation. Although banded with other survivors, the group remains desperately outnumbered and under-armed. With no food and little fuel, they must fight their way to safety. **RISE** is the story of the extreme measures a family will take to survive a trek across a country gone mad.

World Folklore for Storytellers: Tales of Wonder, Wisdom, Fools, and Heroes Howard J. Sherman, 2014-12-18 Here is a treasury of favorite and little-known tales from Africa, Asia, Europe, the Americas, Australia, and Oceania, gracefully retold and accompanied by fascinating, detailed information of their historic and cultural backgrounds. The introduction provides an informative overview of folklore, its purpose in world cultures, and in contemporary society and popular culture. Following this, the main sections of the book are arranged by tale type, covering wonder tales, hero tales, tales of kindness repaid, and hope and redemption, and finally tales of fools and wise people. Each section begins by comparing the tales cross-culturally, explaining similarities and differences in the folkloric narratives. Tales from diverse cultures are then presented, introduced and retold in a highly readable fashion.

Vigor Mortis Scott G. Bruce, Stephen Gordon, 2024-12-16 This volume explores the enduring presence and participation of the dead in the lives of premodern people from the Carolingian period to the end of the Middle Ages. Unlike modern states, which erect barriers to separate the dying and the deceased from their families, friends, and associates, premodern societies in western Europe fostered an ongoing relationship between the living and the dead that was mutually beneficial to both parties. As these studies show, the dead had many means at their disposal to communicate their needs and disaffection, including ghostly visitations and unquiet corpses. For their part, medieval authors told stories about the fate of the dead and the geography of the afterlife to dissuade sinful behaviour and foster virtue in preparation for the Last Judgment. Premodern hauntings also serve as a useful metaphor for the uncertainty of archival research in recovering past voices and for the racial presumptions that inform our reconstruction of the western Middle Ages. This book will appeal to scholars and students of history and literature, especially those interested in the concept of death in the medieval period. The chapters in this book were originally published in the *Journal of Medieval History*.

The Stark Carpathians Anthony J. Amato, 2024-01-29 The Stark Carpathians Ritual Text and Authority Among Ukraine's Hutsuls addresses rituals and texts in a small mountainous area located in today's Ukraine. The residents of this remote region are known as the Hutsuls. This book argues that Hutsul rituals and texts cast as ancient

and extraordinary had more mundane roots They formed out of contact between the region's residents and lowland institutions and they became foundations for everyday life Words and symbolic action had an inherent tension that stemmed from contests over authority The nature of these contests was such that distant officials willful locals and diverse sources of information were often as important as collective traditions in shaping rituals and texts Prolific producers of texts Hutsuls carried on discussions that included diverse topics such as agriculture astrology mass gymnastics divine punishment and witches and vampires This volume covers these and other discussions in their small and exact particulars and it investigates texts and rituals in their fullness and irreducible complexity By crossing traditional lines of inquiry and following the region's winding trails to their divergent ends this book offers insight into a larger Hutsul world Ultimately the study of Hutsul creations informs the study of rituals and texts in many elsewheres far from the Carpathian Mountains

Bowdoin Van Riper have assembled a collection of essays that explore the many tropes and themes through which undead Westerns make the genre's inner plagues and demons visible and lay siege to a frontier tied to myths of strength ingenuity freedom and independence The volume is divided into three sections

Reanimating Classic Western Tropes examines traditional Western characters symbolism and plot devices and how they are given new life in undead Westerns *The Moral Order Under Siege* explores the ways in which the undead confront classic values and morality tales embodied in Western films and *And Hell Followed with Him* looks at justice retribution and retaliation at the hands of undead angels and avenger The subjects explored here run the gamut from such B films as *Curse of the Undead* and *Billy the Kid vs Dracula* to A list features like *From Dusk til Dawn* and *Jonah Hex* as well as animated films *Rango* and television programs *The Walking Dead* and *Supernatural* Other films discussed include Sam Raimi's *Bubba Ho-Tep* John Carpenter's *Vampires* George Romero's *Land of the Dead* and Sergio Leone's *Once Upon a Time in the West* Featuring several illustrations and a filmography *Undead in the West* will appeal to film scholars especially those interested in hybrid genres as well as fans of the Western and the supernatural in cinema

[The Walking Dead and Philosophy](#) Wayne Yuen, 2012 *The Walking Dead* is both a hugely successful comics series and a popular TV show This epic story of a zombie apocalypse is unique It focuses on the long term individual social and moral consequences of survival by small groups of humans in a world overrun by infected zombies Guns chainsaws and machetes are not enough for survival humans also need

agreement on rules of conduct Can equality or fairness have any place in the post apocalyptic world Do theft or even assault and murder become okay under desperate circumstances Who should be recognized as having political authority What about eating human flesh Should survivors have children Billboard ,2009-04-25 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Spellcasting with a Chance of Spirits Mandy M. Roth, Grimm Cove Series 3 Every cloud has a silver lining even in matters of the heart I can see and hear the dead I can also talk to animals As a natural born witch and medium I can do a lot of odd things In most people's eyes that makes me a loon I like to think of it as being unique and eccentric Plus now that destiny has brought me back to the town I was born in I'm not all that different from the supernatural residents of Grimm Cove When I find myself being hunted by a dark entity I turn to the only person who can really help Too bad he dislikes people in general would rather keep to himself and is positive my elevator doesn't stop at all floors Plus he's not a fan of squirrels which does put a kink in things considering my familiar is one Should make for an interesting adventure seeing as how he's my mate and we're destined for one another For fans of urban fantasy romance paranormal romance gothic literature small town romances shifters werewolves vampires slayers ghosts myths and legends Dracula Frankenstein and fated mates *Unholy Wives* Stephen Tatum, **The War On Horror: Tales From A**

Post-Zombie Society Nathan Allen,2019-04-02 What happens when the zombie apocalypse turns out to be a zombie aberration Three years have passed since the rising of the undead and life has more or less returned to normal Zombie encounters are now few and far between The undead are more of a nuisance than a menace they are less likely to sink their teeth into unsuspecting civilians than they are to be attacked by vigilantes and rabid lynch mobs Laws have been passed for the zombies own protection and they are safely and humanely quarantined from society Dead Rite an undead management and control firm suddenly finds itself on the brink of bankruptcy The zombie population is dwindling and the bills are piling up So when a lucrative opportunity unexpectedly presents itself it seems almost too good to be true A tale of misfits weirdos outcasts alcoholics trust fund activists dead head hippies sleazy politicians and psychotic hillbillies all foot soldiers fighting in the war on horror *Paranormal Encounters in Iceland 1150-1400* Ármann Jakobsson,Mariusz Mayburd,2020-03-23 This

anthology of international scholarship offers new critical approaches to the study of the many manifestations of the paranormal in the Middle Ages The guiding principle of the collection is to depart from symbolic or reductionist readings of the subject matter in favor of focusing on the paranormal as human experience and essentially on how these experiences are defined by the sources The authors work with a variety of medieval Icelandic textual sources including family sagas legendary sagas romances poetry hagiography and miracles exploring the diversity of paranormal activity in the medieval North This volume questions all previous definitions of the subject matter most decisively the idea of saga realism and opens

up new avenues in saga research **The Ancient Novel and Beyond** Stelios Panayotakis, Maaïke Zimmerman, Wytse Keulen, 2017-07-31 This volume comprises the revised versions of selected papers read at the International Conference on the Ancient Novel Groningen July 2000 The papers cover a wide range of scholarly issues that were prominent in the programme of the conference and feature the most recent approaches to research on the ancient novel The essays combine judicious use of literary theory with traditional scholarship and examine the ancient novels and related texts such as Oriental tales and Christian narrative both in their larger literary cultural and social context and as sources of inspiration for Byzantine and modern fiction This book is important not only for classicists and literary historians but also for a general public of those interested in narrative fiction
