Starosta,Guo-Ming Chen,2003-06-26 Ferment in the Intercultural Field Axiology Value Praxis Volume 26 of The International and Intercultural Communication Annual examines how the field of intercultural communication has encouraged new techniques in the area of research Editors William J Starosta and Guo Ming Chen along with a diverse group of distinguished contributors recall the 1983 topical issue of The Journal of Communication that reported a critical turn and a shift of paradigms in communication research Recommended for scholars and researchers in the area of intercultural communication Ferment in the Intercultural Field is also a vital resource for upper level undergraduate and graduate communication students The Cold War John Lamberton Harper,2011-05-26 The East West struggle for supremacy from 1945 to 1989 shaped the lives of hundreds of millions and brought the world to the brink of disaster on several occasions More than two decades on the debate over its causes and dynamics is far from over Drawing on the latest archival evidence and scholarly research prize winning historian John Lamberton Harper provides a concise briskly written assessment of the Cold War Why did it start and eventually envelope nearly every corner of the planet Why did it stay cold at least in its original European theatre Why did it end and who should take the credit Harper illuminates the deep seated behavioural patterns within both the Soviet Union and the United States the search for security through expansion and military might the belief in a messianic mission to uplift humanity but also a readiness to live and let live based on membership in a common state system and a shared interest in survival He stresses ways in which internal competitions for political power tilted both the U S and Soviet systems towards bellicosity and obsessive preparation for a hot war that no one seriously intended to begin It is a story of delusions of omnipotence and rash behavior punctuated by moments of redeeming statesmanship and self restraint Harper concludes that rather than triumphalism a clear look back at the Cold War s close calls with catastrophe and enormous cost in lives and treasure ought to evoke a sense of regret and humility as well as relief Political Economy, USSR K.
