Fat Dumb And Ugly:

Fat, Dumb, and Ugly Peter Strupp, 2010-06-15 The world's lone superpower supreme guardian of democracy and home of the blithely uninformed and epidemically obese Welcome to America pull up a chair click on the tube and grab a donut Concerned Citizen Peter Strupp is shocked and bothered by what he sees It seems we're not as thin smart and good looking as we like to think Packed with real facts and statistics *Fat Dumb and Ugly* takes readers on an eye opening laugh out loud and at times horrifying tour of the numbers that shape our country Percentage of adults in the United States who are overweight 64.5 Percentage of Americans who believe they have actually spoken with Satan 5 Percentage of voters for whom Saturday Night Live and MTV are primary sources of information about presidential candidates 16 Average number of pink lawn flamingos sold annually in America 250 000 A wickedly hilarious and addictive cultural snapshot of our nation of conspicuous consumers fast food fanatics and dumbed down dolts *Fat Dumb and Ugly* casts a revealing spotlight on John Q Public the average American and it's not always pretty **"F"-It-Less** Shaun Rawls, 2021-05-04 In *F It Less* he offers a whole new lexicon of F words more powerful than the one we all already know By employing each thoughtfully and practically in your life you can begin to craft the existence you've always dreamed of During his own transformation words such as fragmented frustrated fractured and failed helped him identify where he was in the moment and to earnestly assess where he'd gone wrong in the past In time he enjoyed days that were fine or even fantastic Prioritizing words such as float family faith fun and freedom reminded him of his destination while words such as find forgive forget fix and foxhole helped him to get there faster What he discovered is that these F words can draw us back into alignment with our purpose and goals enabling us to live a more intentional and rewarding life the life of our dreams What does it take to say F it and really mean it To walk away from the circumstances that have you stuck in neutral or worse headed in the wrong direction To reroute your life along a smoother path toward success To live an *F It Less* life Have you ever just thrown your hands in the air and said F It Been tempted to give in to someone or something you've been resisting Or worse found yourself backed into changes circumstances or even a life you didn't ask for If so you are not alone But thankfully there is now a powerful way to never have to say F It again It begins with reframing the f word and ultimately leads to reframing your life It's a method designed to help you choose the life you want to live rather than blindly accepting the one you've got **Be All You Can Be** Edward Vaughn, 2013-07-03 This story will be especially inspiring to individuals who struggle against the misery of obesity and want to be all they can be Based on true events it involves the struggle experienced by two people who develop the courage and commitment to change their lives by taking control of their minds and bodies and connecting with their spirituality Be forewarned that some of the story will bring tears of sadness to the reader's eyes followed by tears of joy **Essential Shit - Facts That Will Scare the Total Shit Out of You!** Cary McNeal, 2012-04-01 Disturbing phenomena are everywhere we turn and this book is jam packed with facts that will truly horrify you but undoubtedly entertain and educate at the same time
