**Kathleen Christison**

## **Fatal Embrace:**

A FATAL EMBRACE?, F;NASH HEUBERGER (C.),1994      Justice on the Cross Kathleen Christison,2023-03-09 At its heart liberation theology is a modern theology of resistance to the oppression imposed by colonialist and post colonialist systems and even by churches that cooperate with secular centers of power to oppress the poor and disadvantaged It is a grassroots social justice theology a cri de c ur that seeks to give spiritual succor and hope to those living in seemingly hopeless circumstances Palestinians a people whose suffering has largely been forgotten by the world since Israel s establishment and who are most often stereotyped as extremists and enemies of Israel with no legitimate claim to their own homeland are among the world s most marginalized populations The small Palestinian Christian community an indigenous population descended from Jesus s first followers has created a liberation theology for the Palestinian context that reaches out to its own Christian faithful and their Muslim compatriots This is a nonviolent political theological resistance that follows Jesus s teaching that God is present with all God s children and heeds Jesus s gospel injunctions to comfort the suffering and let the oppressed go free For Palestinians their very survival in the land is resistance to Israel s efforts to remove them and liberation theology sustains their resistance Jesus was the first liberation theologian      **Theology After Gaza** Mitri Raheb,Graham McGeoch,2025-08-14 This is a book about genocide and Gaza Gaza has become the moral compass of our world today In this war theology was weaponized against the Palestinian people by both Israeli politicians and Christian Zionists It is a book inspired by Palestinian liberation theologies The book foregrounds scholarly and practical responses to the Israeli invasion of a part of the occupied Palestinian territories widely referred to as Gaza in the media and popular discourse However the book also situates Gaza and Palestine in the longue duree of settler colonialism colonialities of power and the underside of modernity Theology After Gaza A Global Anthology is fruit of the urgency of the time Inspired by Palestinian liberation theologies it articulates some of the death of God and the moral and ethical outrage familiar to those versed in Western Christianity and theology It also explores Gaza as an exteriority an exteriority to Western Christianity and theology to the international system and as a counter witness to Zionism This anthology is the first of its kind timely and relevant contribution that tackles a relevant issue of global importance with well known authors and prolific writers including Jewish and Muslim scholars      Fatal Embrace Mark Braverman,2012-04-01 Author Mark Braverman shows how the Jewish quest for safety and empowerment and the Christian endeavor to atone for centuries of anti Semitism have combined to suppress the conversations needed to bring about a just and lasting peace in the Holy Land Fatal Embrace charts Braverman s journey as an American Jew struggling with the difficult realities of modern Israel The book vividly describes the spiritual and psychological forces driving the discourse and is a call to action to Americans of all faiths      **New Technologies and Branding** Philippe Sachetti,Thibaud Zuppinger,2018-02-15 Between cases of study theoretical panorama and practical reflections this book gives brand leaders the means to defend their brand in a changing environment where new technologies

and manipulation techniques have rendered old defense schemes obsolete Rather than suggesting a reflection from the point of view of the crisis the authors deal with the question under another broader theme conflict      **Christianity and Rabbinic Judaism** Jonas E. Alexis,2011-12 The simple step of a courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus s deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable work Alexis maintains that Rabbinic Judaism defined by the Pharisaic teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe implications for Western culture intellectual history and theological exegesis

**God is a Conservative** Kenneth J. Heineman,2005-10 From Billy Graham and Ronald Reagan to Newt Gingrich and William Bennett this book provides an important look at the role of religion in conservative politics in modern America The author reveals the profoundly religious nature of contemporary conservatism offering an intriguing look at the social history of moral politics over the last three decades and the still tremulous aftershocks of the New Deal      Great Debates in Jurisprudence Nicholas McBride,Sandy Steel,2018-03-16 This textbook is an ambitious and engaging introduction to the more advanced writings on Jurisprudence primarily designed to allow students to get under the skin of the topic and begin to build their critical thinking and analysis skills Each chapter is structured around key questions and debates that provoke deeper thought and ultimately a clearer understanding The aim of the book is therefore not to present a complete overview of theoretical issues in Jurisprudence but rather to illustrate the current debates which are currently going on among those working in shaping the area The text features summaries of the views of notable experts on key topics and each chapter ends with a list of guided further reading A perfect book for students taking a module in jurisprudence or for those wanting to deepen their knowledge New to this Edition New debates on the nature and legitimacy of global justice and the binding force of precedent Incorporates discussion of new contributions to jurisprudential writing by Mark Greenberg Scott Hershowitz David Howarth and Shona Stark Matthew Kramer Frederick Schauer and Jeremy Waldron Includes substantially revised chapters on The nature of jurisprudence and Morality and rights      **Jews and the Military** Derek J. Penslar,2015-10-27 A historical reevaluation of the relationship between Jews military service and war Jews and the Military is the first

comprehensive and comparative look at Jews involvement in the military and their attitudes toward war from the 1600s until the creation of the state of Israel in 1948 Derek Penslar shows that although Jews have often been described as people who shun the army in fact they have frequently been willing even eager to do military service and only a minuscule minority have been pacifists Penslar demonstrates that Israel s military ethos did not emerge from a vacuum and that long before the state s establishment Jews had a vested interest in military affairs Spanning Europe North America and the Middle East Penslar discusses the myths and realities of Jewish draft dodging how Jews reacted to facing their coreligionists in battle the careers of Jewish officers and their reception in the Jewish community the effects of World War I on Jewish veterans and Jewish participation in the Spanish Civil War and World War II Penslar culminates with a study of Israel s War of Independence as a Jewish world war which drew on the military expertise and financial support of a mobilized global Jewish community He considers how military service was a central issue in debates about Jewish emancipation and a primary indicator of the position of Jews in any given society Deconstructing old stereotypes Jews and the Military radically transforms our understanding of Jews historic relationship to war and military power

**Zionism and the Quest for Justice in the Holy Land** Donald E. Wagner, Walter T. Davis, 2014-07-01 A critical examination of political Zionism a topic often considered taboo in the West is long overdue Moreover the discussion of Christian Zionism is usually confined to Evangelical and fundamentalist settings The present volume will break the silence currently reigning in many religious political and academic circles and in so doing will provoke and inspire a new challenging conversation on theological and ethical issues arising from various aspects of Zionism a conversation that is vital to the quest for a just peace in Israel and Palestine The eight authors offer a rich diversity of religious faith academic research and practical experience as they represent all three Abrahamic faiths and five different Christian traditions Among the many themes that run through Zionism and the Quest for Justice in the Holy Land is the contrast between exclusivist narratives both biblical and political and the more inclusive narratives of the prophetic Scriptures which provide the theological foundation and the moral imperative for human liberation Readers will be drawn into a compelling readable and stimulating series of essays that tackle many of the complex issues that still confound clergy politicians diplomats and academic experts

Enemy Images in American History Ragnhild Fiebig-von Hase, Ursula Lehmkuhl, 1998-01-01 It seems to be a tenet of the human condition to perceive others as different and potentially hostile In nearly all societies stereotypes are developed to stigmatize suspected enemies within and without The American case is particularly interesting in this respect because American society consists of nothing but others to be open to others and welcome those who are different is one of the basic tenets of the country However this principle often conflicts with the need to integrate all these strangers into a homogeneous governable society which causes the formation of hostile stereotypes of certain ethnic groups that do not fit in The authors in this volume look at the development of these enemy images which form a fairly consistent pattern from the period of the American Revolution to the post World War II era In

doing so they focus on the question of to what extent these enemy images influence the formulation and outcome of foreign domestic and immigration policies      **States, Debt, and Power** Kenneth H. F. Dyson, 2014 States Debt and Power deals with one of the most pressing political and policy issues of the 21st century the so called crisis of debt with its effects on perceptions of state power and of the relevance and value of democratic politics and of European integration

**Authoritarian Regimes in Transition** Hans Binnendijk, Peggy Nalle, Diane B. Bendahmane, 1987      **Handbook of Workplace Spirituality and Organizational Performance** Giacalone, 2015-05-18 An explanation of how and why the economic downturn of 2007 became the Great Recession of 2008 and 2009 It explores the root causes of the cycle of boom and bust of the economy It describes social equity in terms of its arguments and claims in political economic and social circumstances      *Beyond the Promised Land* Glenn Frankel, 1996-06-05 After half a century of enmity between Jew and Arab two decades of occupation and six years of bloody intifada Israeli leaders are doing the unthinkable shaking hands with their Arab adversaries Pulitzer Prize winner Glenn Frankel unlocks the story behind Israel s current upheaval and the magnitude of its about face      *Howard Fast* Gerald Sorin, 2012-11-05 A biography of the Jewish American left wing author of Spartacus that explores his identity his work and his politics Howard Fast s life from a rough and tumble Jewish New York street kid to the rich and famous author of close to one hundred books rivals the Horatio Alger myth Author of bestsellers such as Citizen Tom Paine Freedom Road My Glorious Brothers and Spartacus Fast joined the American Communist Party in 1943 and remained a loyal member until 1957 despite being imprisoned for contempt of Congress Gerald Sorin illuminates the connections among Fast s Jewishness his writings and his left wing politics and explains Fast s attraction to the Party and the reasons he stayed in it as long as he did Recounting the story of his private and public life with its adventure and risk love and pain struggle failure and success Sorin also addresses questions such as the relationship between modern Jewish identity and radical movements the consequences of political myopia and the complex interaction of art popular culture and politics in twentieth century America A notable study of a thorny protagonist whose life has much to reveal about the times in which he lived and about the interplay of political belief personal identity art and ambition Publishers Weekly Sorin has written a heavily researched critical biography of Fast The volume s strength is its explication and analysis of the complex social and political context of Fast s activism and creative work Sorin s lengthy critique of Fast s adherence to Communism long after most American writers and intellectuals had abandoned the party and his shameful public silence on Stalin s crimes and Soviet anti-Semitism are of significant import Recommended Choice An intriguing biography not least for its examination of how Fast interwove his political activism his Jewishness and his art during the heyday of McCarthyism Recommended Recorder Melbourne      *A Companion to Herman Melville* Wyn Kelley, 2015-06-24 In a series of 35 original essays this companion demonstrates the relevance of Melville s works in the twenty first century Presents 35 original essays by scholars from around the world representing a range of different approaches to Melville Considers Melville in a global context and

looks at the impact of global economies and technologies on the way people read Melville Takes account of the latest and most sophisticated scholarship including postcolonial and feminist perspectives Locates Melville in his cultural milieu revising our views of his politics on race gender and democracy Reveals Melville as a more contemporary writer than his critics have sometimes assumed

**American Palestine** Hilton Obenzinger, 2020-07-21 In the nineteenth century American tourists scholars evangelists writers and artists flocked to Palestine as part of a Holy Land mania Many saw America as a New Israel a modern nation chosen to do God's work on Earth and produced a rich variety of inspirational art and literature about their travels in the original promised land which was then part of Ottoman controlled Palestine In American Palestine Hilton Obenzinger explores two infidel texts in this tradition Herman Melville's *Clarel A Poem and Pilgrimage to the Holy Land* 1876 and Mark Twain's *The Innocents Abroad or The New Pilgrims Progress* 1869 As he shows these works undermined in very different ways conventional assumptions about America's divine mission In the darkly philosophical *Clarel* Melville found echoes of Palestine's apparent desolation and ruin in his own spiritual doubts and in America's materialism and corruption Twain's satiric travelogue by contrast mocked the romantic naiveté of Americans abroad noting the incongruity of a fantastic mob of Yanks in the Holy Land and contrasting their exalted notions of Palestine with its prosaic reality Obenzinger demonstrates however that Melville and Twain nevertheless shared many colonialist and orientalist assumptions of the day revealed most clearly in their ideas about Arabs Jews and Native Americans Combining keen literary and historical insights and careful attention to the context of other American writings about Palestine this book throws new light on the construction of American identity in the nineteenth century

**Jews and the American Slave Trade** Saul Friedman, 2017-09-29 The Nation of Islam's *Secret Relationship between Blacks and Jews* has been called one of the most serious anti-Semitic manuscripts published in years This work of so-called scholars received great celebrity from individuals like Louis Farrakhan Leonard Jeffries and Khalid Abdul Muhammed who used the document to claim that Jews dominated both transatlantic and antebellum South slave trades As Saul Friedman definitively documents in *Jews and the American Slave Trade* historical evidence suggests that Jews played a minimal role in the transatlantic South American Caribbean and antebellum slave trades *Jews and the American Slave Trade* dissects the questionable historical technique employed in *Secret Relationship* offers a detailed response to Farrakhan's charges and analyzes the impetus behind these charges He begins with in-depth discussion of the attitudes of ancient peoples Africans Arabs and Jews toward slavery and explores the Jewish role in colonial European economic life from the Age of Discovery to Napoleon His state-by-state analyses describe in detail the institution of slavery in North America from colonial New England to Louisiana Friedman elucidates the role of American Jews toward the great nineteenth-century moral debate the positions they took and explains what shattered the alliance between these two vulnerable minority groups in America Rooted in incontrovertible historical evidence provocative without being incendiary *Jews and the American Slave Trade* demonstrates that the anti-slavery tradition rooted in the Old

Testament translated into powerful prohibitions with respect to any involvement in the slave trade This brilliant exploration will be of interest to scholars of modern Jewish history African American studies American Jewish history U S history and minority studies     Broker of Lies Steven James,2023-04-11 The man who knows all our secrets has a secret of his own When Travis Brock a high level Pentagon redactor with an eidetic memory finds a clue to solving the tragic arson that took his wife from him he risks everything to find the truth and chances losing himself in the process With a terror attack looming on the horizon and a pair of assassins on his tail Brock drops off the grid and joins forces with a disavowed Homeland Security operative Together they race to stop the attack before Brock is neutralized by the people he trusts the most From critically acclaimed bestselling novelist Steven James comes a smart wire tight and emotionally resonant thriller that asks just how far across the line we might go to see justice carried out A Christian suspense novel packed with action mystery and espionage Perfect for fans of Vince Flynn and Joel C Rosenberg Enter a world of jaw dropping plot twists political intrigue clandestine organizations and top secret government initiatives
