Alex Games, 2011-01-31 Kick the Bucket and Swing the Cat takes a humorous tour through the fascinating sometimes tragic  
and often surprising history of the English language and its etymology Author humorist and word sleuth Alex Games  
uncovers the trends innovations and scandals that have shaped the meanings of our most popular words and expressions  
from Chaucer to Internet jargon and Ancient Greek to American slang Who was the original Jack the Lad Gordon Bennett or  
Bloody Mary Where do dodgy geezers and hooligans come from What are skeldering dithering and sabre rattling This

When I Laugh: My Autobiography** Paul Merton, 2014-09-25 Known for his intelligent and often surreal humour Paul  
Merton's weekly appearances on BBC1's Have I Got News For You as well as Radio 4's Just A Minute and his travel  
documentaries have seen him become an artfully rebellious fixture in our lives for over 25 years He also has a real story to  
tell In ONLY WHEN I LAUGH his rich and beautifully observed autobiography Paul takes us on an evocative journey from his  
working class Fulham childhood to the present day Whether writing about school days his run ins with the nuns and other  
pupils his disastrous first confession his meatpacking job taking acid leaving home to live in bedsit his early brushes with the  
opposite sex and not forgetting his repeated attempts to break into the world of comedy Paul's writing is always funny  
poignant and revealing And when his star finally ascends in the atmospherically drawn 1980s alternative cabaret scene there  
is a sense of excitement energy camaraderie momentum and dramatic impending success And then CRASH In an unflinching  
and brilliantly written section that defines the book we experience the disorienting and terrifying sustained manic episode  
that he suffered which landed him in a psychiatric hospital These and other tougher moments are written about candidly and  
with sensitivity and honesty Yet throughout ONLY WHEN I LAUGH Paul Merton succeeds in telling his life story

entertainingly with warmth humour and a big bucket load of wit Ultimately uplifting it is the story of a fascinating life brilliantly told and one of the best memoirs of the year Last Train to Hilversum Charlie Connelly,2019-01-24 Despite the all pervading influence of television ninety per cent of people in Britain still listen to the radio clocking up over a billion hours of listening between us every week It s a background to all our lives we wake up to our clock radios we have the radio on in the kitchen as we make the tea it s on at our workplaces and in our cars From Listen With Mother to the illicit thrill of tuning into pirate stations like Radio Caroline from receiving a musical education from John Peel or having our imagination unlocked by Douglas Adams The Hitchhiker s Guide to the Galaxy from school free summers played out against a soundtrack of Radio One and Test Match Special to more grown up soundtracks of the Today programme on Radio 4 and the solemn rhythmic intonation of the shipping forecast in many ways our lives can be measured in kilohertz Yet radio is changing because the way we listen to the radio is changing Last year the number of digital listeners at home exceeded the number of analogue listeners for the first time meaning the pop and crackle and the age of stumbling upon something by chance is coming to an end There will soon be no dial to turn no in between spaces on the waveband for washes of static mysterious beeps and faint distant voices The mystery will be gone we ll always know exactly what it is we re listening to whether it s via scrolling LCD on our digital radios the box at the bottom of our TV screen or because we ve gone in search of a particular streaming station And so as the world of analogue listening fades Charlie Connelly takes stock of the history of radio and its place in our lives as one of the very few genuinely shared national experiences He explores its geniuses crackpots and charlatans who got us to where we are today and remembers its voices personalities and programmes that helped to form who we are as individuals and as a nation He visits the key radio locations from history and looks at its vital role over the past century on both national and local levels Part nostalgic eulogy part social history part travelogue Last Train To Hilversum is Connelly s love letter to radio exploring our relationship with the medium from its earliest days to the present in an attempt to recreate and revisit the world he entered on his childhood evenings on the dial as he set out on the radio journey of a lifetime *The Best American Magazine Writing 2012* Sid Holt,The American Society of Magazine Editors,2012 Chosen from the nominees and winners of the 2012 National Magazine Awards this year s anthology covers a range of developments in culture commerce society and politics from the passing of Steve Jobs to the controversy over breast cancer research funding Tough Crowd Graham Linehan,2023-10-12 A must read Funny and utterly compelling Jonathan Ross Having cut his teeth in music journalism Graham Linehan became the finest sitcom writer of his generation He captured the comedy zeitgeist not just as the co creator of Father Ted but also with The IT Crowd and Black Books winning five Baftas and a lifetime achievement award Then his life took an unexpected turn When he championed an unfashionable cause TV commissioners no longer returned his emails showbiz pals lost his number and his marriage collapsed In an emotionally charged memoir that is by turns hilarious and harrowing he lets us into the secrets of the writing room and colourfully describes the high octane

atmosphere of a sitcom set But he also berates an industry where there was no one to stand by his side when he needed help Bruised but not beaten he explains why he chose the hill of women and girls rights to die on and why despite the hardship of cancellation he s not coming down from it any time soon
