

The background of the image is a dramatic landscape. In the foreground, there are dark, silhouetted mountains. The sky is filled with large, dark clouds, but a bright light source, likely the sun, is breaking through the clouds in the center, creating a warm, orange glow. The overall mood is one of awe and inspiration.

Courage is feeling the
fear and doing it anyway.

Fear And Courage:

Fear and Courage Stanley Rachman, 1978-01-01 *Fear to Courage* Kim Vastin, Michelle Borquez, Sharon Kay Ball, 2021-10-05 Do you know what it's like to walk on eggshells around someone out of fear? Fear is crippling but you don't have to be a slave to fear any longer. This booklet will help you define the root of your fear whether it is sexual abuse or something else that's just as damaging and help you move past it to healing and wholeness. Includes a powerful testimony of God's restorative power from Kim Vastine who was trapped as a child with a sexually abusive uncle and a physically abusive father. *Fear to Courage* also provides Sharon Kay Ball's Steps to Freedom section which prepares women for the trauma they will uncover when thinking back to memories of abuse. She gives women steps to forgiveness to ultimately turn their fears into what makes them courageous. *Fear to Courage* will bring you hope and wholeness. It will speak to your heart and will strengthen your faith. Includes study guide for personal or group use. **Fear & Courage** Renee Hollis, 2019 We have all felt fear whether it's the sweaty palms and racing heart as we make a speech or the profound all encompassing awareness of our own mortality as we await medical results. Of course the flip side of fear is courage. The person who learns a new skill late in life despite fearing they're too old. The quiet voice that speaks up when everyone else remains silent. As Nelson Mandela famously said I learned that courage was not the absence of fear but the triumph over it. Collected from around the world the twenty-five true stories showcased here capture the full range of the fear and courage experience. From the 65-year-old woman stepping outside her comfort zone to visit Antarctica to the young social worker confronting an abusive father and husband from a gay woman's experience of coming out to a man confronting his claustrophobia to have an MRI or a woman fighting to keep both herself and her unborn child alive in Hitler's Germany these are stories of fear and courage in all their guises. At times humorous often poignant they will linger in your memory shining a light on just what it means to be human. Interspersed between the stories are quotes about fear and courage by people as diverse as Eleanor Roosevelt Paulo Coelho Marcus Aurelius and Taylor Swift. The result is a book to be savoured and returned to again and again. Publisher's description.

Cultivate Courage: Face Fear. Fulfill Dreams. Dave Cornell, 2018-08-27 Courage is a word that is often reserved for soldiers or police officers or firefighters. Yet nearly every day in both our personal and professional lives we have the opportunity to face our fears and do something courageous. Whether it be standing up as the lone voice of dissent in a meeting or talking with your neighbor about the deposits his dog leaves on your lawn the opportunity for courage is often there. *Cultivate Courage* is an inspirational look at how fear and courage impact us in our lives more often than we realize or care to admit. Often we default to fear because it is the easy way out. Acknowledging our fear is the first step to leading a life of courage. Acknowledging our fear is the first step in reaching our goals and dreams. Acknowledging our fear is the first step to becoming courageous. Steps 2 and 3 to leading your life with more courage are also outlined in the book. Each step is simple and actionable immediately. This isn't a book about becoming fearless. Rather it's a book about facing your fears head

on It's about you being in control of your fears rather than your fears being in control of you If you're tired of being a spectator in the game of life then this book will help you to cultivate the courage you need to be your best self Lao Tzu the Chinese philosopher said many years ago The journey of a thousand miles begins with a single step Are you ready to step out of your fear and into your courage **FEAR AND COURAGE** RENEE.
