Fearless Doug Pederson, Dan Pompei, 2025-05-01 How does an underdog become a champion One of the most innovative gutsy and dynamic head coaches in the NFL reveals the strategies behind building the Eagles team that shocked the world by winning the Super Bowl Doug Pederson is the very definition of an underdog He was an undrafted rookie free agent who would go on to play fourteen years in the NFL as a backup quarterback He was cut five times yet kept getting back up and into the fray He would win one Super Bowl with the Green Bay Packers When he retired he decided to coach but not at the pro level Instead he was head coach of Calvary Baptist Academy in Shreveport Louisiana After a successful four year stint there he returned to the NFL as an assistant coach under Andy Reid with the Eagles and the Kansas City Chiefs where he was instrumental in the development of quarterback Alex Smith and his string of 3 000 plus yard seasons of passing When he was offered the job as head coach of the Eagles he jumped at it though few thought he would succeed In the first season a year of rebuilding they finished 7 9 Some doubted his abilities and before the 2017 season one expert called Pederson the least qualified coach in thirty years Plagued by the sidelining of seasoned players and devastated by quarterback Carson Wentz s season ending knee injury the Eagles managed a 13 3 record and home field advantage in the playoffs Yet they were still the underdogs in every single game including the Super Bowl against the New England Patriots one of the greatest dynasties in the history of the NFL It wasn t until they stunned the Patriots that people finally believed in Pederson and his team In *Fearless* Pederson reveals the principles that guided him through the ups and downs and tough times of his career and what it took to become a champion Through it all Pederson sustained himself with his faith and the support of his family He shares the defining stories of his life and career growing up with his disciplinarian Air Force dad and his tender hearted mom developing friendships with Dan Marino and Brett Favre and learning from mentors such as Don Shula Mike Holmgren and Andy Reid who helped mold him into the man and coach he is today *Fearless* captures Pederson s coaching and leadership philosophies and reveals the brilliant mind and indomitable spirit of a man who has entered the pantheon of great coaches *Fearless (SpongeBob SquarePants)* Nickelodeon Publishing, 2011-04-01 High speed boat races Jellyfish stings
