Fearless Hearts Linda Castle,1995 Fearless Hearts by Linda Castle released on Jan 25 1995 is available now for purchase *Essays on the Path to Self Discovery Volume II* Melinda M. Sřrensson,2019-09-21 This book is the second volume following Short Stories Essays and Exercises on the Path to Self Discovery by the same author It is a collection of musings and insights by the author presented raw in the hope that the readers can use them to discover their own paths leading to their own awakening **Short Stories, Essays and Exercises on the Path to Self Discovery** Melinda M. Sorensson,2019-03-27 The mind is a powerful ally for us to live in this world However given absolute control of our lives it becomes a silent tyrant Indeed there is no master more ruthless no jungle more wild and no fire more fierce and consuming than the reactive mind Therefore the battlefield of the mind is the only one we have to conquer the only prison we have to walk out of and then we can realize we have always been free Freedom is the true nature of our being This book is a collection of Short Stories Essays and Exercises which the author wrote over the years as a record of observations on her own journey towards finding the authentic Self The author wishes to inspire the readers into self inquiry by incorporating her experiences in all the work and distilling those experiences for everyone to try It is meant to be light reading rather than a textbook The greatest politeness is free of all formality perfect conduct is free of concern perfect wisdom is unplanned perfect love is without demonstrations perfect sincerity offers no guarantee The way of Chuang Tzu by Thomas Merton
