Blue Bear Zurcasor Asem,2022-08-15 As we travel through the fictional world of Blue Bear and the adorable bear population we might reminisce of our own journey through life remember feeling the many splendors of love the learning from challenges and mistakes the healing from pain the God given strength to face loss and sorrow the forgetting and forgiving of those who deeply hurt us Or Blue Bear might even lead us to decide to modify the map for the rest of our journey The miracle of life treasured from the moment we receive our souls breathe our first breath cry at being welcomed to the world with a cruel spank until the time when our search to discover and learn ends the same way we chose to live As puppies

and kittens and cubs do we see the miracle of life in the animal world as in our world when it emerges out of a womb crawls takes baby steps swinging from side to side giggling at the first run without a fall to then become a unique member of mankind or of the animal kingdom And although we would have hurt if we fell it didn't stop us from trying to stand up and walk again realizing that falls and errors are learning moments What happens in Blue Bear's world let us see that we have a tomorrow to live for if we accept that we are exactly in the path we chose to travel accompanied or alone that we are never lonely if we believe the words of the One who promised to never leave us or forsake us to be with us to the end of time Blue Bear believes it its author believes it Welcome to Honey Sweet City bear population of six hundred
